RIGHT ON THE EDGE OF TOWN
A BIG OLD FARMHOUSE
Nice Trees, Lots of Room \$11,500

Here is one that you have admired as you drove by. Its an attractive old home all in excellent condition, right on the outskirts of Medford. It has large trees in the big front yard, and attractive shrubbery around the house. There is a variety of fruit and nut trees around the place and a big garden space where you can raise most of the food for a large family.

The house is large, but has only two bedrooms downstairs. But there is a large floored attic that could be made into two more bedrooms with little cost.

There is a covered patio or breezeway that could also be enclosed at little cost to make a huge family or play room.

A big country kitchen, an insulated fruit room, a garage, plus a carport all add up to lots of room for the low, low price of \$11,500.

You can buy it for only \$2,500 down... or the retiring owners will take your smaller piece in trade. It is just too much room for this nice old couple.

YOU CAN BUY THIS COMFORTABLE HOME ON A G. I. LOAN WITH NO DOWN PAYMENT. Don't miss seeing it today.
