**HOW TO REVIVE Tired Colors**

That suit, dress, sports coat, summer car coat... does it look dull and lifeless?

Perhaps the color seems to have grown "tired". Don't give up. Chances are good there's a lot of lively, sparkling color left in that garment. Probably the fibers of the fabric just need the refreshment of expert dry cleaning.

Call us... Dumas Domestic... for professional fabric treatment. You'll be surprised at the way your garments "come alive" again.
