

**Multnomah Fair Gets Record Crowds**  
Gresham — (UPI) — A new attendance record for the Multnomah County Fair was set here Friday as 14,451 fairgoers went through the turnstiles to bring the nine-day total attendance up to 152,472.  
The previous record was set in 1958 when 151,194 turned out during 10 days.

**Timber Killed In Ashland Fire To Be Sold Aug. 18**

Considerable competition was noted in the bidding for each of the five tracts of timber offered for sale by the Medford district of the bureau of land management on Aug. 11, according to John Carnegie, district timber sale officer.  
The five tracts, containing 9,039,000 board feet of timber, were sold for a total of \$254,875.40. A sixth tract was withdrawn from the sale because of an error in the advertising, according to Carnegie.  
Lloyd Silva, Grants Pass, purchased 1,790,000 board feet located on Beaver creek in Jackson county and also 2,213,000 board feet in the Galice area of Josephine county.  
Timber Products, Mountain Fir Lumber company and Bate Lumber company were competing with Silva for the first sale, in which the price of Douglas fir was raised to \$29.25 per thousand board feet. In the second sale, Sil-

va's bid of \$24.25 per thousand for the Douglas fir was high enough to top the offers of Bate Lumber company and Spalding and Son, Inc., who were bidding against him.

**Butte Falls Timber**  
Olson-Ross Lumber company, White City, offered \$32.25 per thousand for the Douglas fir in a sale of 3,458,000 board feet located in the Butte Falls area of Jackson county. Others competing for this tract were Medford corporation, Timber Products and R. L. Atkin.

Spalding and Son, Inc., Getson Mill, Inc., and Mountain Fir Lumber company did not top the offer of \$35 per thousand for Douglas fir made by Bate Lumber company of Merlin for 1,449,000 board feet located on Taylor creek in Josephine county.

Cavenam Lumber company, Wolf Creek, was the successful bidder against Frye Brothers Logging company for 129,000 board feet of salvage timber located near Cold Springs on the Curry-Douglas County line. The high bid was \$31.25 for the Douglas fir.

**Special Sale**  
On August 18 a special sale will be held by the Medford district at which time 242,000 board feet of timber killed in the Ashland fire last year will be offered for sale.

At the regular sale on Sept. 8, the district will offer 17,097,000 board feet of timber for sale in seven tracts, according to Carnegie. The total appraised price of these sales is \$311,979.55. Three of the tracts are located in Jackson county, two are in Josephine county, one is in Klamath county and one has portions of its area in Coos, Douglas and Curry counties. The sale will include the tract that was withdrawn from the sale on Aug. 11.

**Man Is Cited After Accident**

Johnnie Carl Shute, 17, route 2, box 572B, Central Point, was informed by state police that a complaint would be filed against him in district court charging him with passing at an intersection.

The Shute car northbound on Table Rock rd., attempted to pass a car at the intersection of Hamrick and Table Rock rds., police said. A Linger and Sons dump truck driven by Charles Gericke Hall, 33, of 2080 Table Rock rd., saw the Shute car and stopped at the intersection on Hamrick rd. when the car swung in on the same road to avoid a collision. It hit the dump truck on the rear right side of the bed.
