

OBITUARIES

HAROLD FRANCIS

Funeral services for Harold Francis, 63, formerly of the VA Domiciliary at White City, will be held at Hillcrest Mortuary Chapel on the North Phoenix rd., Thursday at 11 a.m. The Rev. John Reynolds of the Westminster Presbyterian church will officiate. Committal will be in Hillcrest Memorial park, with Conger-Morris, funeral directors, in charge of arrangements.

Casket bearers will include members of Medford Barracks, Veterans of World War I.

Mr. Francis was born April 24, 1897, in Somerville, Mass., and served in Troop 12, of the Cavalry, during World War I, from Mar. 20, 1918, to June 18, 1919.

Survivors include a brother, Alfred B. Francis, Dorchester, Mass.

CORA MORRILL
Mrs. Cora Morrill, of 55 Mace rd., died yesterday in a local hospital. Funeral arrangements will be announced by Conger - Morris, funeral directors.

ROBERT W. MORGAN JR.
Robert W. Morgan Jr., infant son of Mr. and Mrs. Robert W. Morgan, of 2772 1/2 Meridian rd., died Tuesday in a local hospital.

Private graveside services were held this afternoon at Siskiyou Memorial park, with the Rev. R. E. Cull of the Assembly of God church officiating. Conger-Morris, funeral directors, were in charge of arrangements.

Survivors, in addition to parents, include grandparents, The Rev. and Mrs. J. O. Morgan, Jacksonville; and Mrs. Stella Stewart, Medford.

GEORGE E. COWDEN
George E. Cowden, 89, of route 1, Eagle Point, died this morning at his home. Funeral arrangements will be announced by Conger - Morris, funeral directors.

ARTHUR L. SCHRACK
Arthur Leroy Schrack, 71, of 407 Newtown st., Medford, died yesterday in the Veterans hospital at Vancouver.

Funeral services will be held at Conger-Morris Funeral home downtown chapel Friday at 11 a.m. The Rev. Frederick Evans of the First Christian church will officiate. Committal will be Siskiyou Memorial park.

MRS. ELVA STORM
Word has been received here of the death Sept. 20, in

Everett, Wash., of Mrs. Elva Storm, 75, a resident of Jackson county for 15 years.

Funeral services were held Sept. 23 at Sultan, Wash.

Mrs. Storm was born in Kebo, Kan., the daughter of Lewis and Mary Middlebush.

In 1909 she was married to Cleve Storm. In 1910 they moved to Washington where she lived the last 50 years. Her husband died June 8, 1960.

Survivors include three sons, Lewis Storm, Leonard Storm, both Everett, and Robert Storm, California; two brothers, Frank Middlebush, Centralia, Wash., and Fred Middlebush, Medford; two sisters, Mrs. Enid Davis, Brewster, Wash., and Mrs. Osa Pence, Central Point, and five grandchildren. One daughter and two sons preceded her in death.

MRS. CLARA MCCLURE
Mrs. Clara McClure, former valley resident, died in Ellensburg, Wash., last night.

She was born in Marion, Ky., and in 1912 was married in Marion, Ky., to Charles C. McClure, who preceded her in death.

Mrs. McClure moved to Ellensburg about two years ago. Survivors include eight children, Mrs. Charles Chitlock, Grants Pass, James McClure, Ellensburg, Wash., Mrs. Robert Tucker, Rock Hall, Md., Mrs. Donald Barkley, San Jose, Calif., Marie Blades, Ellensburg, Wash., Mrs. Gilbert Rushton, Roslyn, Wash., R. B. McClure, McClure, Yakima, Wash., and Harold McClure, Ellensburg, Wash.; four sisters, three brothers, 18 grandchildren and four great-grandchildren.

JOHN THURLOW WOODS
Funeral services for John Thurlow Woods, 71, of 345 DeBarr ave., Medford, who died Sunday, will be held Friday at 10 a.m. at the chapel in the Trees Mortuary, in Siskiyou Memorial park. The Rev. Clayton Crisman of the Friends church will officiate. Committal will be private in Siskiyou Memorial park.

Mr. Woods was born March 31, 1889, in Clinton, Mo. He was a veteran of World War I, having served in France in the Army AEF from Oct. 2, 1917, until his discharge Jan. 2, 1919. He had been employed as a painter and general laborer most of his life and had resided in this area for the past 16 years.

His sister, Mrs. Mary James, preceded him in death in July of this year.

Survivors include one niece, Mrs. M. J. Dempster, of Medford.

Siskiyou Funeral Service directors are in charge of arrangements.

RALPH E. WANAMACHER
Funeral services for Ralph E. Wanamacher, 53, who died at the Veterans' Administration Domiciliary, White City, Monday, will be held at the Camp White chapel Thursday at 9 a.m. Chaplain Roger Pryor will officiate. Committal will be in the White City cemetery with Perle Funeral home in charge of arrangements.

Mr. Wanamacher was born March 18, 1907, in Boscomb, Wis., and was a veteran of World War II.

Survivors include one sister, Mrs. Hazel James, Wallace, Idaho.

Births
WIEGEL - To Mr. and Mrs. Lawrence, 462 Grand ave., Central Point, Sept. 25, 1960, a boy, 8 1/2 lbs., at Rogue Valley hospital.

MEADORS - To Mr. and Mrs. Shuler M., Applegate, Sept. 27, 1960, a boy, 8 lbs., at Rogue Valley hospital.

Natives Urged To Snack on Peanuts
Ithaca, N.Y.-(Science Service)-Dieters in the U.S. try to cut out in-between-meal snacks of rich foods such as peanuts, but a nutritionist at Cornell University here has just returned from Nigeria where she spent a year encouraging peanut snacks.

Working among the 18,000 natives of Awo Ommama, Nigeria, Prof. Hazel M. Hauck sought an inexpensive protein booster for the ill-fed natives. She learned skinned peanuts and cowpeas were enjoyed as snacks and were cheap.

So she taught the natives to buy the nuts green, roast them and eat them in greater quantity with their riboflavin-rich skins on. She also developed a way to use peanuts and cowpeas in soup.

Prof. Hauck reported here that her campaign was made easier by the natives' painful awareness of their high infant mortality rate.

PAPER FOR PEACE
United Nations, N.Y.-(UPI)-The United Nations uses about 650 tons of paper a year for reproduction of its documents.

Petroleum Wastes Eyed as Chemicals
Tulsa, Okla.-(Science Service)-The steadily increasing demand for chemical raw materials challenges engineers to develop processes for the conversion of petroleum residues to products of greater value. H. Beuther, J. B. McKinley and R. A. Flinn of the Gulf Research and Development company, Pittsburgh, told the American Institute of Chemical Engineers meeting here.

Hydrogenation shows the greatest promise for producing more valuable products from petroleum residues as well as a higher product quality, they said.

A pilot plant operation of such a process was described by M. C. Chervenak and C. A. Johnson of Hydrocarbon Research, Inc., New York.

Locals

Stove Overheats - Firemen were called about 5:40 o'clock this morning when an oil stove overheated at the Thomas E. Mee residence, 408 Marie st.

Builds House - The city building department issued a building permit to Warren Arnold recently to erect a \$10,000 residence at 2372 East McAndrews rd.

Vehicles Collide - Vehicles operated by Robert Merlyn Tuller, Seattle, Wash., and Erdix Alton Dickson, Portland, collided at the intersection of Fourth st. and Central ave. Tuesday morning, according to city police. No citations were issued.

Sale Planned - The Daughters of Union Veterans plan a rummage sale between 9 a.m. and 5 p.m. Friday, Sept. 30, in the Fehl building, 106 North Ivy st., Medford. Persons desiring pickup service may telephone Mrs. Grace Kurz, Spring 3-3276.

Coffee Hour Held - A coffee hour was held recently for Ed McGinty, candidate for county surveyor, at the home of Mr. and Mrs. Ralph Poston, 2616 West Main st., Medford. The duties of the county surveyor's office and the importance of voter registration were discussed.

Collisions - Vehicles operated by George Williams Rose, 220 Hargadine st., Ashland, and William Earl Lock, route 1, box 754, Eagle Point, collided at the intersection of South Riverside ave. and Stewart ave., Tuesday afternoon according to city police. No citations were issued.

Pleads Guilty - David Lawrence Espey, 20, of 619 Park st., entered a plea of guilty in municipal court yesterday to a charge of disorderly conduct and was fined \$10 and sentenced to one day in jail.

Espey was arrested by city police following a prowling incident in southwest Medford early yesterday.

In College - Curtis Saltmarsh, son of Dean Saltmarsh, 2710 Stewart ave., is enrolled in George Williams college in Chicago, Ill. Curtis was a recent winner of the D. Ford McCormick scholarship award for outstanding Christian leadership. He is studying a curriculum designed for a YMCA career.

Slides Friday - The Rev. William Eschrich, Milwaukee, Wis., will show slides of Israel, where he recently visited, at the Landmark Missionary Baptist church, Pine Street and Haskell sts., Central Point, Friday, Sept. 30, at 8 p.m. The program will be presented under the auspices of the Laymen's Home Missionary Movement.

Returns From Session - Mark Boyden, chief surveyor of the Jackson county surveyor's office, was among the local participants at the conference of the American Congress of Surveying and Mapping last week end in Eugene. Boyden, who conducted an informal comparative analysis of techniques used by Oregon counties, visited county surveyor's offices in Bend and Klamath Falls prior to returning to Medford.

Three-car Accident - Vehicles operated by Bruce Alan Busk, 202 North Barneburg ave., William Lewis Turner, 1525 Jasper st., and Anthony Brenton Mikache, 2216 Siskiyou blvd., collided in an accident Tuesday afternoon on East Main st. near Portland ave., according to city police. The cars had been moving by the time police had arrived, and no citations were issued.

Turner complained of a pain in his neck but walked to a nearby doctor's office for x-rays.

Hydrogen Units Hike Quality Of Gasoline

Tulsa, Okla.-(Science Service)-Hydrogen fluoride alkylation units have been improved recently with resulting lower operating costs, improved gasoline quality, and reduced original costs.

E. R. Fenske of the Universal Oil Products company reported at a symposium on advances in refinery techniques that the quality of gasoline produced in these units now far exceeds that produced formerly, at less than half the cost.

Fenske told the members of the American Institute of Chemical Engineers that the improvement of these units was due to the use of better equipment, the reduction of corrosion and greater operating flexibility. Construction and maintenance costs were reduced by the use of stainless steel for most construction materials and by the use of monometal metal where severe corrosion was expected.

Hydrogen fluoride alkylation units now are producing gasoline of 105 to 108 octane rating. This exceeds the requirement of present-day autos.

Require 105 Octane
Within ten years automobiles will require gasoline with an octane rating of 105.

Members of the American Institute of Chemical Engineers were informed by R. F. Kress, H. W. Nagel and H. E. Reif of the Sun Oil company that the production of such premium fuels creates a problem for the average refinery.

Two solutions were discussed, the reprocessing of gasoline with a low octane rating and the building of new plants designed to produce gasoline of satisfactory octane rating.

Gasoline utilized in automobiles today has octane ratings ranging from 80 to 90. The octane rating measures the anti-knock quality of gasoline. One hundred was originally considered to be the ideal rating.

Over-the-Counter Western Stocks
The following bid and asked quotations, from the National Association of Securities Dealers, Inc., do not represent actual transactions.
