Local and Personal

Stove Fire–Ashland firemen answered a call at 7:15 p.m. Monday to extinguish a stove fire at the home of D. Mantor, 120 Fourth st. No damage was reported.

• • •

To Meet–Southern Oregon Mushroom club will hold the first fall meeting Wednesday, Sept. 7, at the Red Cross building, 60 Hawthorne st., at 8 p.m.

• • •

Son Ill–Mrs. Julia Vakoc, 214 Cottage st., returned Saturday after visiting her son, George Vakoc, in a Portland hospital. She was called to Portland a week ago when it was learned he was seriously ill.

• • •

Bedroom Fire–Medford firemen were called at 11:31 a.m. yesterday when a fire broke out in a bedroom at the Robert Sparks residence, 2363 Roberts rd. Firemen said a bed had been pushed against a wall heater. The mattress was burned and minor damage to the furniture resulted.

• • •

Religious Song – A meeting of local song writers will be held from 9 to 11 a.m. Sunday, Sept. 11, in the Pioneer room of the Jackson hotel, during which new "country" religious songs written by local people will be played. A no-host breakfast will be served.

Medical Patient–W. Stewart Orr, 416 NW Midland ave., Grants Pass, was listed as a medical patient today at Rogue Valley hospital.

• • •

Meeting Set – The Old Timers club will meet at 8 p.m. Wednesday, Sept. 7, at the Westside fire station, club officials have announced.

MOSLEM FAITH

About 90 per cent of Indonesia's population of 85 million persons is believed to be of the Moslem faith.

Revisions in Medford School Bus Schedule Are Announced

Schedule maps showing the route and approximate pick-up time for each student have been mailed to all transported pupils of the Medford school district who were registered at the close of school in June, school officials have announced.

Schedules are generally similar to those in effect at that time. Schedule identification numbers for each route are posted in the front windshield of each bus.

Major revisions are the result of changes in starting time for some junior high school students and changes in the area served by the elementary and junior high schools. Some minor revisions have been made to relieve overcrowding or improve service, officials said.

Junior High Students

Except for Jacksonville and Ruch area pupils, who will begin school second period and go through seventh period, junior high school students will be provided transportation for classes beginning first period and ending sixth period. Except for one area, transported high school pupils on a six-period schedule will be brought to school for second period classes and returned home at the end of seventh period.

Those students living in the Griffin Creek area on Sterling Creek rd., Mud Springs rd. and Poorman Creek rd. will be on the earlier schedule. At Griffin Creek, Jacksonville, and West Side schools, elementary pupils will begin classes at 8:45 a.m. with dismissal times 15 minutes earlier than those schools beginning classes at 9 a.m. Ruch school will begin classes at 8:30 a.m., and all pupils will be dismissed at 3 p.m.

In the Oak Grove school area an additional bus, Schedule No. 16, will pick up all students for the 8 a.m. starting time on Oak Grove rd. between West Main st. and Madrona lane, on Madrona lane and on West Main st. between Arnold lane and Ross lane. This schedule will permit Jacksonville students who live on and near Arnold lane to enroll for seven periods if approved by school officials.

Schedule No. 12 taking West Side area pupils to McLoughlin and Hendrick Junior High schools will begin its early run in Jacksonville, providing a similar opportunity for students in that area.

Elementary Students

Three buses will be used to pick up Jacksonville elementary pupils between Medford and Jacksonville, Schedule No. 8 going out Jacksonville highway, Schedule No. 12 using Arnold lane and South Stage rd., and Schedule No. 19 Hanley rd. and Old Stage rd. Schedules No. 12 and 19 will pick up junior and senior high pupils on their routes to Jacksonville and will return to Medford on the Jacksonville highway.

On the return trip Schedule No. 8 will transport only junior high school students; No. 12 only senior high pupils, including those between Arnold lane and Oak Grove rd., and Schedule No. 19 both junior and senior high pupils, including those senior high students living in the Pioneer subdivision.

In the afternoon, Schedule No. 16 will leave McLoughlin Junior high at 3:20 p.m. and will make no stops between Medford and Jacksonville. At Jacksonville those pupils living on Old Stage rd. will be transferred to No. 12, and Schedule No. 16 will pick up primary and intermediate pupils living beyond Jacksonville on Highway 238 and intermediate pupils living on South Stage rd. and Arnold lane.

Intermediate Stops

Schedule No. 19 will make intermediate stops on Jacksonville highway and will return Jacksonville intermediate pupils who live in Jacksonville highway.

In the Ruch area, Schedule No. 14 will begin its morning service at the south end of the Poorman-Sterling Creek rd., operating north to Highway 238, and south to Ruch on Highway 238. Schedule No. 15 will begin its morning route on Little Applegate and serve Little Applegate, Taylor lane and Highway 238 west of Ruch.

No change has been made in the morning route of Schedule No. 13 or in the afternoon service from Ruch school. From Ruch school in the morning Schedule No. 13 will take all junior high pupils and pick up those junior high pupils on Highway 238 en route to Jacksonville.

Schedule No. 15 will take senior high students, picking up those on Highway 238 as well as Jacksonville elementary pupils from Poorman-Sterling junction to Jacksonville.

From the high school in the afternoon, Schedule No. 12 will take pupils who live beyond Winema Way on the Jacksonville highway, in Jacksonville and both junior and senior high students living beyond Jacksonville on Highway 238 to the Poorman-Sterling Creek junction, and those living on Poorman-Sterling Creek rd. and the Little Applegate.

A transfer from Schedule No. 12 to Schedule No. 14 will be made at the junction. This will permit Schedule No. 13 to operate non-stop from the senior high to this point.

Schedule No. 19 will take students from the senior high who live on West Main st. between Medford and Arnold lane, on Arnold lane and on South Stage rd. west of Arnold lane. Schedule No. 11, serving the West Side area, will take pupils living on Old Stage rd.

Transportation to the Oak Grove school for elementary pupils living on North Ross lane will be provided by Schedule No. 17 in the morning, by No. 17 in the afternoon for primary pupils and by No. 19 for intermediate pupils.

In the Howard school area, the 8 a.m. junior high school run of Schedule No. 2 has been rerouted to go out Pacific highway to Mace rd. and east on Mace rd. to Howard ave., and south on Howard ave. Schedule No. 16 will pick up pupils on the 9 a.m. elementary and senior high run, following the same route as that followed by Schedule 1 last year.

In the Jefferson school area, the morning elementary run will be made by Schedule No. 1, following the same route as last year.

In the Lone Pine area, Schedule 7 has been rerouted on the afternoon trip from Hedrick Junior High to go by Lone Pine school, providing earlier return for primary pupils living on Hillcrest rd. and Cherry lane.

Schedule No. 13 will also serve the Lone Pine area and the area near Wilson school to relieve overcrowding on other schedules and will pick up primary pupils from Lone Pine going to Pierce rd. and Spring st.

Limited Service

Limited service will be provided pupils attending Hoover school who live on North Phoenix rd. They will be picked up in the morning by Schedule No. 7 and delivered to the walk-way between Black Oak dr. and the school. In the afternoon primary pupils will be picked up at this point by No. 7 and intermediate pupils by No. 6.

As in the past, service will be provided for pupils attending St. Mary's school in connection with service to Medford High school. Pupils will be delivered to St. Mary's en route to the senior high or immediately after senior high pupils are left at the school. They will be picked up at St. Mary's between 3:50 and 4:05 p.m. and taken home on the schedules from the senior high.

Parents who have questions concerning the schedule may obtain additional information from the school their child will attend.

On Sophomore day, Friday, Sept. 9, all schedules transporting students to the high school for 9 a.m. classes will be operated, running one-half hour earlier than the time shown on the schedule in order to arrive at the school by 8:30 a.m. Regular afternoon schedules will be run from the school beginning at 11:45 a.m.

Births

HUFF – To Mr. and Mrs. Allen L., 634 Pennsylvania ave., Medford, Sept. 6, 1960, a boy, 7¾ lbs., at Rogue Valley hospital.

Oregon Accidents Claim 14 Lives During Week End

By United Press International

Oregon escaped Labor Day itself without a traffic death but the three-day week end saw at least 14 persons dies accidentally in the state including eight on the highways.

In addition, a Portland man was killed early today in a one-car accident on the Baldock Freeway half a mile south of the Wilsonville Junction. The victim was Lawrence L. McMahan, 22. Injured seriously was Ormand V. Hill, 24, also of Portland.

Other week end mishaps saw two persons drown, two die in fires, a Salem resident killed in a boating accident and a man killed in a tractor mishap.

The state of Washington had 16 accidental deaths, including 12 on the highways. One of these victims was Walter W. Corley, 37, Ione, Ore., killed in an accident in Grant county, Wash.

Traffic Victims

Oregon's traffic victims included Harry R. Morris, 56, Ashland, and Thomas S. Neeley, 49, Medford, who died in a one-car crash near Silver Lake Saturday night. Other victims, all in separate accidents, were William Pruett, 64, Harper; John H. Beleele, 41, Cottage Grove; Mrs. Elizabeth A. Stoller, 65, Portland; Mrs. Arvilla W. Cruger, 58, Portland; George W. Wicks, 60, Tacoma, and Sebastian A. Fettig, 54, Newberg.

The drowning victims were Jack Doyle, 88, Central Point, and Debra Crump, 4, Brookings. Harold C. Moon, 58, Salem, died in a boating mishap at Marion lake.

Eino Matt Jarvenpaa, 52, Astoria, died in a fire which gutted the kitchen of his home Sunday. He apparently suffocated from fumes. The other fire victim was Frank H. Doan, 51, Portland, killed in a Saturday night blaze.

Frank Moilanen, 78, Clatskanie, was killed in a tractor accident Saturday.

Lawyers Organize To Seek Election Of GOP Candidates

Washington — (UPI) — Vice President Richard M. Nixon's campaign headquarters announced today the formation of a "Lawyers for Nixon-Lodge" committee to work for election of the GOP presidential ticket.

Creation of the new group was announced while Nixon continued to recuperate satisfactorily in Walter Reed Army hospital from a knee infection. He expects to leave the hospital next Saturday.

The vice president, who entered the hospital a week ago, was working on speeches and "position papers" he will present to the voters after he returns to campaigning next Monday with a 9,000-mile trip.

Making Prgress

A medical report issued Monday said Nixon was making "excellent progress" and the swelling of his left knee had subsided. It said traction treatment on his leg had been discontinued.

The "Lawyers for Nixon-Lodge" committee is similar to campaign groups formed in other professions. A "celebrities" committee, including prominent figures in the entertainment world, was created recently and a "Doctors for Nixon-Lodge" committee was announced Monday.

Charles S. Rhyne, national chairman of Volunteers for Nixon-Lodge, announced that the lawyers' group would be headed by five cochairmen. They are Eleapor Y. Guthrie of Chicago, John D. Randall of Cedar Rapids, Iowa, Bernard G. Segal of Philadelphia, William Sylvester Thompson of Washington, D.C., and Loyd Wright of Los Angeles.

In Great Tradition

Rhyne, a former president of the American Bar Association, said, "We lawyers believe Mr. Nixon follows in the great tradition of Jefferson, Madison, and Lincoln."

The doctors' committee working for Nixon and vice presidential nominee Henry Cabot Lodge will be headed by Dr. Elmer Hess of Erie, Pa., former president of the American Medical Association. Hess will supervise a campaign group with 11,500 members in the 50 states.

WESTERN PINE ASSOCIATION

ABUNDANT WOOD — White fir, with 118 billion board feet of standing sawtimber, is the western pine region's third most abundant wood. Since World War II, volume of demand for its use in construction has multiplied 10-fold. A valuable lumber species, its excellent strength-weight ratio and fine texture make it one of America's foremost home building materials.
