Portland Tanker Blast Kills Two

Portland - UPI - An explosion aboard a moored Texas oil tanker killed two men here Monday night. No other persons were injured. The victims were identified as Edward T. Knighton, Newton Tex., chief pumper aboard the vessel, and F. W. Bremer, quartermaster, Port Arthur, Tex.

Cause of the explosion was not immediately known. The blast occurred aboard the tanker Texas Delaware, owned by the Texaco Oil Co., as it was pumping high octane fuel at its Texas Oil dock. The explosion blew a five-foot square hatch open. There was no fire after the explosion.

Labor Asked To Boycott Sears

Chicago - UPI - The executive council of the AFL-CIO today called for a nationwide boycott of organized labor against Sears Roebuck and Co. The council's largest summer meeting accused Sears Roebuck, the nation's largest mail order house, of "a calculated and concerted effort to deprive employees of their rights to union protection." "We urge all members of organized labor and their friends not to patronize Sears Roebuck stores until management ceases to interfere with the self organization of employees."

Flames Battled West of Roseburg

Roseburg - UPI - About 300 men were still fighting the state's first reported forest fire this morning after flames had consumed some 1,700 acres of brush, grass and green timber 45 miles west of here. A spokesman for the Coos Protective association said the fire was mostly controlled. Crews had completed lines around 85 per cent of the burned area by late Monday and expected to finish the job today in an area of rough ground on the west side of the fire.

He said the weather was favorable yesterday and was expected to be only a little drier today, but not enough to hamper fire fighting operations.

Portland To Get Property Tax Hike

Portland - UPI - Portland property taxes for the coming fiscal year will be increased 2.4 per cent, according to Multnomah county assessor Joe Hawkins.

Hawkins said tax rates for persons living outside the city have not been determined but will be announced shortly.

Portland tax rates were increased six per cent last year and 13 per cent in 1958.

The consolidated tax rate this year is 65 mills in the city as compared with 56.4 mills last year. But the millage is being applied against a valuation of 40 per cent of true cash value as against an assessed value of 45 per cent in 1959.

He said the valuation was being made to "get in step" with counties in other parts of the state. The result, he indicated, will be to level off the tax picture. He said the industry has shied away from Multnomah county as a high tax county.
