Campaign Quotes

By United Press International Nov. 8, the American people will say 'no' to Mr. Nixon. "The Democratic party has sown the seeds of accomplishment. And on Nov. 8, we shall reap a great harvest of victory..." "Any resemblance between Mr. Nixon's promises for the future and his performance in the past is purely coincidental." "In a statement replying to Nixon's suggestion that fifth TV debate be restricted to the Cuba issue: 'I plan to enter the fifth debate prepared to answer any questions the panel may ask me. I hope he (Nixon) will be prepared to do the same thing.'" "In Rockford, Ill., speech: 'The GOP has attempted to wreck Social Security. And it can count on Richard Nixon to lead its wrecking crew...' "I proposed immediate action to... make available a medical insurance program based on the proven Social Security system... increase Social Security benefit payments to keep pace with the rising cost of living... improve employment opportunities for older workers... and the Social Security act to encourage... those older people who are able and willing to work... expand and accelerate the program to provide low-cost housing for the aged."
