Bowerman To Write Column for Tribune

Bill Bowerman, University of Oregon track coach who is recognized as one of the world's best in his field, plans to write a limited number of feature articles on the 1960 Olympic games while in Rome. The stories will be exclusive to The Mail Tribune, and five other up-state daily newspapers.

Bowerman, former Oregon quarter-miler and football halfback, will have seven of his past or present stars performing in the Games. Representing the United States will be Bill Dellinger, 5,000 meters; Jim Grelle and Dyrol Burleson, 1,500 meters; Otis Davis, 400 meters, and Dave Edstrom, in the decathlon. Representing Canada will be Harry Jerome 100 and 200 meters, and Sig Ohlemann, 800 meters.

Bowermon joined the Oregon coaching staff in 1948 following an unusually successful career in coaching track and fooball at Medford High school. He is a product of the fabulous Colonel Bill Hayward, who retired when Bowerman joined the Webfoot staff.

Oregon track, under Bowerman, has won the Northern Division championship seven consecutive years and since late in 1954 the Webfoots have lost only one dual meet — to perennially powerful USC in a triangle-dual affair along with Stanford at Palo Alto in the spring of 1959.

Best known nationally as a coach of distance running stars, the former president of the National Collegiate Coaches association is a fine fundamental coach in all events, as proven by the development of Edstrom and a number of weight men who have established new school records in recent years.

Jim Bailey, although a native of Australia, came to Oregon as a good runner, but blossomed under Bowerman's coaching and became the first man ever to break the four-minute barrier in the mile on United States soil. That was in 1956 in Los Angeles where he upset Australia's Jim Landy. Burleson also became the second United States citizen to break that barrier, defeating Ernie Cunliffe of Stanford in a dual meet on Hayward field April 23. Both Bailey and Burleson are credited with times of 3:56.6, and that time established a new United States citizen record, the old mark set by Don Bowden of the University of California in 1957.

Bowerman has produced National champions other than Burleson (both the AAU in 1959 and the NCAA this year at 1,500 meters) and Davis (AAU 400 meters).

Dellinger was Bowerman's first National champ, winning the NCAA mile in 1954. In 1955 Jim Bailey won the NCAA mile and Ken Riser the two-mile and Riser the AAU 3,000 meters. Dellinger won the NCAA 5,000 meters in 1956 and Jim Grelle the NCAA mile in 1959.

Bowerman's feature stories will be based on personal observation of the Oregon track athletes in particular and the Olympic games in general—information not carried by United Press International. He and Mrs. Bowerman (Barbara) left for Rome today.

SPORTS

Go-Cart Track Set for Opening Within 30 Days

A "go-kart" track at the county fairgrounds should be ready for use within 30 days, according to Howard Funk, president of the newly organized Medford Go-Kart Club Inc.

The track, built by the club, will be surfaced and fenced, Funk said. He pointed out that it will be made available for use by any club member as long as he or she is supervised by an adult when using the track.

The Go-Kart club has been formed by eight members of the city fire department. Its purpose, according to Funk, is to teach youths sportsmanship, the proper control of cars, and the techniques of auto racing.

All persons of the age of nine and above are eligible to join the club. At the present time the group boasts a membership of 80 and it is getting larger every day, Funk said.

Cost to members is $10 dues a year. Club members will be covered with public liability and property damage insurance, Funk pointed out.

The track property at the fairgrounds has been leased from the county, he said. Persons who are not members of the club will not be able to use the track, Funk noted.

Club members will have a meeting Tuesday, Aug. 30, at 7:30 p.m., at the West Side fire station. Funk said all interested persons, including non-members, are invited to attend.

SPORTSMEN'S CLUB MEETS

The Central Point Sportsmen's club will meet at 7:30, Monday evening. Mr. Bob Maben, Oregon state game commission, will explain the big game management program. The meeting will be held at the Sportsmen's club house. Refreshments will be served. All members are urged to attend.

Giants Dump Braves 3-1; NY Takes Two From Indians

Sox Defeat Boston, Nab Second Spot

United Press International

Ralph Terry's brilliant two-hit pitching in the nightcap enabled the New York Yankees to take their second straight doubleheader from the Cleveland Indians Saturday, 7-4, and 3-0.

The twin victories raised the Yankees' American league lead to 2½ games over Chicago and Baltimore. The White Sox defeated Boston, 9-6, while Kansas City tripped Baltimore, 5-3. Washington beat Detroit, 4-1.

Terry had a no-hitter until Vic Bower bounced a double into right field with one out in the seventh.

Johnny Temple got the other hit, a leadoff double in the ninth, but was erased trying to make third on pinchhitter Harvey Kuenn's fly to Mickey Mantle.

Gary Bell started for the Indians, who now have lost eight straight doubleheaders, but quit because of a sore arm in the first inning. He hung around long enough to serve up Bob Cerv's 14th homer.

Bobby Richardson's single, a sacrifice and Cerv's single added a run in the fifth and the Yanks scored their other run in the sixth on singles by Mantle, Bill Skowron and a double play grounder.

Bill Stafford won his first major league victory in the opener, although he needed ninth inning help from Luis Arroyo after Cleveland scored twice.

A six-run uprising in the fifth inning by the Yankees broke a 1-1 tie and wrapped up the game for Stafford.

Tito Francona's 12th homer of the season in the second inning gave Cleveland a 1-0 lead, but New York tied it in the fourth on a walk and singles by Skowron and Elston Howard.

Cleves Boyer's 11th homer opened the barrage that chased Jack Harshman in the fifth and tagged the Indian starter with his fourth loss.

The White Sox moved into second place by a percentage point over Baltimore as Chicago bombed Boston starter Ike Delock for five runs in the fourth inning. Sherm Lollar's two-run homer, his fifth of the season, and Roy Sievers' 26th highlighted the rally. Bob Shaw, ousted by Boston's four-run uprising in the seventh, won his 12th against 10 losses. Delock's setback was his seventh.

Kansas City took advantage of two Oriole errors in the seventh inning to score three runs and beat Baltimore. Miscues by Ron Hansen and Brooks Robinson, coupled with three K.C. hits, turned the trick. Ray Herbert broke Baltimore's four-game winning streak with his ninth victory of the year. Jerry Walker, who gave up nine of the Athletics' 11 hits, lost his fourth decision.

Harmon Killebrew's 23rd homer and 13th of the month helped Washington equal its victory total of last year at 63. Don Lee, lifted in the seventh inning when he pulled a shoulder muscle, was credited with his sixth win. Bob Bruce took his fifth defeat.

Archery Rules, Dates Reported By Commission

Archery enthusiasts throughout the state will start stalking big game animals Aug. 27 in the Canyon creek archery area and then may take to the woods in earnest Sept. 3 with the opening of 10 additional areas set up specifically for early hunting with bow and arrow.

Archery hunting areas include Canyon creek, Aug. 27 through Oct. 23; Wasco, Deschutes, Baker, Keating, and Starkey game management units and the Mt. Emily area, Sept. 3-25; Malheur refuge, Sept. 3, 4, and 5; Alsea and Green springs game management units, Sept. 3-25 and Oct. 25 through Nov. 20; and Hart mountain, Sept. 10-18.

Bow hunters may hunt for deer and elk in the Wasco, Deschutes, Baker, Keating, and Starkey game management units in addition to the Canyon creek and Mt. Emily archery areas. In other areas and units, except the Trask elk area, archers may hunt for one deer of either sex. In the Trask unit, archery hunters will get a crack at bull elk with three points or better with the season set for Oct. 29 through Nov. 9.

All areas are open to hunting with long bow and broadhead arrows only. For deer hunting, the bow equipment is not less than 40 pounds pull at the normal draw and arrow length of the hunter or one that is capable of casting an arrow 150 yards at the normal draw length. Elk hunters require a bow of at least 50 pounds pull at the normal draw and arrow length of the hunter. All arrows must be at least one ounce for deer and not less than 500 grains for elk.

It is also illegal for archers to have firearms in possession while hunting with long bow and arrow within a designated archery area and season.

Miller Holds Braves to Three Hits

By United Press International

Stu miller, a last minute replacement for ailing Billy O'Dell, held Milwaukee to three singles Saturday while pitching the San Francisco Giants to a 3-1 victory over the second-place Braves.

The league leading Pittsburgh Pirates were at St. Louis for a night game. Cincinnati and Los Angeles were not scheduled.

O'Dell, who has a stiff neck, gave way to Miller on the warmup slab just before game time and the boyish junk baller stuck around to post his fourth triumph against five losses.

Miller had a one-hitter going into the eighth inning. Then Joe Adcock cracked a single and tallied on another single by pinchitter Wes Covington and a pair of infield outs. Miller ended the inning by striking out pinchhitter Lee Maye with men on second and third. He fanned six with his aggravating slow stuff.

Burdette Gets Loss

The defeat whent to Lou Burdette who was taken out in the seventh after giving up four straight hits. It was Burdette's eighth defeat. He has 15 wins.

Felipe Alou and Willie Mays smashed home runs with the bases empty for San Francisco. Alou ended Burdette's string of consecutive scoreless innings at 32 and 2/3 when he lined one off the left field foul pole in the fourth. It was his sixth of the season.

Mays sliced his 28th over the right field fence just inside the foul marker during the sixth inning to give Miller a two-run cushion. Both homers came with two out.

Ernie Banks drove in his 100th run of the season in the first inning and then scored the winning run in the eighth as the Chicago Cubs kept the Phillies in the Cellar with a 5-4 victory. Banks' century RBI tied a club record of 100 runs driven in during five different seasons established by Hack Wilson.

Don Elston, put out a Phillie uprising in the seventh, to win his seventh game. Chris Short was the loser.

Stan Musial beat Pittsburgh for the second straight game when he hit his 14th homer with two out in the ninth inning Saturday night to give St. Louis a 5-4 victory and move the Cardinals within 6½ games of the first place Pirates.

The Redbirds were ahead 4-0 going into the 7th inning and Bob Gibson had allowed only two hits when the Pirates started a four-run tying rally.

Bob Skinner doubled, a walk by Roberto Clemente and Smoky Burgess' single accounted for one run. Don Hoak's single loaded the bases and Bill Mazerowski's sacrifice fly brought in another run. Pinch hitter Dick Stuart doubled to account for the other two Pirate runs.

Richie Lucas Said Future Grid Great

Editors Note: The following is the fourth of 21 dispatches sizing up the prospects of teams in the American Football league and the National Football league.

By ED FEINEN
United Press International

Buffalo, N.Y. — (UPI) — Even though Garrard (Buster) Ramsey seldom smiles these days, the head coach of the American Football league Buffalo Bills dimples deep whenever he watches Richie Lucas in action.

Ramsey, a perfectionist who vows that "no man wins a job with me except by hard work," relaxed from his usual disciplined role the other day to tab Lucas as "one of the future greats" in pro football.

The barrel-chested Ramsey indicated he had "thrown the book" at Lucas in six weeks of training at suburban East Aurora, N.Y., and that the Penn State All-American stood up well under every pressure.

"Here is a boy who is probably the best all-around back to come out of college this year," Ramsey said. "Even so, it's going to take time for him to get accustomed to the faster, tougher pro game as a quarterback.

"Fortunately, I can move at a slower pace with Lucas, taking more advantage of his all-around ability. I'm inclined to use him as a flanker back where he will have the option of running or passing on most plays."

With the experienced Tommy O'Connell, once the passing star of the Cleveland Browns, calling the signals and Lucas a double threat in his role of runner-passer, the Buffalo Bills have been rated one of the early favorites in the American league's initial campaign.

There have been disappointments, of course, and Ramsey isn't entirely satisfied with the progress of his team.

"We have shown improvement in each of our five exhibition games," Ramsey explained, "but injuries in our defensive line have slowed development."

At various times arm and leg ailments have sidelined such stalwarts as tackles Gene Grabosky, the giant from Syracuse; Chuck McMurtry, a 300-pounder from Whittier college; Texas Southern's Jim Sorey, and Iowa State's Ed Muelhaupt, Sam Sanders, a fine linebacker from the University of Buffalo, also has been hampered by a bad knee.

Ramsey admitted the Bills' strong points were a solid offensive line, excellent quarterbacking and good pass receivers.

Austin, Tex. — (UPI) — Ray Mathews of the Dallas Cowboys will be reimbursed by workmen's compensation insurance while he is sidelined by two broken ribs. The decision was announced by the Texas Industrial Accident Board Friday.

Bonneville Salt Flats, Utah — (UPI) — Mickey Thompson of El Monte, Calif., America's fastest man on wheels, is planning another record attempt in the near future. The 31-year-old driver ran his four engine racer at an estimated 375 miles per hour in a test run over the salt flats Friday.

Gunderson Cops USGA

Tulsa, Okla. — (UPI) — Joanne Gunderson, 21-year-old strawberry blonde from Kirkland, Wash., defeated Jean Ashley, the willowy schoolteacher from Chanute, Kan., 6 and 5 to win the 60th annual USGA Women's National amatuer golf tournament Saturday.

Miss Gunderson, the 1957 USGA Women's champion, thus took her second flag in three years. She finished the front nine 4-up over Miss Ashley, the "Cinderella" of the tournament.

A gallery of nearly 1,000 turned out for the afternoon 18-hole round under partly cloudy skies and steamy temperature in the 90's.

DELAYS TURNING PRO

Rome, Italy (UPI) — Italian tennis star Nicola Pietrangeli, who had announced his decision to join Jack Kramer's professional tour a few days ago, has now stated that he would not turn pro before playing for Italy in the Davis Cup finals.

Oregon Players Need Brains as Well as Brawn

Eugene — (UPI) — Oregon's 1960 football players not only have in store for them plenty of muscle work but booklarnin' as well.

Coach Len Casanova and his staff have prepared a play book which covers everything from an explanation of the Oregon offense and defense to a detailed plan for each play.

The book is 85 pages long.

And what's more, says Casanova, "we'll add about 10 pages a week as the season goes along."

Said the coach, "It takes a pretty alert young man to learn it all, and learn it well, and that's why we keep looking for players who have mental as well as top physical ability. Mistakes kill you the way the game is played today."

ARCARO RE-ELECTED

New York — (UPI) — Eddie Arcaro has been re-elected president of the Jockey's guild, a position he has held since 1949.

DO YOU ADMIRE QUALITY CONSTRUCTION?
YOU CAN ADMIRE A VOLKSWAGEN!
There are 3,389 men of our Wolfsburg factory with only one job: to inspect Volkswagens at each stage of production. (3000 Volkswagens are produced daily; there are more inspectors than cars.)
Final inspection is really something! VW Inspectors run each car off the line onto the Funktionsprufstand (car test stand), tote up 189 check points, gun ahead to the automatic brake stand, and say "no" to one VW out of fifty. This preoccupation with detail means the VW lasts longer and requires less maintenance, by and large, than other cars. (It also means a used VW depreciates less than any other car.)
