

# Bucs Whizzing Along; Law Nabs 5th in Row

By FRED DOWN  
United Press International  
Vernon Law's gunning for a 25-game victory season that would match the highest win total by a Pittsburgh Pirate pitcher in 58 years.

And that simple statement also explains why those amazing Pirates look like they just might breeze to their first National league flag in 33 years.

The Pirates slumped at mid-season when Law went into a temporary decline and the experts figured that some one of the other contenders would catch them with a late drive. But now Law's back on the beam and the Pirates are whizzing along on a new

drive that may soon have them out of reach.

Law extended his personal winning streak to five games and the Pirates' skein to seven games Wednesday night when he tossed a four-hit, 3-1 victory over the Chicago Cubs. It was the 13th game this season in which he has allowed two runs or less and raised his won-lost mark to 16-5, the best in the major leagues.

With a little less than a third of the season to go, Law can be the first Pittsburgh pitcher to win 25 games since Burleigh Grimes in 1928. Not since Jack Chesbro posted a 28-6 record in 1902 has a Pirate pitcher topped 25 victories but even that goal is

not beyond the durable, finely-conditioned 200-pound right-hander.

The victory maintained the Pirates' five-game lead over the St. Louis Cardinals, who beat the Philadelphia Phillies, 6-5, in 10 innings. The Los Angeles Dodgers shaded the Milwaukee Braves, 3-2, and the Cincinnati Reds beat the San Francisco Giants, 5-3, in other NL games.

The New York Yankees retained their 1 1/2-game American league lead with a 6-0 decision over the Chicago White Sox, the Baltimore Orioles downed the Detroit Tigers, 4-2, the Boston Red Sox topped the Cleveland Indians, 6-1, and the Kansas City Athletics routed the Washington Senators, 13-1.

The Pirates snapped a 1-1 tie in the sixth inning on Smokey Burgess' single, Don Hoak's triple and a single by Bill Mazeroski. Law went on from there to send everybody home in a mere two hours.

**Walks In Winning Run**

The Cardinals scored their decisive run when Dick Farrell walked Joe Cunningham with the bases filled in the 10th. Lindy McDaniel, who shut out the Phillies for the last two innings, won his 10th game against three losses. Walt Moryn and Bill White homered and Stan Musial tripled for St. Louis.

Stan Williams singled home Frank Howard with the run that gave him his 12th win for the Dodgers and handed Lew Burdette his seventh defeat for the Braves. Willie Jones' two-run pinch double capped a three-run eighth inning rally that enabled the Reds to extend the Giants' losing streak to six games.

Bill Skowron hit his 21st homer and Tony Kubek drove in three runs for the Yankees, who scored five runs in the last two innings after being held to one hit and one run for seven frames by Herb Score. Art Ditmar won his 11th game although Eli Grba and Bobby Shantz both relieved when the White Sox threatened in the eighth.

**Win Fifth Straight**

Jackie Brandt, Dave Nicholson and Jim Gentile hit homers to lead the Orioles to their fifth straight win and 10th in 11 games. Jerry Walker pitched six innings of shutout ball to win his third game although Hoyt Wilhelm finished up after Norm Cash homered for Detroit in the seventh.

Ted Williams hit the 512th and 513th homers of his career and rookie Earl Wilson pitched a four-hitter for the Red Sox. Williams' homers placed him third on the all-time homer list behind Babe Ruth (714) and Jimmy Foxx (534) and raised his season total to 21. He also contributed a double to a two-run Red Sox rally in the first inning.

The Athletics scored eight runs in the third inning and Dick Hall pitched a four-hitter to cruise to his seventh win. Marv Throneberry and Danny Kravitz had three hits each to lead Kansas City's 12-hit attack.

**SUPER-MODIFIED ENTRY**—The auto pictured will be driven Saturday night by Jerry Fanger, Medford, in super-modified auto races at Ashland speedway. A full program is planned with another \$1,000 worth of time trials are planned for 7 p.m. with the first race at 8 p.m.

## Ted Williams Satisfied As No. 3 Homer Hitter

Cleveland—UPI—Ted Williams, who "never dreamed" he'd get there in the first place, is satisfied to settle for the No. 3 spot on baseball's all-time home run list.

The 41-year-old Boston Red Sox slugger said flatly there'd be no next year Wednesday night after the 512th and 513th homers of his career helped produce a 6-1 victory over the Cleveland Indians and made him the third greatest home run hitter in history.

Williams, who started the game tied with Hall-of-Famer Mel Ott for third place at 511 homers each now trails only Babe Ruth, who hit 714 homers, and Jimmy Foxx who clubbed out 534.

The obvious question was whether Ted would "hang around one more year" to try to pass Foxx and thus become second only to the immortal Ruth on the all-time homer list.

## Popular Skippers In Super-Modified Races on Saturday

A number of past favorites of the Ashland speedway will be among those returning this Saturday night for super-modified auto races.

There will be drivers like Bud Cook, Klamath Falls, who skips one of the few flathead Fords still in competition, and the brother team of Don and Nick Porter, Redding, Calif., with their fast Thunderbird-powered machines.

Among them will be another Californian, Bert Miller in an Oldsmobile 88 sprint car. One of the most consistent car jockeys is Sherm

## War Could Erupt at Cincinnati

Cincinnati—UPI—The Los Angeles Dodgers tonight invaded Cincinnati's Crosley field where most of the players swing heavy bats and Billy Marten just swings.

The Dodgers and the riotous Redlegs have no adoration for each other and the fireworks could make Bill Vevek's exploding scoreboard seem like a sedate relic of the past.

When the two clubs met last night in the Coliseum—General Manager Gabe Paul accused the Walt Aulson mound corps of aiming at craniums instead of catchers' mitts. Denials and accusations flew faster than the baseballs for a while.

Earlier in the season, Roger (the Dodger) Craig didn't dodge fast enough and ended up with a broken collar bone from a collision at the Coliseum's home plate with Vada Pinson, one of the Red's hit heroes.

**Hit Three Times**

Pinson has been hit three times by Los Angeles pitchers, and at least some Red officials and players feel it is no accident.

If war does erupt, as it did earlier in the campaign between Red catcher Ed Bailey and Craig, who had to be separated, it's liable to be a long one. The Dodgers will be here for five games.

Fresh from a 3-2 win over the Milwaukee Braves, the third-place Dodgers will pitch Sandy Koufax (4-3) against Cincinnati's Calvin Coolidge McLish (3-7) tonight, hoping that Sandy will deliver as Stan Will's ams did Wednesday night.

Stan improved his record to (12-4) by limiting Beerville to just five hits and five walks in 8 2/3 innings. Larry Sherry was sent in to handle the last man. Lew Burdette was the loser, and his record is now 12-7.

Williams was a star at the plate as well as the pitcher's mound. He hit a single in the seventh to knock in Frank Howard with the winning run.

## Bewildered Giants Face Milwaukee

Milwaukee—UPI—The bewildered San Francisco Giants staggered into Milwaukee today, counting several new records they'd just as soon forget, and wondering when and if it was all going to end.

Clancy Sheehan's charges were nailed 5-3 Wednesday night by the Cincinnati Reds, who rallied for three runs in the eighth inning after two were out and nobody on base. It was San Francisco's sixth straight defeat and ninth in 10 games.

The loss dropped the fifth place Giants below the 500 percentage mark for the first time since they moved to San Francisco. They're now 51-52 for 495, 13 games behind league leading Pittsburgh and six out of the first division.

The six consecutive setbacks also ties their longest 5-0 San Francisco losing streak, dating back to July, 1958.

Billy O'Dell (5-8) will attempt to direct the Giants back on the win trail tonight when he faces Milwaukee's Juan Pizarro (6-3) to open a four-game series. Rookie Juan Marichal originally was scheduled to hurl, but he developed a sore left hip.

## Stars, Colts Drill Lightly

Chicago—UPI—Both the 1960 College All Stars and the National Football League champion Baltimore Colts planned light final drills today in the last warmup before their meeting Friday night in the 27th annual All Star football game.

The Colts, three-touchdown favorites to rack up the 17th win for the professionals in the series, were to arrive this morning and run through practice under the lights at Soldier Field, site of the game, tonight.

The collegians worked out briefly in Soldier Field Wednesday night and will have the usual loosening up workouts at Northwestern University today.

## Chargers Play Houston Eleven

Los Angeles—UPI—The Los Angeles Chargers, highly respectable in their debut against New York, seek their second straight exhibition football victory tonight against Billy Cannon and the Houston Oilers.

The American Football League pre-season tussle is expected to attract about 20,000 to Memorial Coliseum. The Chargers will be two-touchdown favorites over the Oilers, who lost to Dallas in their opener.

## Portlanders Win

Glendive, Mont.—UPI—Portland defeated Libby, Mont., 5-1 in the opener of a night doubleheader in the Northwest Regional Babe Ruth Baseball Tourney here Wednesday night. Dick Ross of Portland hit a home run in the fifth inning. In the second game North Seattle trounced Ketchikan, Alaska, 23-0.

# Indians Wield Big Bludgeon

By PETE COLMAN  
United Press International  
The Spokane Indians wielded a mighty big war club at Derks field in Salt Lake City Wednesday night.

The Pacific Coast league leaders shelled three Bee pitchers for 18 hits, four of them homers, as they whacked their way to a 17-0 win.

The victory was the fourth straight for the Indians and it kept them five and one-half games in front of the pack.

Elsewhere Wednesday, San Diego ended Seattle's winning streak at five games with a 5-3 victory over the Rainiers, Tacoma eased by Portland, 6-2, and Sacramento rapped Vancouver, 6-1.

Willie Davis and Earl Robinson paced Spokane's hit happy Indians to their win over Salt Lake.

Davis hit a homer, a double and a single while Robinson collected two singles along with a circuit clout. Charley Smith and Ron Fairly also cleared the fences for Spokane. Salt Lake had two homers, one by Harry Bright and the other by Hank Mitchell.

San Diego also used the home run ball to bounce Seattle. Al Simpson provided the power poke and it came with two men on base to spell defeat for the Suds.

The Padres also broke the personal winning streak of Seattle starting pitcher Ted Wier-

and at four straight, dealing the big righthander his third loss in nine decisions.

Danny O'Connell belted a two-run homer after Bob Fairly had stolen home in the first inning to give Tacoma its win over Portland.

The Giants added a single run in the second and two more in the seventh but they weren't needed as starter Bill Werle, chalking up his seventh win, kept the Beavers well under control.

Sacramento moved into a tie for fourth place with its win over Vancouver.

Milt Smith did the work at the plate for the Solons, getting four hits in five trips, while Chuck Hickman and Tony Diaz handled the mound chores effectively, dealing out only eight scattered safeties.

Diaz relieved Hickman in the seventh when the Sacramento starter left with an arm injury.
