**the
handbook
that cuts
through the
confusion about
co-existence and gives the
idea that answers Communism
and cures the causes of it**

WHAT IS IT?

A weapon that lays bare the Communist plan for world takeover and shows how every man can arm himself with the superior ideology.

83 MILLION HOMES RECEIVED IT

In 25 languages on 5 continents—the homes of Britain, France, W. Germany, Switzerland, Holland, Scandinavia, Canada, South Africa.

THE HANDBOOK MOSCOW ATTACKS

"That it packs a telling blow is evident from the pamphlet's denunciation by Moscow's tentacled propaganda network. Presenting a positive program to put the free world on the offensive in the war of ideas, the handbook is recommended reading for Americans, particularly against the backdrop of U. N. fireworks and the presidential campaign."
