

# Redding Softballers Maids' Foe Tonight

Rogue Valley Dairy Maids this evening will have their final home engagement of the season against another women's team in softball competition.

They will be hostesses to a strong aggregation from Redding, Calif. Game time is 7:30 p.m. at Memorial stadium, White City. It will be non-league scuffle. The Maids have finished their 1960 Northwest Women's league campaign. They play in the state tourney next week end.

Ellen Callaghan is slated to handle the pitching chores for the Dairy Maids tonight. Her opponent on the chucking slab will be either Elsie Edwards or Ruth Doland.

The scrap will match a team which has played against some of the top opposition in California against a team which has met the best in the Pacific Northwest. Redding's Comets have winning record for the season in rivalry against such foes as Roseville, Sacramento, Oakland, Orland, Travis Air Force base, and Reno, Nev. They have played the perennially strong Fresno Rockets.

**Lineups Listed**

Rogue Valley's activity has been against such teams as The Ery Lind Florists and Martinizers of Portland, Vancouver, B. C., Port Angeles and Bremerton, Wash., Eugene and Salem. They have divided with the Salt Lake City Shamrocks.

Possible lineup for Redding tonight includes: Marlene Robinson, catcher; Penny Moore, first base; Bobbie Fish, second; Alma Montagner, shortstop; Beverly Howell, third base, and Brenda Frey, Mary Lee Grimes and Lois Shoupe.

For the Maids it may be Jean Main, catcher; Doris Hickson, first base; Janet Pfaff, second base; Bernice Bigham, shortstop; Helen Woigamott, third base, and Shirley Hanson, Pat Barron and Jan Bateman, outfielders.

**FINAL GAME TOGETHER**—The four players and coach here will participate together for the final time in a game when State meets Metropolitan on Saturday, Aug. 13, in the Shrine prep all-star football game at Multnomah stadium in Portland. From left, they are John Frohnmayer, Jerry Anderson, Coach Fred Spiegelberg, Lowell Dean and Skip Bennett, all of Medford high's 1959 state championship contingent. Spiegelberg is head mentor for State. Intensive preparations for the Shrine game have been underway for a week. ## State Squad Trimmed to 26 Members

Portland - (UPI) - Metro and State all-stars continued heavy workouts Friday in preparation for the 13th annual Shrine's hospital all-star clash in Multnomah stadium Aug. 13.

The State squad was trimmed to 26 members Friday when South Salem tackle Woody Bennett suffered a dislocated shoulder in a blocking drill. The Metro squad was trimmed from 27 to 26 members on Monday when Paul Corso, a Central Catholic tackle, fractured a wrist.

Both squads held scrimmages at their respective training camps Friday as rival coaches Tom DeSylvia of Metro and Fred Spiegelberg of State seek to round their squads into smooth running grid machines by next Saturday night.

The Staters are working out on the Woodrow Wilson High school field and the Metros were undergoing training at Lewis and Clark college.

Coach DeSylvia announced two position changes Friday. DeSylvia said that Oswego's Mike Kelly would be shifted from end to fullback, and that Gresham's John Birdwell would be moved from fullback to tackle. Kelly played fullback for Oswego while in high school.

DeSylvia said his squad looked "tired and rusty" in Friday morning's scrimmage. He added, however, that he wasn't too upset as "they're bound to be this way at this stage of practice." DeSylvia felt that his squad would bounce back after Sunday's rest.

Coach Spiegelberg of Medford was also displeased with his squad's performance. Spiegelberg said the Staters showing in a pass defense drill was "not too good" and the running in a dummy scrimmage was ragged.

West Jordan, Utah - (UPI) - Don Fulmer, youngest member of the fighting Fulmer clan, will fight German Gustav Scholz in Germany Sept. 9. Manager Marv Jensen announced Saturday.

## Roseburg Edges Ashlanders In Twinbill for RV Mantle

Ashland-Roseburg captured the Rogue Valley league baseball diadem Saturday by nicking Ashland 3 to 1 and 1 to 0 in a doubleheader here.

The double triumph gave the White Sox a 15-1 record.

Rogue Valley league baseball season will conclude Monday night when the Medford Bowling lanes opposes Grants Pass at 8 p.m. in a single game at Memorial stadium, White City.

Ashland's Lithians earlier in the season.

The White Sox had Ashland errors to thank for their Saturday success. Lithian miscues figured in all their scores. Not a Roseburg run was earned. The misplays marred an otherwise sparkling afternoon of baseball.

A 14-strikeout effort by Roseburg Pitcher-Manager Mike Coen featured the first game but Coen had to labor 10 innings on the hill, one more that scheduled, to earn league's hurler championship with his sixth win against losses. He recalled five hits, walked three and hit a batter in beating out his Ashland mound rival, Gene Parent, for the honor. Parent tossed six-hit, seven-strikeout, one-walk ball to suffer his first loss, for a 5-1 loop record.

Four errors in the 10th inning along with a base on balls gave Roseburg two tallies and broke a 1-1 deadlock in the opener. The Sox tabulated in the first inning on singles by Jim Dietz and Jerry Droscher, an error and a groundout. Ron Maurer singled and stole second base in the fourth inning and LeRoy King doubled him home for the Ashland run.

Roseburg got another top pitching job in the second game Jim Smith, Stanford athlete and ex-Grants Pass High, chucked a 12-strikeout, four-hit game, walking two and hitting one Lone run in the fracas was in the second inning on two errors and Ron Beamer's two-base hit John Livingston and Al Lindbloom, Roseburg, and Wayne Paulson, Ashland, each got two safe socks in the fray.

## Portland Girl Wins Two Olympic Berths

Detroit - (UPI) - An unknown youngster from Portland, Ore., has emerged as the surprise star of the U.S. Olympic swimming trials here.

Carolyn Wood came to Detroit this week as an obscure Olympic hopeful and proceeded to nail down two berths on the U.S. team.

The pixieish 14-year-old can also claim the distinction of being one of the youngest American who will compete in the 1960 games at Rome later this month.

Miss Wood, ignored in all the predictions before the trials opened Tuesday, placed second behind the famed Chris Von Saltza in the 100-meter freestyle finals Wednesday night to qualify for the team. She outswam such highly touted contenders as Joan Spillane, Donna De Varona and Susan Doerr.

**Wins Butterfly**

Then on the following night she doubly assured herself of a trip to Rome by leading the field in the 100-meter butterfly final, blazing home for an in front of world record holder Nancy Ramey who collapsed after setting the pace through the first 50 meters.

"I couldn't even sleep Wednesday night after I made it," said the excited Miss Wood. "All I could think of was going to Rome. I thought I might have a slight chance to make the team in the butterfly, but I never dreamed of qualifying in the freestyle."

Most of the nation's coaches and experts never dreamed that Miss Wood would qualify in anything.

Her best effort previous to the trials was a fourth-place finish in the National AAU indoor meet last April. She bypassed last month's outdoor AAU meet to concentrate on training for the Olympic trials. It paid off.

## Miles Nabs 7 Firsts in Track Test

Danny Miles, of Medford, was the outstanding performer at the morning division of the weekly All-Comers track meet, held at Ashland High school Saturday.

Miles copped seven firsts—the two hurdles, the javelin, pole vault, broad jump, and the two dashes. Two seconds were gained by Miles in the shot put and discus.

A large turnout was reported by the directors of the meet. Of the 60 entrants participating in the meet 20 were from Eagle Point.

## Grid Ticket Sale Starts

Reserved seat tickets for Medford High school's 1960 home football games will go on sale Monday morning at the high school office.

There are six Black Tornado games during the regular season at the Medford stadium.

School Principal Lester Harris said that ticket applications have been sent to 1959 season ticket holders. They will have through Sept. 3 to purchase their same seats. School office will be open Monday through Friday from 8 a.m. to 5 p.m. and on Saturday from 8 a.m. until noon.

Medford's home schedule begins against Arcata, Calif., on Friday, Sept. 9. The Black Tornado will oppose its gridiron arch rival Marshfield here on Sept. 16.

Those who buy season tickets are again asked to add a dollar to the ticket price. The extra dollar will go toward a voluntary band fund.

## Medford Cubs Top Crater for SO Toga

Medford won the Southern Oregon Junior Baseball Club league championship Friday night with a 4 to 0 victory over Crater of Central Point in a special playoff conflict at Memorial stadium, White City.

The clubs had deadlocked with 3-1 records for the regular season, splitting their games with each other. Medford's season ended with the extra tussle. Central Point, however, will play off with Grants Pass for the right to represent the southern Oregon district in the Oregon Junior Baseball association tourney Medford passed up the opportunity.

Crater Cubs first tangle with GP will be at 2 p.m. Monday at Grants Pass. Second tangle will be at 8 p.m. Tuesday at the Veterans Administration domiciliary White City diamond.

**Miles Tripled**

Pitchers Mike Barnes and Jim Calhoun combined Friday for Medford to hold Crater to five hits. Dan Miles tripled and singled for two of the four safeties Medford managed off CP's Mike Pepper. Mike Glines and Lou Alvarez each had two hits for Crater.

Pepper struck out 11, walked four and hit a batter. Barnes whiffed seven and walked four in five innings plus and Calhoun fanned three and gave three passes in two frames.

CP errors figured in all of Medford's runs. One marker was in the second inning. Calhoun walked and went to third on a single by Gary Miller. Calhoun, caught in a hot box on a fielder's choice rap by Jack Lowery, scooted home when a rundown throw went awry.

## Clinic Tuesday For Grid Refs

A new film, "Official Football," will be shown on Tuesday evening, Aug. 4, at an Oregon School Activities association clinic at Medford High school.

The clinic is scheduled for 8 p.m. and will be conducted by Edward J. Ryan, OSAA assistant secretary-treasurer. It is for men who will be football officials this fall and for coaches.

Rule changes will be discussed and a general summary of all rules and mechanics of officiating will be given. Tests for certification as officials will be available. Prospective new officials, as well as those who have been Oregon prep football arbiters, are asked to attend.

The OSAA has announced that football rule and case books are now available and said that officials are to be certified by Sept. 25 to be considered for state playoff games.

## Prall, Bennett To Defend SO Golf Tourney Titles

Bob Prall, Salem, and Karl Bennett, Grants Pass, will defend their titles in the Southern Oregon Golf championships.

Prall, 1959 men's division victor, and Bennett, who took the senior men's titular trophy last year, signified intention by filing entries last week. Entry of Miss Betty

## SM Players Head for LaGrande

Three linemen from St. Mary's high's 1959 state Class B co-championship football team left Saturday for LaGrande where they will begin preparations for the East-West Shrine football contest. They are Tom Tomjack, Don Rausch and George Lucas.

The game will be on Saturday, Aug. 20, at Pendleton.

Although the St. Mary's athletes are western Oregon residents, they will play for the East team. This results from the fact that District 5B, in which St. Mary's competes, has most of its membership East of the Cascades.

Bill McKibbin, St. Mary's head coach, will be one of the East team mentors.

West team will practice at Pendleton and the East team at LaGrande.

## Portland Sells Lynn Lovenguth

Portland, Ore. - (UPI) - Lynn Lovenguth, Portland Beaver pitcher, was sold to the Tacoma Giants Saturday in a Pacific Coast league straight cash deal.

Lovenguth, a righthander, had a 12-8 record with Portland and posted a 3.96 earned run average, the second best on the team. He pitched 152-2 innings, allowed 77 earned runs and struck out 77.

Tacoma, holding a second spot in the PCL, sought the hurler as a replacement for Ramon Monzant who was sidelined with a fractured leg.

Terms of the sale were not disclosed. The Beavers said there was no immediate plans to replace Lovenguth on the roster.
