

Medford, Crater Skirmish Tonight On Tornado Field

Unbeaten in Southern Oregon conference play over six seasons, the Medford High Black Tornado begins its bid for another football championship year tonight when it takes on the Crater Comets of Central Point at the Medford stadium.

It will be the first 1960 counting game against a league foe for the Comets as well as for Medford High. Other action in the circuit will have Grants Pass at Klamath Falls. Kick-off time is set for the usual 8 p.m.

The Black Tornado has not tasted defeat in 21 straight District 6 A-1 tussles. This streak began in 1954 and includes 18 victories and three ties. Going on to the fracas, also this evening, Medford is riding on a 16-game overall winning string which started with the season opener of 1959.

Crater's record is not so impressive. Still the Comets will have upset on their minds. Such an accomplishment would shock the state. For Medford, top team in all the prep polls, rules heavy favorite on the strength of its record, its versatile offense and its greater depth of players.

Won in 1953 The two schools, nearest neighbors in the conference, are meeting for the eighth time. Crater has not won from Medford since 1953 when the Comets took a 20 to 14 stunner. This was three seasons before Crater rose into the A-1 ranks.

The Comets will match the running and passing of Mike Gilnes and the ball packing of Loyal Higinbotham, John Champ and Wayne Martin from the T formation against the passing of Dick Ragsdale and Mike Hood and the totting of Hood, Dan Sieg and Phil Humphreys in Medford's multiple T and single wing attack.

Medford enters the scuffle after beating Arcata, Calif., 38 to 7, Marshfield 34 to 0, Red Bluff, Calif., 46 to 0 and South Salem 35 to 6. Crater started with a 20 to 0 verdict over Eagle Point, tied Coquille 13 to 13 and dropped a 27 to 28 heart breaking nod to Ashland.

There's good evidence that Crater will be fired up for this evening's effort. Coach Leonard Warren pronounced the Comets "pretty well pepped up" yesterday in the final drill.

St. Mary's Travels to Tulalake

"Dick Evans is back and it makes a world of difference." That was the report of St. Mary's high football coach Bill McKibbin whose Crusaders vie at Tulalake, Calif., this evening.

Evans, right halfback, is fully recovered from the back injury suffered in the first game of the season against Illinois Valley. His return this week helps the club on offense but is particularly felt on defense.

Now, Evans will be at a defensive corner back and Dave Lowry will go back into the line.

Audre Knutson, who took over at halfback when Evans was hurt, will not go back to the offensive guard position that he previously had been groomed for. Rather, he will become a defensive specialist, playing tackle or end, and will be an all-purpose reserve player for the offensive backfield. McKibbin said that Jerry Vakoc has been playing adequately at the guard berth Knutson vacated.

A lineup change, also, this week will have Pete Naumes at an offensive end in place of Dan Jacobson.

McKibbin reported the Crusader squad now the healthiest it's been since last before the opener against IV.

Defense has been the primary concern in drills. Glendale did not score against St. Mary's last week but gained much yardage.

Tonight's mix will be a "unofficial" league. Tulalake is playing in the circuit with the District 5B teams. Naturally, however, the California school does not figure in the race for an Oregon state title play-off berth.

Ducks, Beavers Find Themselves Favored

United Press International Oregon and Oregon State football teams found themselves favored today to win their third games in four tries but coaches Len Casanova and Tommy Prothro looked over injury lists and wondered why.

Oregon plays host to San Jose State at Eugene Saturday afternoon while Oregon State meets its second Big 10 rival of the season, Indiana, at Bloomington.

The latest casualty to be reported from the Eugene campus is regular tackle Riley Matson, who was placed on the doubtful list because of a bruised knee and a pulled leg muscle. Regular ends Kent Petersen and Paul Bauge and quarterback Sandy Fraser already have been declared out of the game.

San Jose is the only major unbeaten team on the West Coast, but it has played only one game, defeating Brigham Young easily.

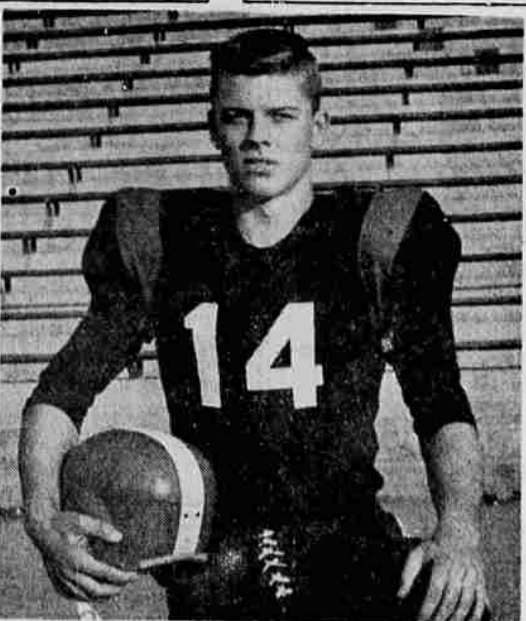

The situation wasn't quite so bad at Oregon State, but understudy fullback Bill Monk was nursing a knee injury. The Beavers have had injury trouble to all their fullbacks this year, and end Aaron Thomas, one of the top OSC players, is out for several weeks with a broken collarbone.

Hank Rivera, another fullback, has been switched to end, leaving Chuck Marshall and John Kirby to handle chores in that position.

this Southwestern Conference tilt. Elsewhere, winless Pittsburgh is a six-point choice over Miami, Fla.; Princeton is picked by 2 over Pennsylvania; Notre Dame by 1½ over North Carolina; Texas by 6 over Oklahoma; North Carolina State by 4 over Maryland; California 2 over Washington State; Army 6 over Penn State; Michigan 2 over Duke; Georgia Tech 6½ over LSU, and Kansas 6 over Iowa State.

Arnold Palmer Tops Golf Poll
 Dunedin, Fla.—(UPI)—Arnold Palmer of Ligonier, Pa., leading money winner this year with an official total of \$71,716.19, today was named the professional Golfer-of-the-Year for 1960.

The U.S. Open and Masters champion compiled one of the greatest landslides in golf history when he drew 1,088 of 1,217 votes in a poll of golf professionals and newsmen conducted by the PGA.

DIRECTS ATTACK—Dick Ragsdale, above, adept and poised quarterback, gears the offense of the Medford high Black Tornado football team and will direct the attack this evening against Crater in a Southern Oregon conference football game here. As Medford's leading passer this fall he has found receivers on 14 of 20 throws for 299 yards. He can run and catch passes as well, but so far this season has minus 1 yard for three carries and one reception for seven yards in scrimmage plays. Ragsdale has a total of 69 yards on two punt run backs.

Raiders Face Viks In League Starter

Portland — Oregon Tech's Bud Maupin took over the individual rushing lead following third round action in the Oregon collegiate conference last week.

Maupin replaced Billy (Bye-Bye) White of Portland State who held the top spot for two weeks. Maupin has gained 211 yards on 53 carries. Southern Oregon's Al Barnes is in second with 192 yards and Bob Penel of Oregon College is third with 178 yards.

John Buck of Southern Oregon continued to lead passers with 19 completions. He has gained 221 yards. Dick Olivas of OTI is second with 17 completions good for 268 yards. Howard Hartman moved ahead of teammate Gordy Carrigan in pass receptions. The Red Raider from SOC has snagged 8 for 82 yards.

Pennel and Barnes share the scoring lead. Each has scored three TDs. Ron Robinson of EOC is the top punter. He has averaged 40.5 on 17 kicks.

Southern Oregon continues to dominate offensive statistics while Oregon Tech is setting the defensive pace in the team department. The Raiders have averaged 121.0 yards per game in the air and 287.3 yards per game in total offense. Oregon College is the leading rushing team with an average of 184.0 yards per game in two contests.

Yields Only 90
 Defensively, Oregon Tech has yielded only 90 yards per game on the ground and the Owls' total defense picture also is the best with its average yield of 220.3 yards per game. Portland State's pass defense has given up only 75.3 yards a game.

Conference action resumes on two fronts again this Saturday. Portland State (0-1) travels to Ashland to open Southern Oregon's (0-0) conference slate. Oregon Tech (1-0) meets Eastern Oregon (0-1) at La Grande. Oregon College of Education (1-0) is at home for an afternoon encounter with Pacific of the Northwest conference.

Bud Maupin of Oregon Tech was named "Back of the play against Portland State last week. It was a weekend of action that saw three great offensive efforts by OCC backs, all of whom topped the 100-yard rushing mark in games last Saturday. Receiving votes were Al Barnes of Southern Oregon, Bob Penel of Oregon College of Education, Dick Branaugh and Ben Houck of EOC, and PSC's Bill White.

Lineman honors went to Frank Colburn, OCE's all-conference end from Woodburn. Colburn was both a defensive and offensive stand-out against EOC. Other linemen receiving votes were Wendell Winterbottom of OTI, Tony Brauner of SOC and Herb Hornum of O.C.

MEDFORD MAIL TRIBUNE SPORTS

Crater Downs Roseburg, Loses To Ashland in Cross Country

Central Point — Crater high cross-country runners broke even in meets this week. They lost 23 to 33 to Ashland's strong team yesterday after defeating Roseburg 32 to 46 on Tuesday.

Farley Buell, Ashland, was individual winner in the meet at Ashland yesterday. Other Grizzly placers were Tom Hudson, third; Gordon Self, fourth; Jerry Wallace, seventh, and Dan Lewis, eighth. Crater placings were Bob Garrison, second; Nathan Olson, fifth; Dennis Fisher, sixth; Gary Barber, ninth, and Jim Hogue, 10th.

Fisher finished first for Crater against Roseburg with Garrison, second; Dwight James, fifth; Barber, Jim Askwith, eighth, and Olson ninth.

For Roseburg, it was Scott, third; Talbot, fourth; Pinnard, sixth; Myers, 10th, Beach, 11th, and Wright, 12th.

Butte Falls Grid Victor
 Butte Falls — Butte Falls high broke into the eight-man football win column yesterday by trimming St. Mary's junior varsity 37 to 13.

The Loggers won with four second half touchdowns. They trailed 13 to 12 after two quarters. LaVern Baker crossed for three Butte Falls TDs, two on runs and one on a pass from Roger Ellefson. Ellefson also passed to Gary Position for a score. Jim Lyle talked on a run and Danny Remsen on a pass interception. Doug Fisher carried on the lone extra point the Loggers made. St. Mary's scored on two pass plays.

Solomon, Light Dominate NW

Portland —(UPI)— Stan Solomon of Willamette and Bob Light of Pacific dominated Northwest conference football statistics released today. Solomon has a net of 331 yards rushing in 51 carries while Light has completed 40 of 77 passes for 406 yards.

Tommy Lee of Willamette has thrown five touchdown passes, while Dennis McCaron of Pacific has scored four touchdowns. Bob Wendell of Pacific leads in pass receptions with 22 for 282 yards.

Contains patented Color Check to watch your cooling system for you!
 Nobody wants to drain anti-freeze—and with Du Pont "Telar" you no longer have to!

"Telar" is the first and only anti-freeze you can safely leave in as long as your car's cooling system is mechanically okay. "Telar" is a summer coolant, too. And it contains patented Color Check to watch your cooling system for you.

Are't there other anti-freezes you don't have to drain? None! Manufacturers of all other anti-freezes recommend draining.

Why doesn't "Telar" need draining?
 "Telar" is a patented new formula exclusive with Du Pont. It stands up and stays fresh where others break down. When mixed with ordinary water, it rust-proofs every engine metal—even the new aluminum alloys—with a chemical armor. This chemical armor is not just a film that can wear off; it becomes part of the metal surface, preventing rust from forming.

How does "Telar" maintain cooling in summer?
 "Telar" has a higher boiling point than water. "Telar" prevents rust clogging, chief cause of engine overheating; it keeps the cooling system clean and free flowing. It's ideal for cars with air conditioning.

What is Color Check?
 It's an exclusive feature of "Telar". If mechanical cooling system failure contaminates the solution of "Telar", Color Check tells you so by changing the solution's color from red to yellow. It is the only time you drain and replace "Telar". In Du Pont's five years of tests this rarely happened.

What about cost?
 "Telar" saves you money. It lasts year after year. You buy only the degree of anti-freeze protection your climate requires. Any make-up occasionally needed to replace normal loss is slight.

See your servicing dealer now! There's no reason to wait because "Telar" goes in for keeps, protects in warm weather as well as cold.

Only \$5.00 per gallon for the ultimate cooling system protection!
