

**BUSY GIRL**—Among the busiest girls in Chicago is Pat McAdams of Timmins, Ont., shown as she proves her point. Miss McAdams by day is a ticket agent in the United Air Lines office, left, and by night is an ice skater in Persian Paradise Ice Show. Her work at UAL ends at 7:30 p.m. daily, while her skating job begins at 8 p.m., making for a hectic life. (UPI Telephoto)

**PROVED IN THE ANTARCTIC DURING U.S. NAVY "OPERATION DEEP-FREEZE"**  
The only watch that withstood its complete dependability and accuracy during months of grueling tests. It was frozen, it was melted, it was shocked, it was dropped, hit and treated as you'd expect it to be in temperatures from 100 above to 40 below, and it never lost a second. This watch is waterproof, shock-resistant, anti-magnetic, with a guaranteed unbreakable mainspring and balance staff. That's why Croton can guarantee it unconditionally for three years. And, remember, you never have to wind the Antarctic!

Every part of this watch was selected, assembled, regulated and checked under one roof by experienced craftsmen. Highest quality is guaranteed by controlling the production and distribution of the watch-making techniques in the industry. It is further guaranteed by the fact of mechanical defects and to have been inspected, tested and found to be in perfect working order before it left the factory. It is guaranteed for a three-year period from the date of purchase. With proper care your Antarctic Watch will serve you faithfully for many years.

\*If within 3 years the Antarctic fails to perform through any mechanical defect (excluding abuse), we will repair it free of charge.
