

More Now Expected From Students, Survey Shows

Washington—AP—Students returning to classrooms in September will find America has tightened its educational belt by adding more classroom hours, emphasizing foreign languages, mathematics and science, and generally expecting more from the 20th century pupil.

A country-wide survey by the National Education Association showed television is adding hours to a student's day with 7:30 a.m. classes in Miami, French and Spanish in being taught in Beverly Hills, Calif., elementary schools, and a science laboratory will be open Saturdays in San Francisco.

The traditional three-month summer vacation is under attack.

Duck Hunter's Nomination Withdrawn

Portland—AP—A Multnomah county coroner candidate is nominated by his duck hunting friends received word Tuesday that certification of his nomination has been withdrawn.

John D. Weidon, county registrar of elections, said he had withdrawn certification of the nomination of Hugh V. Lacey Jr., on the advice of the state attorney general and secretary of state.

Lacey's nomination for Republican candidate for county coroner was based on 56 write-in votes he received in the primary election. Most of the votes came from members of Lacey's duck-hunting club.

John Sabin, chairman of the group backing Lacey, said the group would now try to obtain a nomination for Lacey from the Republican County Central Committee which meets Friday.

Lacey said he was waiting for the county registrar's decision concerning the eligibility of Dr. Ernest J. Loyal as an independent candidate for coroner.

Loyal's supporters have suggested Dr. Loyal may be violating the Hatch Act, which prohibits federal employees from political campaigns in their home states.

Dr. Loyal said, however, he signed retirement papers Aug. 17 from his pathology job at the Veterans Administration hospital here. He said the retirement would become effective Aug. 31.

California Youth Arrested by Police

A 17-year-old California youth who was hitchhiking through Jackson County with a suitcase full of explosives was picked up by state police near Ashland and turned over to juvenile authorities here, police reported.

State police said they discovered 10 sticks of dynamite and 10 electric blasting caps in the boy's suitcase when they searched him yesterday. The caps can be set off by turning on a radio transmitter, state police noted.

HELP WANTED—It's a private affair," says Regis T. Skeehan of Pittsburgh, explaining why his three-story frame house is only half painted. Irritated at having to do it all by himself, Skeehan expressed his feelings in big letters, hung his paint bucket on the ladder and quit. (UPI Telephoto)

Portland Squadron To Receive Trophy

Portland—AP—The Hughes Trophy for the year's outstanding squadron in the Air Defense Command will go to the Portland-based 460th Fighter Interceptor Squadron, Col. Donald H. Lynch said Tuesday.

Col. Lynch, commander of the 337th Fighter Group and of Portland Air Base, said he had been advised the presentation would be made Sept. 24 at the Night Fighters Assn. convention in Los Angeles.

The award is presented annually by the Hughes Aircraft Co. The 460th Fighter Interceptor Squadron now holds the Western Air Defense award, the Air Force outstanding unit award, and the trophy for top team at the 1959 World Weapons Meet at Tyndall Air Force Base, Fla.
