

**GREATER PILOT PROTECTION** — Providing greater protection and safety for the pilot, this new escape capsule is under development by the Air Research and Development Command and the Lockheed Air-Craft Corp. Tomorrow's superplane safety device would give fliers a "shirt-tail environment" and free them of the present cumbersome protective clothing and equipment. (UPI Telephoto)

### Ashland Youth Is Held for Car Theft

Ashland—A 13-year-old Ashland boy has been arrested for the theft of a car reported stolen by a Medford man, Police Chief Herb Hays said yesterday.

The youth was apprehended in Lithia park after the car was seen there. The boy and two companions fled into the park after being seen by police. The boy's companions were not apprehended, police said.

The boy was held in the Jackson county juvenile detention home.

### VETERAN NURSE DIES

Colma, Calif. — (UPI) — Funeral services were held today for Miss Della Virginia Knight, one of 20 nurses who made up the U. S. Navy Nurse Corps when it was established in 1908. Miss Knight, 82, died Saturday at the U. S. Naval Hospital in Oakland. She had served in the Navy for 22 years.

### RETIRED DOCTOR DIES

New Rochelle, N. Y. — (UPI) — Dr. Edward J. Campbell, 68, retired physician and former medical director of the New York Life Insurance Company, died Wednesday. Campbell, a native of Newton, Iowa, is survived by his widow, three sons and three grandchildren.

Have you ever wished you could wear a slim-draped sheath? Or do you have to be satisfied with "second best" because of bulging hips, thighs or legs? Now you can do something about these problem areas with Stauffer's new Ballerina model... crowning achievement in our 22 years of success in the reducing industry.

Designed especially for below-the-waist problem areas, the Ballerina trims and firms flared hips, bulging thighs, pudgy knee pads and pudgy calves which diet alone often fails to reach. When you combine its low-level exercise with calorie reduction, you can expect weight loss as well.
