## Thank You

for the interest that you have taken in us and in the store since we took over from Dave and Pat on July 25th.

Since that time we, with the guidance of the Koblik's and the help of Jean and Glenn, have bought, opened and put on the floor hundreds of new toys, dolls, games and especially cuddly little things for the younger set.

We are already starting to lay gifts away for Christmas. It's one way of being sure of getting what you want later on.

If you haven't been in lately, please pay us a visit - We'll be cordially glad to see you.
