The Medical Roundup

Child Who is Going to Have Tonsils Out. It is probably well for the mother to explain to the child simply and unemotionally and without worry or alarm that he is going to a hospital where he will have his tonsils removed.

What a Mascot! 7016. Get busy sewing this sailor doll—he'll be a grand gift for big girls, for little ones. You'll enjoy sewing this sailor - everyone who sees him will want to own this fine mascot.

by Alice Brooks

Quite a few puzzled people write to find out what is a collagen disease, what should be done about it, and can they ever be completely cured of it. In the collagen disease something seems to have gone wrong with the chemistry of the tough, so-called connective tissues in the body; connective tissues like the gristle in a piece of meat, or the fibrous tissue between two bundles of muscles in meat.
