PROUDLY INTRODUCE

PALAZZO IS MANY THINGS . . . ALL OF THEM BEAUTIFUL! From a period romantic in history . . . elegant in living and decoration . . . from countries rich in design, comes PALAZZO, a coordinated home furnishings package. PALAZZO has distinction and beauty in each individual piece . . . blends, but is not repetitious in design . . . wears the air of having been collected piece by piece. PALAZZO encompasses every room in the home—includes everything from furniture to linens . . . carpets to tableware. A home furnished with PALAZZO will make homemakers feel they have traveled through the countryside and cities of Italy, browsed through the art and antique shops on the winding cobblestone streets of Florence, Venice and Rome, purchased from the artisans and craftsmen.

A many splendored collection with more than half-a-hundred museum-beautiful pieces for living, dining and bedroom.

Patined cherry and select hardwoods take on new excitement in this group. Three exclusive finishes are offered. The major interest, a native-toned Tuscan-Brown, distressed and antiqued. The two painted contrasts, a black-striped Terra Cotta, a mist-striped Palazzo white.

Styling for occasional pieces provides new-world interpretations of old-world beauty, with such luxurious details as antiqued brass rings, scrolls and crests. And Palazzo's marble, marquetry and medallion stem straight from fabled old Italian designs.

Equally exciting, the sun-drenched palette of color and exquisite fabric that's yours in each unusual upholstered piece. Together, their beauty conspires to bring out the connoisseur in you. Start your collection soon!
