Sunny Skies Likely For Oregon Hunters

Portland—(UPI)—A sunny Saturday opening is in prospect for thousands of Oregon hunters who will be out at the crack of dawn to try to bag their bucks on the first day of the deer season.

Patchy morning fog in the western part of the state is expected to lift. However, the dry weather has raised the forest fire danger in many areas to the critical level. The Forest Service asked extra care in the woods with cigarettes and campfires.

The game commission said the dry weather may hamper hunting in eastern, central and southern Oregon. But the deer population is good and the commission said there was a chance that last year's record kill of 146,000 deer would be broken by the time the season ends.

Crown Zellerbach announced its tree farms in eastern Clackamas County and west of Grand Ronde in Lincoln County had been closed to hunting because of fire danger.

Du Pont announces the first and only NEVER DRAIN ANTI-FREEZE & SUMMER COOLANT

Contains patented Color Check to watch your cooling system for you!

Nobody wants to drain anti-freeze—and with Du Pont "Telar" you no longer have to!

"Telar" is the first and only anti-freeze you can safely leave in as long as your car's cooling system is mechanically okay. "Telar" is a summer coolant, too. And it contains patented Color Check to watch your cooling system for you.

Aren't there other anti-freezes you don't have to drain? None! Manufacturers of all other anti-freezes recommend draining.

Why doesn't "Telar" need draining? "Telar" is a patented new formula exclusive with Du Pont. It stands up and stays fresh where others break down. When mixed with ordinary water, it rust-proofs every engine metal—even the new aluminum alloys—with a chemical armor. This chemical armor is not just a film that can wear off; it becomes part of the metal surface, preventing rust from forming.

How does "Telar" maintain cooling in summer? "Telar" has a higher boiling point than water. "Telar" prevents rust clogging, chief cause of engine overheating; it keeps the cooling system clean and free flowing. It's ideal for cars with air conditioning.

What is Color Check? It's an exclusive feature of "Telar". If mechanical cooling system failure contaminates the solution of "Telar", Color Check tells you so by changing the solution's color from red to yellow. It is the only time you drain and replace "Telar". In Du Pont's five years of tests this rarely happened.

What about cost? "Telar" saves you money. It lasts year after year. You buy only the degree of anti-freeze protection your climate requires. Any make-up occasionally needed to replace normal loss is slight.

See your servicing dealer now! There's no reason to wait because "Telar" goes in for keeps, protects in warm weather as well as cold.

Only \$5.00 per gallon for the ultimate cooling system protection!

BETTER THINGS FOR BETTER LIVING...THROUGH CHEMISTRY

Tornadoes Oppose Saxon Contingent

South Salem's hunger for triumph and Medford's aim to keep its record clean will manufacture the incentives this evening when the two prep football contingents skirmish at the Medford High school stadium.

Kick-off time for this non-counting inter-district ruckus is 8 p.m.

A wide open scuffle could easily unfold as the Saxons

Army Club Choice Over California

San Francisco—(UPI)—The Army, Navy and Air Force declare war on Pacific Coast football teams Saturday—and as usual when Uncle Sam's forces are in action, the foes will have a rough go of it.

Army is favored to knock over California—despite the fact that injuries have damaged the cadets' offensive; the Air Force is rated a toss-up with Stanford; and the Navy is underdog to Washington.

But a clean sweep for the service teams wouldn't be out of the realm of possibility.

Army already hampered by ailing talent, got bad news Thursday when it was revealed that George Kirschbauer, regular left halfback, won't be able to compete. He is down with glandular fever.

His replacement is Paul Staley, a 195-pound sophomore.

A crowd of about 55,000 is expected for this tilt in Memorial Stadium at Berkeley.

Husky-Middle Clash

Up at Washington another sellout crowd of about 55,000 is expected to see the middies give the Huskies their first real test of the campaign.

Washington has knocked over College of Pacific 55-8 and Idaho 41-12 in warming up for this one. The Huskies apparently have so much depth that coach Jim Owen has a tough time deciding between the first two units. But he says he'll start quarterback Bob Schloer instead of Bob Hyman and his team for this tilt.

Navy was just about as impressive as Washington in winning over Boston College 22-7 and Villanova 41-7. But the Middies don't have the experience and depth of the Huskies.

Stanford goes into the game against the Air Force in Colorado with a cracked-up line. Tackle Dean Hinshaw and center Doug Pursell, the two biggest men on the forward wall, are sidelined with injuries. But the club still has quarterback Dick Norman.

The Indians lost their first two games to Washington State and Wisconsin and the Air Force won over Colorado State, 32-8, in its opener.

Troy Seeks First Win

Southern California, playing the country's stiffest schedule, attempts to get on the winning side of the ledger against Ohio State—and the chances appear slim. The Buckeyes, with a 24-0 victory over Southern Methodist in the opener, are heavily favored to whip the injury-riddled Trojans. Among the men who won't play for Troy on Saturday are fullback Warren Stephenson, lineman Gary Delaney and Luther Hayes and halfback Jerry Traynham. SC lost its first two games to Oregon State (0-14) and Texas Christian (6-7).

Oregon State (1-1) tangles with the Houston club that upset Mississippi State, 14-10, last week. The game is set for Portland at night and coach Tommy Prothro of the Beavers has spent all week sharpening his passing attack and a defense against the Houston T-formation.

Oregon goes against Utah and is a slight favorite despite the fact that second-string quarterback Sandy Fraser, injured in the loss to Michigan, will be out of action.

In other games, Arizona State tangles with Washington State, College of Pacific plays host to Hawaii and Arizona meets Wyoming. UCLA, with an odd schedule has two weeks in a row off, doesn't play until Oct. 8.

Pacific Eleven, Willamette Vie

United Press International

A battle between Willamette and Pacific, both unbeaten, highlights the opening round of Northwest conference football action this week end.

The two teams, winners of two straight, play Saturday night at Forest Grove. Pacific hasn't won since 1955 and is the underdog again.

The other conference game sends Lewis and Clark to McMinnville to meet Linfield. Both of these teams are 1-1.

College of Idaho plays a non-conference game against Westminster at Salt Lake City while Whitman also meets a non-conference foe, Southern Oregon at Ashland.

Eagles Try For First 1960 Win

Eagle Point—Eagle Point high's Eagles are working hard this week intent on establishing their first football victory of the season. They travel to Rogue River tonight for their first Rogue league skirmish of the fall. Game time will be 8 p.m.

The Eagles are looking for their first touchdown as well as for their initial triumph.

An aim of EP this week has been to improve its offensive power. The Eagles displayed defensive strides last week end in their scramble with Yreka, Calif.

Injuries will lessen the squad strength of the Eagles. Tailback Elvin Hawkins has been sidelined a couple of weeks by an elbow dislocation. He had returned to the squad still favoring an ankle ailment when he was hurt again in Wednesday drill. Carl Johnson has rehurt his back and is to be out of action this week end.

Ends Ailing

Ends Dale Vaughn and Bill Pfeiffer also are on the ailing list. Vaughn will be missed about two weeks because of an ankle sprain in the Yreka game. An injured knee is expected to keep Pfeiffer sidelined a week. Coach Vern Steward said he felt the rest of the squad will be physically ready to engage the Chiefs.

The mentor pointed to considerable improvement by Dick Hentger at a defensive cornerback position. He is the team's leading punter. Addition to the squad of Dennis Loper has been a boost. The 180-pound junior will start at defensive end this week.

On offense the possible starting backfield is Tom Perdue, quarterback; Mike Palm, wingback; Steve Geren, tailback; and Bill Skeeters, fullback. The line crew may be Dick Wilson and Charles Pomeroi, ends; Marvin Cothran and Bill Hoeft, tackles; Gary Ayres and Ray Petersen, guards, and John Linder or Bill Ayres, center. Ayres is a freshman.

Medford enters the fracas after three impressive victories, 28 to 7 over Arcata, Calif., 34 to 0 over Marshfield and 46 to 0 over Red Bluff, Calif.

The Black Tornado will go onto the field the favorite but Coach Fred Spiegelberg has indicated a fear his black-clads may be overconfident as the result of easy wins. "You can't tell with this bunch," he said last night. "I hope the kids are up." The Tornadoes, however, have a habit of showing nonchalance through the week then settling down to serious business on the Friday night battlefield.

Crater Entertains Ashland Grizzlies

Central Point—(UPI)—"We are about as ready as we can be," Coach Leonard Warren reported last night after the Crater high Comets went through their last drill before encountering the Ashland Grizzly gridders.

The two clubs come together at Central Point this evening. Kick-off is slated for 8 p.m.

This action will match the two smallest schools of the Southern Oregon conference. While tonight's tussle, one of two between the teams this season, won't be the one which counts in the standings, spirited play is still anticipated. Rivalry between the two schools, now traditional, is lively and intense.

New Prestige

Ashland, conqueror of Klamath Falls in a loop engagement, a week ago, will be out to uphold new found prestige.

For the Comets, it will be the highest regarded foe they've faced this season. The Grizzlies won 20 to 12 from Klamath after downing Phoenix 32 to 0 and losing 13 to 20 to Roseburg. Crater won 20 to 0 from Eagle Point and tied Coquille 13 to 13.

Offensive starters for Crater may be Tom White and Harold Twedell, ends; Dave Burns and Al Minnickor Willie Jones, tackles; Larry Ryerson and Skip Bogenoff, guards; Dave Malloy, center; Mike Glines or Louis Alvarez, quarterback; Loyd Higinbotham, left halfback; John Champ, right halfback, and Wayne Martin, fullback.

For Ashland the aggregation may be Jerry Hauck and Bob King, ends; Glen Moses and Rod Fuller, tackles; Mike McCartney and Galen Robertson, guards; Russ Blair, center; Jim Doster, quarterback; Forrest Farmer, left halfback; Bob Voris, right halfback, and Ron Scholhar, fullback.

Owls Begin Defense of OCC Title

United Press International

Oregon Tech, the only Oregon Collegiate conference team to come through its pre-season two-game slate unbeaten, opens defense of its 1959 football title Saturday against Portland State.

The two schools meet at Klamath Falls. Portland State showed surprising strength last week in holding Puget Sound to a 13-13 tie.

LaGrande will be the scene of the other OCC game with Eastern Oregon playing host to Oregon College. Neither team has won yet.

Southern Oregon meets unbeaten Whitman in a non-conference game.

HESPERIA GOLF STARTS

Hesperia, Calif.—(UPI)—George Bayer, the former University of Washington football tackle, led more than 100 pros today into the opening round of the 72-hole \$20,000 Hesperia Open golf tournament. The long-hitting Bayer was tabbed as the man to beat—by reason of his sparkling five-under-par 67 Thursday in a pro-amateur best ball event.
