

45 Counties in U.S. Score Big Gains in Census

Washington—UPI—The Census Bureau reported today that 45 counties in the United States have scored population increases of 100 per cent or more between 1950 and 1960.

The fastest growing county in the nation was Brevard County, Florida. Its population soared from 23,653 a decade ago to 111,176, a gain of 370 per cent.

The bureau's report, based on 1960 census results, also showed that 19 of the nation's 3,072 counties have populations of less than 1,000 persons each.

Low county on the list is Hinsdale County, Colorado. Its population has shrunk from 1,069 in 1900 to 217 this year.

Eichmann Story Written Before Capture Printed

New York—UPI—A statement said to have been written by suspected mass slayer Adolf Eichmann shortly before his capture by Israeli agents in Argentina has been published in Look magazine.

The statement appeared in an article on the pursuit and capture of Eichmann written by Israeli Journalists Zvi Aldouby and Ephraim Katz. Eichmann, accused of murdering six million Jews in Nazi Germany during World War II, is facing trial in Israel. His statement, expected to be introduced at his trial, said:

"I am tired of traveling over continents and lands as an anonymous wanderer. I wish I could have made peace with my former enemies.

Not a Traitor
"I was not a murderer. I was nothing but a loyal, orderly, correct, efficient soldier, and did what I did only out of idealistic devotion to my fatherland and to the SS. I was never a traitor.

"After a careful self-analysis, I am now convinced that I have never been a murderer or a mass-murderer, nor were my subordinates. But to be entirely honest, I see myself as one of those who helped in the killings, for after all I did receive and relate the orders for deportation, and a part of the deportees were killed—though by other units.

"My belief in the Nazi leadership and the necessity of total war made me fulfill my duties with clean conscience and willing heart.

"I was a good German, I am a good German, and a good German I shall always be."

Shower Rooms to Be Built at Lake

Two shower rooms will be added to each of two restroom buildings now under construction at Howard Prairie reservoir area, the county court has announced.

Estimated cost is \$325 for each shower room, County Commissioner Chester Wendt said. Contractor for both the restrooms and shower rooms is Thomas Parker, Ashland.

The new buildings are located in the camping area north of the boat landing and store at the reservoir shore, Wendt explained. County court members said money would be saved by constructing the shower facilities now while the contractor is working on the restrooms.

BEER IS BACK

Tama, Iowa —UPI—Beer went back on sale again Tuesday for Indians from the nearby Sac-Fox reservation. The city council lifted a month-long ban imposed after some rollicking braves whooped it up too much in Tama bars.
