Eagle Point Woman Sets Precedent—Files Petition for City Council

Eagle Point - Mrs. Lester McFall has set a precedent in Eagle Point politics. Mrs. McFall is the first lady in the history of Eagle Point who has petitioned to have her name placed on the election ballot Nov. 8 for the office of councilwoman.

Three four year council terms will be up for election. Other candidates who have filed are incumbent Donald McGovern, Theodore Hoffman and Donald Kimmel. Mrs. McFall, 39, came to Eagle Point about 12 years ago from Kansas. She lives with her husband and eight children at 324 South R st. She has been very active in the Eagle Point Grange, and is now chairman of the Grange Home Economics association. She has also been active in local relief and welfare work. Her governmental experience includes serving as city recorder for two years.

McGovern, 40, is the only present councilman seeking re-election. He has served on the council for two terms. He

Twelve Bucks Shot In First Weekend

Happy Camp - A total of 12 bucks were checked in at the Happy Camp ranger station for the first week end of hunting.

The largest buck was brought in by Kenneth Forest of Baldwin Park, Calif. The buck was killed in the Independence Creek area about 8 miles southwest of Happy Camp. The set of antlers had six points on the right side and seven on the left. According to Larry Rodick, assistant fire control officer at the station, the buck is one of the largest killed in the Klamath forest in some time.

Also bringing in bucks were Mike McCarthy with a four pointer, and Clarence Whittaker and Edwin Rowden, both of Happy Camp bringing in three point bucks. All with two point bucks were Jason Blocker, Jimmy Webb, Robert Cretton, Ray Wasson, John Martin, all of Happy Camp, and Chester Spencer of Crescent City.

Hunting conditions were not the best in this area for the start of hunting season. The woods were so dry that the slightest footstep could be heard by the keen ears of the deer.

Bulb Sale Sends Delegates to KC

Central Point - The Crater High school chapter of the Future Farmers of America conducted a door to door campaign selling light bulbs recently.

The campaign was one of the group's annual money making projects. The money collected will be used to send delegates Don Denning and Jim Frink to the national convention in Kansas City, Mo., in October.

The delegates will leave Oct. 9 and return Oct. 23.

POWERFUL NEW PLUNGER CLOGGED TOILETS in a jiffy!

NEVER AGAIN get sick feeling when your toilet overflows. **TOILEFLEX** Toilet **ALL ANGLE** Plunger

Ordinary plungers don't seat properly, forcing air and water to splash back. Thus you have a mess and you lose the very pressure needed to clear the clogging mass.

With "Toileflex", designed for toilets, no air or water can escape. The patented, tapered tail forms an airtight fit; the full pressure plows through the obstruction and swishes it down. Can't miss!

• DOUBLE-SIZE CUP, DOUBLE-PRESSURE • DESIGNED TO FLEX AT ANY ANGLE • CENTERS ITSELF, CAN'T SKID AROUND

Chamber of Commerce Organization Set

Rogue River - Rogue River's Chamber of Commerce, which has been in organizational process for some weeks, will be fully formed on Oct. 25 when a board of nine members will be elected.

A group of business and professional people met Sept. 20 and completed the by-laws which call for a board of nine members to govern the body. Annual dues were set at \$15 a year with membership to be by application, after completion of the organization. Forty business and professional people are to be visited by a committee during the coming weeks.

Larry Sheehan has been temporary chairman of the organization with Albert Bamforth as temporary secretary.

Under the by-laws, officers of the group will be chosen by the nine directors from their body. Terms of directors will be three for two years, three for one year, and three for one year. After the first year, terms will be for three years.

Hornbrook Resident Found Dead in Yard

Hornbrook - Eddie Jackson, 73, was found dead in his Hornbrook front yard last Wednesday night by some passing children. Death was attributed to a heart attack estimated to have occurred Monday or Tuesday.

Graveside services were held in the Henley-Hornbrook cemetery Saturday at 11 a.m. The Rev. Keith Wiseman of the Church of the Nazarene officiated.

Mr. Jackson was born at Grafton, N.D., Dec. 19, 1886 and came to Hornbrook in 1954. For many years he lived in Elbow, Saskatchewan. He married his wife Carrie Aug. 23, 1907. Mrs. Jackson died in 1958.

The daughters are Mrs. Mavis Adland, of Strongfield, Sask.; Mrs. Alice Grambo, of Doremy, Sask.; Mrs. Edith Moulds of Regina, Sask.; Mrs. Gladys Wilkes, of Inglewood, Calif.; and Mrs. Frances Milsten, of Elbow, Sask. Sons include Tamer K., of Elbow, Sask.; the Rev. Sydney Jackson, of Albany, Calif.; and Lawrence M., of Ashland, Ore.

Rural Reflections

By MAUDE ZIEGLER

Applegate Valley - The average person sees little change in the weather these days. Summer lingers and afternoons are hot.

But a farmer curing his hay crop is tuned to the slightest weather change and becomes a regular barometer. Things are going along fine with him, when all at once he scouts around the neighborhood desperately seeking help and an extra hay rake for the job. He wasn't looking for that terribly hot afternoon, and his hay is drying so fast the alfalfa leaves are falling off.

Come the cool, moist night, and things are just fine again. He is working late in the moonlight, his wife helping him, and the hay picks up beautifully. Life is joyous again.

Enrollment Larger Than Anticipated

Applegate Valley - With enrollment at Ruch elementary school reaching 98 pupils, attendance is larger than anticipated, according to Boyd Gibson, principal.

Grades through the sixth are taught at Ruch this year. Seventh and eighth grades are enrolled at McLoughlin Junior high school. The Ruch faculty includes: Mrs. Cleo Shannon, first and second grade combination; Mrs. Mildred Redhead, second and third grade combination; Bruce Matheny, fourth and fifth grades, and Boyd Gibson, sixth grade.

Al Hunteman, band director at McLoughlin, directs the orchestra at Ruch, and Steve Whipple is band director. Matheny is coach.

Mrs. Elizabeth Vessel and Mrs. Glenn Smith are in charge of the cafeteria, and Al Blumreich is custodian. Bus drivers include Glen Travis, Gordon Talbot, and George Redhead.

A stage addition had been completed at the school, and acoustical tile has been added to the ceiling of the gymnasium. A new slide and other playground equipment has been installed.

Construction Begun On School Addition

Butte Falls - The Blinkenstaff Construction company is building the new high school cafeteria - music room and making the addition to the locker room in the gym.

The footing and foundation for the dressing rooms has been poured and pouring of the cafeteria was scheduled for Sept. 30.

It is reported that construction is progressing on schedule. The tree that had to be removed from the high school grounds before any further work on the new cafeteria could commence was cut up by Medco fallers, Charles Ferguson, William Edmondson and Elga Abbott.

Wood from this tree will be used as part of the winter fuel for the Butte Falls grade school.

James Teacher Addresses Wilderville PTA Meeting

Illinois Valley - Mrs. Elsie Street, head teacher at the James School for Boys, located in Illinois Valley, spoke at the Wilderville PTA Sept. 22.

Mrs. Street said 38 students is the maximum number the school can teach at one time. The school is for mentally disturbed children. "The mental capacity of each student is so different that it's like having 38 different classes," Mrs. Street said.

Mrs. Street described the school's history and gave examples of progress some students have made. She said the school was started by Mrs. Leta James in 1942.

In addition Mrs. Street described activities carried on by the school throughout the year. She said that a picnic is planned for Oct. 9 at the school and the public is invited to attend. Entertainment is being planned by the James school students.

The PTA in a business meeting appointed Mrs. Dale Green chairman of a committee to investigate possible PTA aid to the James school.

Sams Valley Fire District Discussed

Sams Valley - A large group attended the first PTA meeting of the season and was on hand to greet the teachers and meet the new principal, Robert Jobe, Sept. 29.

Newly elected president Alfred Gowen conducted the meeting. A report from the executive meeting was given, after which the various committee members and chairmen were announced. The program chairman is Jobe, who said he plans to use students on the various programs during the year.

Business discussed was the possibility of procuring a fire district here, the need being very apparent after the recent near disastrous fire in the area.

Petitions are being prepared, it was reported by Wes McDouanagh, and they will be circulated. He and other interested persons have attended meetings with other districts and made inquiries. He said that through the cooperation of everyone concerned, Sams Valley would have its own fire district and equipment by the next dry season.

The meeting ended after a tour of each class room. Refreshments were served in the cafeteria by the executive committee.

Cancer Film To Be Shown Thursday

Shady Cove-Trail-The public is invited to view an hour long Cancer film to be shown at the Upper Rogue Grange hall Thursday Oct. 6 starting at 8 p.m.

The regular meeting will be held for grangers immediately after the showing of the film.

The film has been obtained through Mrs. Dick Bartuss, local cancer chairman, under the auspices of the American Cancer society. A doctor will be present as commentator to answer questions on the latest advances in cancer treatment and explain the film as it is shown.

Goff Appointed To Cave City Council

Cave Junction - Appointment of L. A. Goff to the Cave Junction City council has been announced by the council and Mayor Carol Banks.

Goff will serve the two remaining years of the three year term of the late Jewell Burns.

Goff is a long time resident of Cave Junction with previous council service.

Fire Discovered Near Happy Camp

Happy Camp - A fire was discovered by a forest service reconnaissance plane Friday morning on Pyramid Peak near the California-Oregon border, according to John Kanig, dispatcher at the Happy Camp Ranger station.

Kanig said the fire was approximately three acres and was thought to be a hold-over fire from the lightning storm of Sept. 27. Kanig said planes dropped borate mix all day Friday on the fire trying to hold it from spreading until crews could arrive to fight the blaze. Eight smoke jumpers were dropped Friday and fifteen firefighters were taken in by helicopter to aid the smoke jumpers. Saturday the helicopter took 25 more men in.

Kanig said the fire was in such rough terrain that it could only be reached by helicopter so all fire fighting equipment also had to be flown in.
