### Byrd Repudiates Part of Demos' Labor Platform

Washington-(UPI)-Sen. Harry F. Byrd (D-Va.) repudiated part of the Democratic platform's labor plank today and announced he would fight any congressional effort to carry it out.

He specifically attacked the platform pledge to repeal the Taft-Hartley provision permitting states to enact right to work laws. These laws, in effect in 20 states, outlaw union shop and similar contracts which require an employee to join or remain in a union to hold a job.

Byrd's renunciation of the plank, in a speech prepared for the Senate, was his first public statement on developments at the Democratic convention last month. He has not yet said whether he would support Sen. John F. Kennedy as the presidential nominee.

The Virginia senator said the pledge to repeal the Taft-Hartley provision would destroy "two great principles on which this nation is founded—individual liberty and states' rights."

"These are among the safe-guards of our freedom against tyrannical central government," he said. "To defend this freedom, I shall oppose the platform pledge to repeal the authorization of state right to work laws whenever and wherever the effort is made."

Byrd, the chief conservative voice in his party, said fulfillment of the pledge would be "a massive victory" for such labor leaders as AFL-CIO President George Meany, Vice President Walter Reuther and David J. McDonald, and Teamsters President James Hoffa.

"Repeal of the authorization for right to work laws would be followed by a drive to repeal all protective provisions in the Taft-Hartley Act and other statutes in the whole labor field," he said.

He said all of the state laws protect both the right to join and not to join a union. Fulfillment of the Democratic promise, he said, would mean national recognition of union membership as a condition for holding a job and "wholesale nullifications" of the state laws.

Byrd said he suspected the Supreme Court would move promptly to invalidate the right to work laws in Virginia and 19 other states.

### Men Return From California Fire

Four supervisory personnel from Rogue River national forest headquarters, Medford, have returned from the fire on Oregon mountain in Siskiyou national forest.

The blaze, which burned 300 acres including an estimated six million board feet of mature timber, is reported to be under control today. Fire lines have been held since 8 a.m. Wednesday, Dick Tubman, fire control officer for the Siskiyou forest, reported.

The fire is entirely within California, just south of the Oregon line. Local planes, which dumped borate solution over the flames, are no longer on a stand-by basis.

### Morse, Lusk To Speak At Multnomah Picnic

Portland-(UPI)-Sens. Wayne Morse and Hall Lusk will be among the speakers at the Multnomah county Democratic picnic in Laurelhurst park Aug. 28. State Sen. William A. Grenfell Jr., chairman, said Wednesday. The picnic is designed to raise funds for the November election. Democratic candidates for office this year also will speak.

**LABOR LEADERS MEET** - Secretary of Labor James P. Mitchell, left, AFL-CIO President George Meany, center, and Walter Reuther, president of the United Automobile, Aircraft and Agriculture Implement Workers of America confer during the AFL-CIO executive council meeting at Chicago. Mitchell said he agreed with the statement by Meany, who said that Sen. John F. Kennedy, Democratic presidential candidate, was fortunate to have James Hoffa, teamster boss, order his union member not to vote for Kennedy. (UPI Telephoto)

### Kennedy Scores Wage Bill Victory

Washington-(UPI)-The Senate today defeated a Republican attempt to scale down coverage of the minimum wage bill to give Sen. John F. Kennedy another legislative victory.

The Senate by a 56-41 vote rejected a substitute proposal sponsored by Sen. Winston L. Prouty (R-Vt.), designed to knock out about one million of the approximately five million workers the Kennedy bill would bring under wage-hour coverage for the first time.

Despite success in rebuffing another strong challenge, Kennedy's Democratic forces gave signs they may be willing to offer some concessions to pass some minimum wage bill at this session.

### Automobile Crash Injures Local Man

Lyle Purl Merrill, 52, of 310 North Bartlett st., was taken to Ashland General hospital Wednesday afternoon for treatment of injuries received in a traffic accident on Highway 99 south of Ashland.

The hospital reported that Merrill apparently was not seriously injured and had spent a good night.

Merrill's car was struck from the rear by an auto driven by Joseph H. Fotheringham Jr., 47, Vista, Calif., after Merrill's car slid on the highway while trying to avoid striking a car ahead, state police reported. The Fotheringham car was towing a 16-foot house trailer.

Both cars were extensively damaged, police said.

### Rocks, Glue, Subject Of City Police Case

When someone puts glue on a bicycle seat, and another is accused of throwing rocks at a house, that's when the Medford police department steps in.

William Ray Johnson, 17, Newtown st., told city police recently that he was "having trouble" with a neighborhood youth. He said a boy had put glue on his son's bicycle seat.

Officers contacted two teenagers who admitted putting the glue on the seat and stated they did it because they thought the Johnson boy had thrown rocks at one of the boy's houses.
