Mitchell Opposes Any Reduction in 40-Hour Week

Washington—(UPI)—Secretary of Labor James P. Mitchell says he is opposed to any reduction in the standard 40-hour work week by federal legislation.

He said a change in the Fair Labor Standards Act to provide for a 35-hour week, as recommended by the AFL-CIO, would be impractical and damage the nation.

"I think that right now any statutory reduction of the work week in this country would be inimical to our best interests," he said.

Mitchell said his advisers foresee a generally strong economy in the forthcoming months and no recession.

"My own feeling is that business now is at a high level," he added.

Labor department figures show that unemployment fell in September from its level of 3,788,000 in August, the Secretary said.

At Record Level

"They indicate that employment is at a record level for any September. People are employed at record high wages for September," he said.

But he conceded that "unemployment is higher than he would like to see it."

Mitchell accused the Democrats of "political demagoguery" for advocating creation of a federal employment practices commission in their

John Day Girl Miss Oregon Rodeo

Pendleton—(UPI)—Martha Boyer, 19, John Day, was chosen as Miss Oregon Rodeo of 1960 here Tuesday.

Miss Boyer, the daughter of Don Boyer, and the 1960 queen of the Pendleton Roundup, was picked from among queens of rodeos throughout Oregon.

She will represent the state at the national rodeo queen competition Nov. 25 at Las Vegas, Nev.

Miss Boyer is a sophomore at Willamette university in Salem.

Vickie Pearson, last year's Oregon winner, was picked as the 1959 national winner. Miss Pearson was also queen of the Pendleton Roundup.

Finch-Tregoff Trial Recessed

Los Angeles—(UPI)—The second murder trial of Dr. R. Bernard Finch and Carole Tregoff took a one-day breather today in memory of Christopher Columbus.

Defense attorney Grant Cooper, in the fifth day of his final argument Tuesday, told the jury that if Finch struck his wife on the head with a revolver after he shot her in the back he "certainly should be convicted" of murder.

The veteran attorney's summation, expected to end shortly after trial resumes Thursday, will be followed by Co-prosecutor Clifford Crail's two or three-day final argument.

The trial will go to the jury next week, the defense asking for acquittal and the state demanding the gas chamber.

"I presume," Cooper said, "there were more bullets in the gun and that the simplest way—if he wanted to make sure she was dead—would be to put a bullet in her brain."

The defense holds Finch accidentally triggered the shot that killed Mrs. Barbara Jean Finch July 18, 1959.

Nickel, in various proportions, is used in more than 1,000 different metal alloys now being manufactured.

Sprague Urges Welfare Balance

Pogland—(UPI)—Ex-Gov. Charles A. Sprague said Tuesday night Americans should seek a balance between their responsibilities as an "individual" and responsibilities as a "state."

He said this country could find a balance between the individual and the state by solving unemployment problems, giving more attention to counseling on family problems, and helping those who cannot keep pace with a fast-paced industrial society.

"We in America are embarking on a new course known as 'Man and the State,' where we are trying to maintain a system of incentives and rewards," Sprague said.

You can't become bitter, either."

school office.
These cars must remain in the parking lot during the day, unless the student has special permission from the school to drive during the lunch period. If a car is used during the lunch period, the driver must be the sole occupant.

If any car is parked in the parking lot and is not registered, the school will find the owner and either have him register or cancel his driving to school and his use of the parking lot.

If the rules for student driving are not observed, the school must restrict student driving and use of the parking lot.

National Junior Honor Society of Hedrick on Oct. 10, preparation for initiation of new members will take place. To be eligible, students must be in the eighth or ninth grade, have a grade point average of 3.5 and must be highly recommended in the areas of citizenship, leadership, service, and character.

Approximately 22 members have been selected and will be initiated at a special meeting to be held at a later date. Parents will be invited.

The preliminary scholastic aptitude test will be given Saturday to interested seniors and juniors. This test will enable the student to pinpoint his weaknesses in preparation for either the college board exams or the National Merit Scholarship tests which are given later in the year.

The PSAT will test the student in the fields of English, math, science, and word understanding. A fee of 50 cents will be charged for the test.

Cortez Peters, the world's fastest typist, demonstrated his skill at a special assembly last Wednesday. Peters began typing at the age of 13, and won the amateur championship at the age of 18. He has been typing professionally for 35 years, but has not entered into competition since 1946. Peters has also appeared on television, radio and in some movies.

The remedial English test was given to all college prep seniors at MHS recently. Of the 302 students taking the test only 42 passed with the required grade.

Those not passing are required to take remedial English which is the same English fundamentals previously taught to college students.

Nominations for candidates for class officers were held Friday, Oct. 7, in homerooms. This year requirements were changed and candidates must have a grade average of 2.5 and be approved by the faculty.

Candidates campaigned Monday and Tuesday this week and primary elections will be held today.

In charge of ninth grade elections is Jerome McDougall; eighth grade elections, Raymond Graves, seventh grade elections, Robert Hanson.

MHS's library has undergone some changes since last year. As a benefit for the students, it is now open from 7:30 a.m. to 5 p.m. on school days.

Fifteen student assistants are now working in the library. This is twice as many as were used last year. Formerly, the librarians prepared the bulletin boards, but this responsibility is now held by the student assistants.

This Friday five student librarians will attend a student librarians' workshop in Roseburg. Guest speaker will be Gladys Workman, author of "Only When I Laugh," and special guest will be Phyllis Hockstetter, supervisor of librarians, state department of education. Student librarians selected to attend the workshop are Joan Kibler, Frances Bessonneffe, Helen Christen, Mary Brown, and Barbara Nichols. Assistant librarian Cynthia McKay will accompany them.

The first meeting of this year's inter-club council was held last Monday. The inter-club council is composed of all the presidents of the organizations and clubs at MHS. It is headed by the ASB vice president, Bob Quinney. Its purpose is to unite the clubs of the school and to promote school activities.

At the meeting preparations for Tornadia week were discussed. It was also decided that a student workshop would be held in the near future for club officers and other interested parties. This workshop will acquaint the student with various methods of running an organization smoothly and efficiently.

"The Grand Ole Opry" was presented at Hedrick Junior High yesterday. It also will be staged today. Matinees both days will be at 4 p.m. and evening shows will be at 8 p.m.

Featured performers will be Hank Snow, Norma Jean, the Rainbow Ranch Boys, Alec Houston and Elmer, George Hamilton, and Carl Perkins and his band.

Sponsor for the performance will be the Jackson County Shrine club. Proceeds will go to support the philanthropic work of the organization.

This workshop will acquaint the student with various methods of running an organization smoothly and efficiently.

"Teahouse of the August Moon" by John Patrick will be presented by the Thespian's Troupe 358 of MHS, on Dec. 1, 2, 3. It will be directed by Lenore Zapell, advisor of the year-old drama group.

The cast includes Jim Douglas in the role of Sakini; Bob Betts as Sergeant Gregovich; Terry Wiek as Captain Fishy; Dean Hiser as Colonel Purdy; Lindo Jo Waltermire as Lotus Blossom; Linda Samuelson as Miss Higa Jiga; and Wally Huffman as Captain McLean.

Supporting roles are held by Margie Childers, Beverly Gebhard, Eugenie Vermuelen, Lindsay Darnault, Bill Decker, Jack Dornelt, Bob Rutter, Mike Gannon, Mike Higgins, Phil Baird, Mark Goodman, Annette Black, Pat Cranston, Sherry Smets, Diane Lewis and Sara Hinkle.

Rehearsals have started.

Hedrick 9th grade football team was victorious once again by a rolling score of 25 to 0 over Klamath Falls. Hedrick 8th Hornets lost to South Grants Pass by the score of 20 to 12. The 7th grader Blue team tied McLaughlin Blacks 6 to 6 but the Hedrick Reds lost to McLaughlin Whites 13 to 0.

With a membership of seven at the present time, Hedrick's Five, the ninth grade boys service organization, is accepting applications from prospective members. Boys who are interested should contact Ray Graves, advisor. A meeting was held last week presided over by Jim Casterline.

A constant problem at MHS is student parking. This year, all students wishing to drive cars to school and use the school parking lot must first register their cars at the

Hedrick Junior High
Edited by Sarah Madden, Steve Root, Ricky Hessel, and Pamela Neff.

Because of construction on Hedrick's new wing, students are often finding they must make detours around certain parts of the building. Plans call for the completion date near Nov. 1.

Concrete was being poured last week and the patio in the court formed by the new wing is now taking shape.

Two of the new rooms will be for vocal music while the other four as yet have no definite assignments. In addition to the six rooms there will be a locker room and a rest room.

Oct. 8 was election day for student-body officers at Hedrick Junior High.

Elected were Steve Blackhurst, president; Sandra Irving, vice president; Phil Frohnmayer, secretary; John Casterline, treasurer; Jim Casterline, sergeant-at-arms; and Dick Thieroff, historian.

Also elected were Jocelyn Six, yell queen, and Beverly Bush, Diane Medcalf, Ann Parsons, and Pam Trowbridge, yell leaders.

At the first meeting of the

Wall Street Chatter
New York—(UPI)—The Fitch Survey reports that the market's recent action, coupled with the price adjustment already having occurred, suggests that the list is near an area from which a sustained recovery could ultimately be mounted.

It says the list could temporarily move into lower ground but that an extensive further correction does not appear to be in the cards at this juncture.

Thomson & McKinnon says that companies likely to benefit the most in the event of a major market comeback include: Kimberly-Clark, Cities Service, Canco Instruments, American Photocopy, Diamond Alkali, Brunswick Corp., Clevite and Universal match.

Standard & Poor's says that eight stocks which have been "standout market performers" and have enjoyed "strong buying support" include Brunswick, International Telephone, Litter, Mergenthaler, National Biscuit, Phillips Petroleum, Richfield Oil and James Talcott.
