

Four Girls Hurt In Accident in City Monday

Four 16-year-old Medford girls sustained injuries in a two-car traffic accident at 9:50 p.m. Monday. Three of the girls were said to be in good condition at Rogue Valley hospital. A fourth girl was treated at the hospital and released.

In the hospital yesterday were the driver of one of the cars, Bonnie Chaney, 2335 Hillsdale dr., and two passengers in the Chaney vehicle, Cheryl Diane Potuck, 1048 West 12th st., and Jill Barnes, also of 1048 West 12th st.

Released from the hospital was Loretta Kay Turman, 2210 Hillcrest rd. She was also a passenger in the Chaney vehicle.

Medford police said the accident apparently occurred when Miss Chaney attempted to make a left turn from Main st. to Ashland st., but turned in front of another car operated by Elmo La Rue Smith, 409 Summit st., and the two cars collided. Smith was apparently not injured. No citations were issued.

At the scene of the accident, police arrested Fred Nichols McPherson, 50, of 217 South Barnburg rd., on a charge of driving under the influence of intoxicating beverages.

A vehicle operated by McPherson struck a parked patrol car that was helping to route traffic around the accident according to city police.

Police said damage to both vehicles was minor. McPherson entered a plea of innocent to the charge in district court Tuesday morning, according to police.

Court Decision in Killing Contested

Portland — (UPI) — District Attorney Charles E. Raymond has contested a State Supreme court decision reversing a second degree murder conviction of Lee Parker, 34, Portland.

Raymond filed a petition for rehearing and a brief in the case. The State Supreme court reversed the 1958 conviction of Parker in October.

Parker was convicted of second degree murder and Harold Keith, 47, Portland, was found guilty of manslaughter in connection with the death of Robert Holloway, 46, Portland.

The body of Holloway was found in a well near Vernonia. Raymond's petition said the Supreme court was in error in failing to consider evidence of conspiracy between Keith and Parker as sufficient.

Buses To Run to Portland Coliseum

Portland — (UPI) — A system of shuttle buses from downtown Portland and from the Lloyd Center will be in operation when the Memorial Coliseum opens here Thursday night.

Chairman Gale Livingston of the Exposition-Recreation commission said the system would be used whenever there were large attendance shows at the new structure on the east side of the Willamette river. Otherwise, he said, the building's 2,000-car parking lot is expected to take care of 90 per cent of the events.

Youth Burned by Sulphuric Acid

Ashland — James Doster, 17, of Ashland, acquired great respect for sulphuric acid Monday night. Doster received minor burns when a bottle of the acid stored on the rear window ledge of a car in which he was a passenger spilled, splashing acid on his back. He was reported in good condition following treatment by an Ashland physician.
