"THE MARKET that . . . WORKS for YOU"

Over the years, we have worked hard to improve the market. By adding to and improving our facilities, by increased advertising of your stock, by constant contact with other markets and by honest, hard-selling in the ring.

We have proved time after time that the special feeder sales will bring more money for your stock.

SO NOW

We earnestly ask your support of our next feeder sale Nov. 15.

We had buyers to spare at our last sale but to get them back, we must have lots more cattle.

List your consignments with us as soon as possible, so we can do a better job of advertising.

The market is improving rapidly now and should be at its peak by Nov. 15.
