

MEDFORD MAIL TRIBUNE SPORTS

NEIL PLUMLEY
Mr. All-Around at OSC

Plumley's Versatility Pleases OSC Followers

By JOHN EGGERS
OSC Publicity Director

Oregon State College, Corvallis—When they speak of "Mr. All-Around Man" at Oregon State, somehow the conversation usually centers around Neil Plumley, Oregon State's 6-6, 235-pound football tackle from Medford.

Not that Plumley already has swept all-America acclaim, for he hasn't. With his junior grid season just around the corner and still another campaign as a senior ahead, that conceivably could come in due course.

It's the amazing versatility of this handsome young giant that pleases OSC followers most—even those not overly interested in athletics.

Plumley will be a first-string tackle in football. There's no question of that. And track coach Sam Bell will tell you that Neil has a great chance to repeat as northern division shotput champion next spring, after winning the title quite easily the last time around.

Then talk to some of the

classroom professors at Oregon State. Enrolled in the much-respected school of business and technology, the Medford athlete pulled down a 3.83 grade point average last spring. In the winter quarter it was 3.87, and his all-around GPA reads 3.42.

Beavers Fortunate
In view of the fact that a 4.0 is perfect, with all A's, Plumley is somewhere between B-plus and A as a scholastic risk. He's accomplished all this while drilling for football all fall and for track much of the winter and spring.

Neil started capturing headlines while only a prep at Medford High school. He broke the state shotput record, and hoisted plenty of opposing football linemen out of the way as well. A good number of schools sought his services when it came time for a college decision.

Fortunately for the Beavers, he chose Oregon State. As a sophomore lineman last fall, he picked up 268½ minutes of playing time—far more than the average neophyte—and was understudy to dependable Howard Hogan, a three-year veteran.

Some said he needed to "throw his weight around more," or get a little mad once in awhile. In any event, he looked good.

He's even better this fall.

Liston Foe Of Machen
Seattle, Wash.—(UPI)—Sonny Liston, the big bomber from the East, and Eddie Machen, the classy power puncher from the West, meet in a 12-round elimination bout here tonight which should produce the next challenger for the heavyweight title.

Liston, who has lost but one of 31 pro fights and has kayoed 21 of his victims, including the last nine in a row, is the number one contender for the crown. Machen, a winner in 34 of his 37 matches and owner of 20 knockouts, is rated number two.

A 10-round welterweight go between Phil Moyer, a nephew of the promoter and Cecil Shorts also is on the card.

Sports Bulletin
Rome—(UPI)—Burly Al Center, 235-pound New Yorker, led a United States 1-2-3 sweep of the discus throw today with an Olympic record of 194 feet, 2 inches.

Rink Babka, a 250-pounder from Manhattan Beach, Calif., took the second place silver medal with a heave of 190-4½ while third place went to Dick Cochran, a 225-pounder from Brookfield, Mo., with a toss of 187-6½.

Richardson Gains Upset
Forest Hills, N.Y.—(UPI)—Unseeded Ham Richardson emerged today as a dark-horse threat for the U.S. national tennis singles' crown despite his insistence that he's playing "just for fun and not the title."

Maybe so, but he was all business Tuesday when he sprang the biggest upset of the championships so far by knocking off sixth-seeded Roy Emerson of Australia, 3-6, 6-4, 9-7, 8-6, to the appreciative cheers and applause of 6,000 fans.

Richardson's startling showing was the only form reversal in a day during which Australia's Neale Fraser, the men's defending champion, toppled P.C. Gerald Moss of Miami Beach, Fla., 6-3, 6-2, 6-4, to gain the fourth round, and Maria Bueno of Brazil, the women's defending champion, moved into the quarter-finals with a 6-1, 6-4, triumph over Barbara Brown of Burbank, Calif.

Pittsburgh Beats Spahn Again, Shoves Braves Into Third Spot; New York Falls 1½ Games Behind

By GARY KALE
United Press International
The Pittsburgh Pirates' ability to beat Warren Spahn and the Milwaukee Braves is proving to be a major factor in their drive for the National league pennant.

Pittsburgh made it 11 victories out of 16 games with Milwaukee Tuesday night, beating Spahn for the fourth time in five shots at the crafty lefthander this season, 5-3.

The Pirates' latest victory over Charley Dressen's disheartened crew may also have spelled the end of Milwaukee's comeback attempt as Pittsburgh polished off two of the three games in the latest series and took a seven-game lead. Milwaukee fell to third place, a half-game behind St. Louis.

By defeating Spahn for the second time in two days the Pirates probably now can clinch the pennant by winning 10 of their remaining 21 games. Six of these contests will be against the Braves.

"I won't give up until we're counted out," Dressen said, however, in commenting on Milwaukee's chances.

Boston Beats Yankees
The New York Yankees' failure to control the seventh place Boston Red Sox cost Casey Stengel's crew a chance

to close in on league-leading Baltimore in the American circuit. The Yankees dropped 1½ games behind the idle Orioles by losing their seventh game in 16 decisions with Boston this season, 7-1.

Dick Groat Sidelined By Fracture

Pittsburgh—(UPI)—The Pittsburgh Pirates were steeped in gloom today with the realization that shortstop Dick Groat was expected to be sidelined the rest of the season with a broken left wrist.

Groat suffered the break in the first inning of Tuesday night's game against the Milwaukee Braves when he was struck by a pitched ball thrown by Lew Burdette.

The Pirates team captain, considered by many as the top candidate for the National league's most valuable player award, left the contest when the wrist began to swell and he was unable to grip a bat.

Early reports said that Groat's wrist was not broken, but later, X-rays revealed the break.

General Manager Joe L. Brown said medical reports estimated that the Pirate sparkplug, whose 325 batting average place him second in the league, would be out for four weeks, putting him out of the Pirate stretch drive run for the pennant.

In other AL games, Kansas City scored twice in the ninth inning to beat third-place Chicago, 3-2, and Cleveland downed Detroit, 10-8, in 10 frames.

Cincinnati tallied five runs in the 10th inning to defeat Philadelphia, 6-1, and Los Angeles shut out San Francisco, 7-0, in the only other NL action.

Pittsburgh matched Milwaukee's three runs in the eighth inning outburst to mark the 27th time this season the Pirates had to come from behind to win after the sixth stanza. Clem Labine, in relief of starter Joe Gibbon, was credited with his second straight victory since joining the club last month. Doubles by Dick Stuart and Roberto Clemente and Mickey Vernon's first hit since returning to the active list provided the winning runs.

Pirates Lose Groat
Spahn's loss was his ninth against 17 triumphs. Dick Groat suffered a broken left wrist when hit by a Lew Burdette pitch in the first inning and will be lost to Pittsburgh for the remainder of the season.

Billy Muffett, a National league castoff, muffed the Yankees with three hits, including Mickey Mantle's 32nd homer. Ted Williams belted his 26th of the year for Boston and 518th of his career. Pumpsie Green hit an inside-the-park homer in the first inning from which New York never recovered. Muffett's triumph was his fifth.

Hank Bauer drove in two runs with a bases-loaded single that sent the White Sox 4½ off the pace. Norm Siebern drove in the other Kansas City run with his 19th homer. Ken Johnson, who relieved starter Ned Garver in the eighth inning, won his fourth game. Al Worthington took his second loss.

Ken Aspromonte's two-run homer in the 10th inning highlighted a 16-hit Indian attack. Tito Francona drove in four runs with two doubles and a single as Frank Funk won his second straight game after pitching four scoreless frames. Woodie Held also homered for Cleveland. Norm Cash led Detroit's 15-hit onslaught as he drove in three runs.

Pull Triple Steal
Cincinnati scored a run in the first inning when Vada Pinson tallied on the front end of a triple steal and then waited until the 10th to gain the decisive runs. Gordon Coleman, Willie Jones and Eddie Kasko turned in run-producing singles that gave the Reds the extra-inning victory over the Phils. Jim Brosnan authored his seventh victory. John Buzhardt lost his 14th and ninth in a row.

Don Drysdale, who complained of "the Coliseum confines earlier this season, pitched his seventh straight home victory for Los Angeles. He drove in two runs in winning his 13th game and racked up eight strikeouts to run his league-leading total to 215. Maury Wills stole his 41st base, most in the circuit since 1929. Norm Larker hit his fourth homer as George Maranda lost his fourth game for the Giants.

Dodgers Open Eastern Swing
Cincinnati—(UPI)—The Los Angeles Dodgers open their final eastern swing of the 1960 season here tonight against the Cincinnati Reds who have given them more trouble than most first division clubs.

Southpaw Johnny Podres, 11-11, will be seeking to break even for the season against the Reds tonight, having a 1-2 record with them. Opposing him will be Cal McLish, 4-11, who also is 1-2 against the Dodgers this season.

The Dodgers will be joined here Thursday by two of their farm club stars, Willie Davis and Charlie Smith, whose contracts were purchased from Spokane of the Pacific Coast league. Later in the 15-game eastern swing several others will meet them to finish out the season.

Don Drysdale brought the three-game stand against the San Francisco Giants to a winning conclusion Tuesday with a 7-0 victory, his seventh straight Coliseum triumph since June 9.

Black Tornado Host To Arcata on Friday

It hardly seems possible, but the 1960 high school football season is almost at hand. Six prep varsities of Jackson county open their campaign this week end. There will be two games for athletes of Medford high, which last year won the Oregon Class A-1 diadem.

The Medford varsity is host on Friday night to Arcata, Calif. On Saturday night the Black Tornado reserves will entertain the Class A-2 Eagle Point regulars.

Ashland, Class A-1, will be guest of A-2 Phoenix on Friday night and at Cave Junction on the same evening A-2 Illinois Valley will play St. Mary's of Medford which gained an Oregon Class B co-championship last fall.

Rogue River varsity will be host in a Friday skirmish to Crater junior varsity. RR is A-2, and Crater A-1.

Grants Pass and Klamath Falls, members of the Southern Oregon conference (along with Medford, Ashland and Crater, each have non-loop home games on Friday. Roseburg will be at Grants Pass and Boise, Idaho, at Klamath Falls.

Medford's Tornado athletes were to work on goal line offense today and have a passing scrimmage. They were to go over kickoff, kick-off coverage and extra point offense.

Crossing his fingers last night, Head Coach Fred Spiegelberg reported his Medford squad intact and in good physical shape. He said the gridders seem to be over their aches and pains of the earlier practice sessions.

Both offense and defense are getting a lot of attention in the Tornado cap. There

was a lot of defensive drill yesterday and the whole offense was dummy scrimmaged.

The head man pronounced the Medford backfield situation solid. He said that the coaching staff is "pretty well pleased" with the work of Jim Stever, 140-pound senior, behind regular quarterback Dick Ragsdale. There's good depth in the backfield with Jim Barry looking good at left half along with Phil Humphreys and George Clearwater looming strong behind Dan Sieg at fullback. Back of Mike Hood, right half regular from last year, Bill Charley and Mike McCullough are doing well.

Concerning the line Spiegelberg said, "I think it is coming along pretty good. There's not much weight, according to the mentor. The Tornados hope to make up this lack in speed.

SF Giants More Entrenched in Fifth Position

Milwaukee—(UPI)—The San Francisco Giants start their final road swing east here tonight in a final frantic attempt to escape the ever-increasing certainty of a fifth-place finish.

The Giants became more solidly entrenched at the head of the second division than ever Tuesday as erratic Don Drysdale of the Los Angeles Dodgers had one of his good days and hurled a 7-0 white-wash job over the helpless San Franciscans.

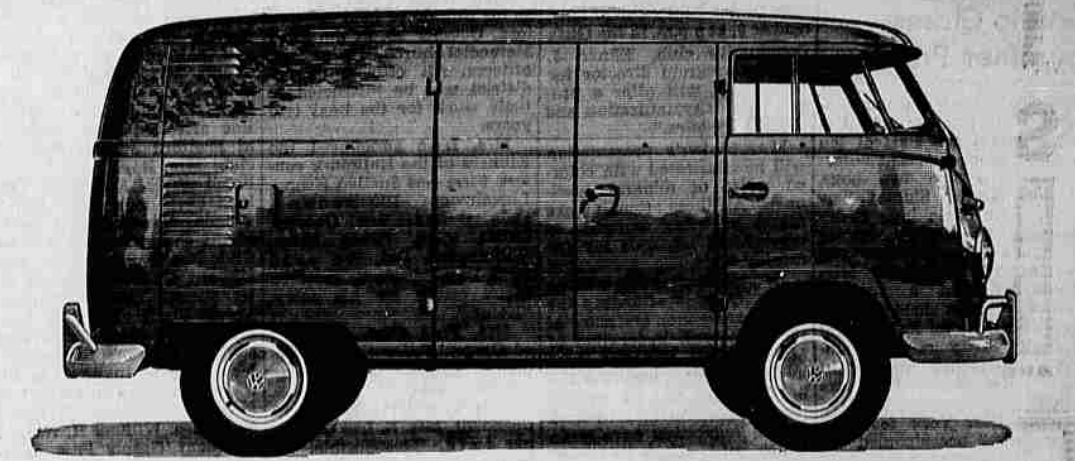

The Giants thus come here four full games behind the fourth place Dodgers. Of course, they are a solid six games ahead of sixth place Cincinnati, but this means little for the team may said could not miss picking up all the marbles in 1960.

Jack Sanford takes his 12-11 record to the hill tonight for the Giants against Milwaukee's hulking enigma, Joe Jay (6-7).

THIS IS THE SHAPE OF TRUCKS TO COME

Look closely at a Volkswagen Truck. You'll see how adroitly the VW design combines form and function to give you every feasible advantage. You can measure these advantages in pounds, feet, cubic feet, miles per gallon, dollars and cents—take your choice.

Did you know, for example, that the VW Panel Truck above holds 830 pounds more than a standard half-ton? But costs only half as much to run?

We created this unique vehicle to carry a basic need: a truck that would carry a big load (¾ ton), yet would not be a scaled-down version of heavy, over-the-road trucks, or delivery trucks that were simply converted sedans. A truck that is economical to own and to operate. The only practical answer seems simple—after it's been done. Eliminate dead weight and unnecessary horsepower.

It took ingenuity plus lightweight metals to cut out the 2,000 pounds dead weight found in the standard half-ton truck. For example, take the VW engine. It weighs only 182 lbs. (S.A.E.), and requires no heavy radiator, no water. A big weight saving. Then, we put it in the rear.

Why? Another factor in achieving economy is weight balance. The driver belongs in the front. Put the engine in the rear and you have even weight distribution. The load is cradled in the middle. Whether unloaded or fully loaded, a VW is in balance for easy maneuverability and sure-footed traction in mud, ice and snow.

This VW Panel Truck (without its 1,830-pound load and driver) weighs only 2,100 pounds—about half as much as standard half-ton trucks. Yet the VW gives you 830 pounds more load at half the usual operating costs. You save on gas, oil, repairs and tires. And your Authorized VW Dealer can prove how much with validated histories. The VW Truck also saves your time. Since it is only 9 in. longer than a VW Sedan, it can be parked, or loaded and unloaded, where other trucks can't.

You'll find all these built-in advantages only in the VW Truck. The VW Panel costs \$2172 delivered locally. Try one. You'll be in good company, for in the past few years Authorized VW Dealers have delivered 100,000 to businessmen whose trucking needs have been met efficiently through VW Truck design.

Bowling Night?

Seagram's Seven Crown
AMERICAN BLENDED WHISKEY
A whiskey of distinctive character, smooth, rich, full flavored, without a trace of harshness.

\$4.60 1/2 qt Code 265B
