We Agree With "E.A."
The Medford Mail Tribune Says of Duncan in an Editorial Oct. 27, 1960

Jackson county has two seats in the house of representatives of the Oregon legislature. There are four candidates for the two seats, two Republicans and two Democrats.

Of the four, Bob Duncan, a Democrat, now completing his second term, is without question the ablest, most widely experienced and broadly qualified.

Duncan was elected speaker of the house in his second term of office, an unprecedented honor and indication of respect from his house colleagues. If he is reelected, there is a good chance he would again become speaker.

On the last night of the last session of the legislature, the leaders of both party organizations in the house arose to give him unexpected, but heart-felt, praise for a job well and impartially done.

As a veteran of the important ways and means committee, and as speaker of the house, Duncan has had experience in state government which seldom comes to one under 40. He is in a unique position to give valuable service to Jackson county and the state.
