Number of Jobless Decreases 400,000

Above Normal Improvements In September

Seasonal Pickups In Retail Trade

Washington – (UPI) – Unemployment fell by 400,000 in September to 3,338,000, a better than normal improvement over August, the Labor Department reported today.

The number of Americans with jobs dropped by 515,000 from the August level. But the September employment total of 67,767,000 still was a record for the month.

Normally, the department said, the number of job holders would have dropped about 750,000 in September.

The department said the relatively favorable trend in both unemployment and employment reflected recalls to work of auto workers who had been laid off in August while the industry geared for model changeovers.

Construction Declines

Seasonal pickups also were reported in retail trade. On the other hand, there was an autumn cutback in employment in construction activity.

Despite the step-up in auto output, manufacturing employment as a whole rose by only 60,000 in September, a "below average" gain, according to the department.

Partly explaining this was a further decline in employment at steel mills, where some 140,000 workers have been laid off since February.

Jobless Rate Down

The decline in unemployment pushed down the jobless rate from 5.9 per cent in August to 5.7 per cent in September. The department said this was the second highest rate this year.

It meant that 57 of every 1,000 persons in the labor force were out of work and seeking a job in September.

Democratic National Chairman Henry M. Jackson said in advance of the report that Americans "should not be fooled" by a drop in the seasonally adjusted rate of unemployment.

POLIO SHOT CLINIC—Dr. David C. Boals was one of several Jackson county doctors who assisted Saturday with the polio shot clinic sponsored by the Junior Chamber of Commerce. Receiving his third shot is H. E. Haydal, Medford, general chairman of the project. Haydal reported, that 1,830 persons received the shots in Medford, Eagle Point and Central Point Saturday. The majority of them, he added, were third shots although first, second and fourth shots were also administered. The clinics were held by the Jaycees in the three towns in cooperation with the Jackson County Medical Society, the Jackson county health department and District 4 of the Oregon Nurses' association.

Guinea President Blames Confusion In Congo on UN

United Nations, N.Y. – (UPI) – President Sekou Toure of Guinea blamed the United Nations today for the confusion in the Congo and said this had helped the worst enemies of freedom.

The Moscow-trained African said the United States "has taken away from peace and security more than it has supplied to it" in The Congo.

He followed the Soviet Union in demanding United Nations support for leftist Premier Patrice Lumumba, now in the middle of another attempt to regain power in The Congo.

"It is impossible not to place the United Nations in the center of responsibility for the confusion created in The Congo," Toure said.

Supports Khrushchev

Toure generally supported Premier Nikita Khrushchev's policy line.

The Negro leader, wearing the ceremonial robes of Guinea, one of the most powerful new nations in Africa, called for the proclamation of "immediate and general independence" for oppressed countries.

"There are no inferior peoples," he said. "With equal force, we condemn exploitation and domination as well as a feeling of superiority."

Toure, a recent visitor to Moscow and Peiping, and considered one of Russia's best friends in Africa, was closing out the summit phase of the General Assembly.

Late Arrival

Toure, a late arrival for the assembly session, and Khrushchev are among the last remaining heads of state still here. Leaders of the Polish, Czech and Albanian Communist delegations leave Tuesday and Khrushchev Thursday.

Khrushchev, who is expected to speak tonight on the Soviet disarmament program, meanwhile was still busy wooing Afro-Asian nations. New York police said they were informed Khrushchev would be host for 40 Afro-Asians at lunch today.

Court Stand Asked On Money Request

City and County Parks and Recreation Director Robert Haworth said this morning he will ask the county court just where the county parks and recreation commission stands on its request for $60,000 in capital expenditures.

This item is scheduled for discussion at tonight's county parks and recreation commission meeting in the Medford city hall council chambers. However, Haworth this morning was not sure the commission would have a quorum. Illness, a vacation and hunting might interfere with tonight's scheduled meeting, he said. It may have to be postponed until next Monday night.

This morning County Judge Earl Miller said the county court has not reached any decision on the additional capital expenditures needed for further development of recreation facilities at Howard Prairie and Emigrant lakes. The commission had made its request on Sept. 20.

BIDS TO BE RECEIVED

Ashland—Bids will be submitted tonight on leveling and grading the playground area of the Ashland Junior High school. All bids will be received at the board of education meeting in the administrative building of the junior high school at 8 o'clock, according to Stanley Jobe, superintendent of schools.

Man Accidentally Shot While Hunting

Pat A. Finney, 41, of route 3, box 169R, Medford, was reported in fair condition at Rogue Valley hospital today after being accidentally shot in a hunting accident Saturday.

A bullet fired by Clarence Willard Johnson, 2355 Roberts rd., Medford, accidentally hit Finney's rifle and splattered lead. Bullet fragments hit him in the center of his right side.

Johnson, who reported the accident to the sheriff's office, said both men were hunting on the west slope of Roxy Ann mountain east of Medford when the accident occurred. He helped the victim to his home.

Two Hunters Located After Week End Searches

Two hunters who became lost in this area during the week end have been found, law enforcement agencies reported this morning.

Between 50 and 60 volunteers including Jackson county sheriff's deputies, located Mrs. Walter L. (Louise) Williams, 48, of Grants Pass, about noon Sunday. She was reported missing about 4 p.m. Saturday in the area of the south Umpqua river and Rogue river divide.

Mrs. Williams, wife of a Grants Pass mail carrier, had become separated from her husband. She was found Sunday by Dale Chapman, Prospect area logger and prospector, near Huckleberry lake in the Elk Creek area near Prospect.

Suffering from cold, fatigue and possibly infection, she was carried out on a stretcher by John Creel and Bob Bowen, of the Jackson county sheriff's reserve. She was examined at the Prospect ranger station later by Dr. David Morgan, Shady Cove, the sheriff's office reported.

The second hunter, a Medford man, was located this morning on the Lower Parker Mountain rd. about 30 miles west of Klamath Falls, according to Oregon state police.

William Henderson, 729 Dakota st., was reported missing Sunday evening after he became separated from his hunting party. About 2[illegible] hunters and other volunteers joined state police in the search, it was reported.

Jury Selection Starts in Trial Of O. H. Bengtson

Affidavit Filed Regarding Records

The trial of O. H. Bengtson, Medford lawyer, on charges of embezzlement got under way this morning in Jackson county circuit court.

Circuit Judge Orval J. Millard, Grants Pass, is presiding over the jury trial. Examination of the jury was expected to take most of the morning. Richard R. Carney, Portland lawyer, and Robert A. Boyer, Medford lawyer, are representing Bengtson. Deputy District Attorneys Gerald Scannell and Brian Mullen are representing the state.

Questioning of eight women and four men under jury examination this morning revealed it may be a long and involved trial.

Bengtson is charged with the embezzlement of $3,701.14 from the Medford Escrow company Oct. 21, 1959 while he was an officer of the company.

Originally, Rachel Peterson Carter, Jacksonville, secretary of the Medford Escrow company, was indicted on the same charge. However the indictment has since been set aside. She is now charged with embezzling $224 from the company, according to a later indictment. No trial date has been set. She pleaded innocent to the charges last week.

An event before the trial indicated it will be a hotly contested one between the two sets of attorneys. Earlier attorneys and certified public accountants working for Bengtson were not allowed to continue an inspection of records which the district attorney's office will use as evidence, according to a sworn affidavit entered by Boyer, one of Bengston's attorneys.

On Sept. 23, Boyer received a court order to allow inspection of all books, records, and accounts of Medford Escrow company dated Jan. 1, 1957 through May 31, 1960 "in the care, custody, possession or under the control" of the district attorney's office.

Boyer charged in his affidavit that accountants were allowed access to the records in question after a series of delays by Scannell and that on Sept. 21 the district attorney's office denied Bengtson's attorneys and CPA's any further right to inspect the records.

Scannell stated that he was denying access "principally because any further inspection is going to be conditional upon the defendant producing personal records of his office for inspection and that the CPAs were making certain small check marks on the duplicate check vouchers they were auditing," according to Boyer's affidavit.

T.V. Highlight

A rebroadcast of the Sept. 12 speech of Sen. John F. Kennedy before the Houston, Tex., Ministerial association will be on view over KBES-TV from 7:30 to 8 o'clock this evening.

McDOUGALD'S ERROR — Yankee third baseman Gil McDougald reaches for the ball, arrow, as Pirate's Smokey Burgess looks on from third base in the second inning of today's World Series game. Don Hoak had grounded to shortstop Tony Kubek who threw to McDougald trying to get the advancing Burgess. In making the tag McDougald dropped the ball for an error. The umpire is Nestor Chylak. The Pirates won, 5 to 2.

Two Applications For Channel 10 To Be Dismissed

Two of the three applications for television Channel 10 in Medford are expected to be dismissed this week in favor of Radio Medford Inc., it was announced today by Ray Johnson, general manager of radio station KMED.

He reported that negotiations have been virtually completed between Radio Medford Inc., licensee for KMED, TOT Industries Inc., and Medford Telecasting.

TOT Industries and Medford Telecasting are expected to submit motions to the federal communications commission this week to dismiss their applications in favor of Radio Medford, he said.

Johnson explained that this development could mean a considerably earlier starting date for Channel 10 than otherwise possible. The FCC will now formally examine Radio Medford's application and if it meets all qualifications granting of the channel will follow.

The local manager added that the company plans to begin construction of the new television station as soon as the construction permit has been awarded. Completion is expected to take 120 days.

The new television station will be affiliated with the National Broadcasting company, Johnson said.

Driver Injured in Automobile Crash

A driver was seriously injured in a one-car accident Sunday on the Butte Falls highway near the Crater Lake highway junction, state police said today.

State police reported John Lyle Thatcher, 23, of 1100 East Main st., Medford, was taken to Rogue Valley hospital for treatment of multiple rib fractures and other injuries.

The car apparently went out of control as it rounded a curve, hit the shoulder on the left side of the highway, went over the bank and rolled over several times and finally landed right side up.

Rep. Porter Denied Hearing on Passport To Visit Red China

Washington–(UPI) – The Supreme Court today denied a hearing to Rep. Charles O. Porter, (D-Ore.), who has been trying to get a passport to visit Communist China.

Today's brief order leaves standing a decision against Porter handed down last April 14 by the U.S. Court of Appeals here.

Justices William O. Douglast and Hugo L. Black voted to accept the case for review.

Porter said he wanted go to go to Red China to gather firsthand information on contentialities of trade and other facets relating to our policies and legislative aspects."

The State Department wrote him that it was not ditions there, including "povalidating passports to Communist China because "a state of unresolved conflict still exists" between the Red regime and the United States. The Department said such a visit by a congressman would be interpreted throughout Asia as a basic change in U.S. policy.

Meantime, Congress authorized Porter as a member of the House Committee on Post Office and Civil Service to travel to Okinawa and Japan "to take care of matters pertaining to civilian employee problems."

In taking his passport fight to court, Porter agrued that the executive branch of the government was interfering with his "legislative functions." He said the State Department has no authority to restrict the travel of Americans in specified foreign areas.

Constitutional Right

The leading passport decision of recent years, handed down in 1958, held that citizens have a constitutional right to travel and that the government cannot curtail it because of a traveler's "beliefs and associations."

Porter's case brought up the question of whether this constitutional right can be limited by the government in carrying out foreign policy.

The court has not ruled directly on the issue but last term it refused to hear appeals similar to Porter's which were brought by Writer Waldo Frank and newsman William Worthy Jr. of Baltimore.

Interior of House Damaged in Blaze

City Fire Marshal Truman Nelson was investigating today to determine the cause of an early morning fire which did extensive damage to all of the interior and the contents of the James Minor residence, 405 Beatty st.

Firemen were summoned about 1:30 a.m.

Fire Chief Gordon Barker said that the blaze appeared to have started in a bedroom or closet of the small house. No one was at home at the time. Minor was reported at work and his family on a vacation trip to California.

Some damage to shingles on the roof resulted from fire at the Gus Rose home, route 4, box 348A (South Stage rd.), about 10:40 p.m. yesterday.

More Than 200 At Candidates' Ball

Ashland–More than 200 persons attended the Democratic Candidates' ball Saturday evening in the Caesar hall ballroom of the new Mark Antony motel here.

Heading the group of candidates attending the event were Congressman and Mrs. Charles O. Porter and State Senator Monroe Sweetland, candidate for secretary of state.

During the evening a tape-recorded talk from Sen. Wayne Morse was played.

First General Frost Reported in Area

First general frost in this area of southern Oregon was indicated by minimum temperatures recorded yesterday and today at the Medford station of the U.S. weather bureau.

The station at the city airport listed a 30 degree low this morning after a 32 yesterday.

Frost damage in some localities of the area had been reported around Sept. 21 when a 36 degree minimum was registered at the weather station.

UN RUSHES TROOPS

Leopoldville, The Congo – (UPI) – The United Nations command rushed Ethiopian troops by emergency airlift to the Kabalo region of Katanga Province today to put down rioting that has taken the lives of at least eight Europeans.

Gil McDougald's Error Paves Way For 5-2 Victory

New York–(UPI)–The Pittsburgh Pirates moved to within one victory of their first world championship since 1925 today when Gil McDougald's second-inning error paved the way for two unearned runs and a 5-2 triumph over the New York Yankees in the fifth game of the World Series. The Pirates now lead three games to two.

Harvey Haddix received credit for the victory but Elroy Face, brilliant relief hero of the Pirates, came out of the bull pen in the seventh inning to choke off a Yankee rally and then shut out New York in the eighth and ninth. Face has "saved" all three Pirates victories in the series.

McDougald's error was the key play of the second inning in which the Pirates routed Art Ditmar for the second time in the series and took a 3-0 lead.

McDougald Misses Throw from Kubek

Dick Stuart started the inning with a single to left field and was forced by Gino Cimoli. Smokey Burgess then rammed a double into the right field corner, sending Cimoli to third. Shortstop Tony Kubek fielded Don Hoak's routine grounder but McDougald missed his throw attempting to retire Burgess at third, Cimoli scoring, Burgess reaching third safely and Hoak going all the way to second base.

Bill Mazeroski's high-bounding double down the left field line scored Burgess and Hoak with a pair of unearned runs.

Dick Groat's double and Roberto Clement's single added the Pirate's fourth run off Luis Arroyo in the third inning before Bill Stafford, 22, a rookie Manager Casey Stengel considered starting in the vital game, came in to shut out Pittsburgh from that point through the seventh.

Maris Hits Homer for Yankees

The Pirates scored a final run in the ninth when Burgess singled, went to second when Bob Cerv fumbled the ball, moved to third on Ryne Duren's wild pitch and scored on Hoak's single up the middle.

Elston Howard doubled and came around on two infield outs for the Yankee's first run in the second inning and Roger Maris homered into the upper right field stands in the third for their second run.

Firm Burglarized For Second Time

Foss' Billiards, 415 East Main st., was burglarized early this morning for the second time in two months. The method used by the burglars was identical in both cases.

Daniell Marvin Wynn, one of two night watchmen sleeping in the establishment, told police he woke at 7 a.m., this morning and found the place had been broken into.

Police said a cigarette machine, juke box, and coin drawer had been forced open, but the amount of money taken could not yet be determined.

Entry was gained by breaking open a window on the north side of the building.

On Aug. 22, the establishment was also burglarized, and the point of entry and the procedure followed by the burglars was the same as in this morning's crime.

Some $20 was taken in the August burglary, which has not been solved.

Tuberculosis Hospital Chief Surgeon Fired

Salem–(UPI)–The chief surgeon at the Oregon State Tuberculosis hospital here, Dr. Marion L. Connerley, has been fired, hospital officials said today.

The dismissal was effective last week and was ordered on recommendation of the state board of control.

Dr. Connerley was arrested by State Police Oct. 1 and charged with failure to use a proper name in purchasing cough syrup which contained codeine, a narcotic.

Woman Reported in Critical Condition

Annie G. Paige, 87, Kentfield, Calif., injured in a car-trailer accident near Phoenix Friday, was reported in critical condition at Rogue Valley hospital at noon today.

She is suffering from a broken leg, multiple bruises and broken ribs. She was a passenger in the car driven by 83-year-old Mary Violet Thomas, also of Kentfield. Mrs. Thomas was killed in the accident.

Salem–(UPI)–Retired lumberman Paul Wentworth Morse, 66, died here Sunday.

Festival To Elect Directors at Meet

Ashland – Seven members to fill expired terms on the board of the Oregon Shakespearean Festival association will be elected at the annual meeting Oct. 12.
