NCAA Approval Is Given To 11 Bowls

New York—The NCAA today certified 11 post-season football games to wind up the 1960 college gridiron season.

The only newcomer to the list is the Gotham Football Hall of Fame bowl game in New York, Dec. 10, according to an announcement released by the NCAA service bureau.

Fifteen games were certified last year—the greatest number since the immediate post-war period—but only 12 of these were played.

Prior to the enactment of legislation at the NCAA convention in 1951, which provided regulations governing such competition, as many as 31 different post-season games were played annually.

In addition to the Gotham Bowl game, six others will be played during December this year. The traditional New Year's Day games will be played on Monday, Jan. 2, because the holiday falls on Sunday in 1961.

List of Games

Here is a list of the NCAA approved bowl games:

- Dec. 10—Gotham Bowl at New York.
- Dec. 17—Liberty Bowl at Philadelphia.
- Dec. 17—Bluebonnet Bowl at Houston, Tex.
- Dec. 30—Tangerine Bowl at Jacksonville, Fla.
- Dec. 31—Gator Bowl at Jacksonville, Fla.
- Dec. 31—Prairie Bowl at Prairie View, Tex.
- Dec. 31—Sun Bowl at El Paso, Tex.
- Jan. 2—Rose Bowl at Pasadena, Calif.
- Jan. 2—Sugar Bowl at New Orleans.
- Jan. 2—Orange Bowl at Miami.
- Jan. 2—Cotton Bowl at Dallas.

Here is an impressive fact about the Medford High school Black Tornado football machine:

Its total touchdowns for the season equal the number of points opponents have scored. The Tornado has piled 63 TDs. Its rivals have managed 63 points.

Medford's total scoring for the season is 424 markers and includes 44 extra points and one safety.

They play too smart. And they love to score.

"We have often said that a top-notch ball club can make another good team look bad. Actually the Cavemen have played better ball on occasions but they cannot be accused of giving up without a struggle. One fan put it quite aptly when he said really the only thing that looked bad was the score.

"We figure that was bad enough. But, we felt it was a matter of the Medford team delivering its very best rather than a poor showing on the part of the losers."

He also stated:

"It was a case of a dream ball club that took advantage of every mistake made by a good team and then added some terrific plays of their own."

HUMPHREYS SCORES 17

In individual scoring Phil Humphreys has 17 touchdowns, Dan Sieg 14, Mike Hood 13, Boby Quinney six, Kent Blew and Jim Barry each three, Mike McCullough two and Stan Smith, Dick Ragsdale, Jack Lowery, George Clearwater and Larry Hammack each one.

Dan Miles has compiled 35 points on conversions—34 kicks and a run. Bill Heyerman has kicked seven bonuses and Quinney has scored two on passes from Miles.

MEDFORD OUTGAINS

Scrimmage yardage figures, unofficial and compiled from a variety of sources, show Medford has outgained its rival 3,603 yards to 1,986. The Black Tornado has gained 2,618 yards on the ground and 973 through the air. Corresponding totals for adversaries are 1,214 and 772.

FIRST SINCE 1951

When the football team of South Eugene (formerly just Eugene) high comes here Friday night to meet Medford in the state A-1 quarterfinals, it will be, to our recollection, the first time since 1951 that the Axemen and the Black Tornado have met on the gridiron. Medford took that last tussle 34 to 6.

The Axemen will come to Medford with an 8-1 record. Their only loss was 21 to 7 to Marshfield, which Medford defeated 34 to 0. South Eugene victories have been 32 to 6 over Sweet Home, 32 to 7 over Willamette, 40 to 7 over Cottage Grove, 27 to 26 over North Salem, 20 to 0 over Springfield, 20 to 0 over North Bend, 26 to 13 over Roseburg and 20 to 13 over North Eugene.

PLAYOFF PLAN SHOWN

Winner of the Medford-South Eugene game will go into state semifinals against the victor of the Jefferson-David Douglas. Victor of the Jesuit-Newberg fray will oppose the Bend-North Salem winner on Nov. 18 or 19. The finalist in the bottom bracket among Jesuit, Newberg, Bend and North Salem will have a good incentive in the championship game since that bracket is being given general designation this season as the "weak" one.

A-2 ADVANCEMENT

In the A-2 action the Seaside-Willamina winner will advance against the Newport-Myrtle Point victor and the St. Francis-Phoenix survivor will oppose the McLoughlin high-Central winner.

NOT THE BIGGEST

The 52 to 6 count was not the biggest margin by which Medford high has defeated Grants Pass in football. Tornado gridders won 80 to 6 in 1922, 73 to 0 in 1945 and 56 to 0 in 1946. An 80 is not a Medford high for a football game. In 1925 the Tornado beat Roseburg 102 to 0 and in 1927 it beat Klamath Falls 94 to 0.

HARD TO BELIEVE

Said Jerry Acklin, sports editor of the Grants Pass-Courier, in his post mortem of Friday's Medford-Grants high football game:

"It is hard to believe that anyone would ever think that this year's Medford Black Tornado isn't as good as last year's ball club. By this time, even Coach Fred Spiegelberg should be ready to concede that it is better balanced and a stronger club than any of the ball-clubs in recent years.

"It isn't anything to discredit the Grants Pass Cavemen in losing to such a powerful club which should have little trouble (Editor's note—We hope he's right) in going all the way to a second straight state championship.

"The Cavemen gave the Tornado a few bad minutes and forced the big wind to extend itself in gathering momentum during the first half. A couple bubbles helped the visitors to boost their score, but there is no question but what the outcome would have been had the Cavemen avoided any fumbles or pass interceptions."

CAN MAKE MISTAKES

Continues Acklin:

"It seems to be the consensus of opinion of several close followers of the Cavemen club that no team can afford to make any mistake in playing with the Tornado.

By United Press International
New York — (UPI) — Minnesota, conqueror of Iowa, picked election day today to roll up the greatest landslide in the history of the weekly major college football ratings by United Press International — taking over first place with a near-perfect 347 points.

That point total, in voting by the 35 members of the UPI board of coaches, was the highest ever recorded in the 11 seasons that the ratings have been issued.

The previous record of 346 points was set by Oklahoma in the final week's ratings for the 1950 season. Since that

time, the highest point total had been 345 by Notre Dame midway in the 1953 season. Minnesota set the new mark by receiving 32 first-place votes and three second-place votes.

Gopher Tribute

The rating was, of course, a tribute to Minnesota's 27-10 conquest of Iowa at Minneapolis last Saturday. The game was history's first meeting between teams rated at that time No. 1 and No. 2 in the nation.

Iowa, which had been first last week with 343 points, tumbled all the way to sixth place this week with 194.

Minnesota now boasts a 7-0 record in a stunning turnaround from last year's 2-7 mark when Gopher students were hanging coach Murray Warmath in effigy. Still between the Gophers and a perfect season are a home game against Purdue this week and a road game against Wisconsin on Nov. 19.

The No. 3 spot in the ratings was thrown open when Duke upset third-ranked Navy, 19-10, Missouri, wallowing Colorado, 16-6, in a long stride toward the Orange Bowl, moved up from fourth to take No. 2 while Ohio State came up from fifth to take

third with its 36-7 rout of Indiana.

Huskies Fifth

Mississippi came up from sixth to take No. 4 and Washington moved up two notches to fifth. After Iowa in sixth, Arkansas vaulted from 13th to seventh and Duke came from 12th to eighth. Navy dropped down to No. 9 and Pittsburgh, 20-13 winner over Notre Dame, vaulted from 20th to 10th.

Winner of Grid Honor

San Francisco—(UPI)—Despite the battering which Stanford's winless legions have absorbed so far this year, they always can count on Jack Butler to move in and try to shove the enemy in the other direction.

Butler, a 204 pound junior from Houston, Tex., earned the United Press International's lineman of the week award last Saturday with a stirring display of defense against powerful Oregon.

Working as a middle line-backer, he was rated in some quarters as the best lineman on the field as he rushed to numerous trouble spots and tried to contain the Duck's rapid advance. Late in the game, which Oregon won 27-6, he had to leave with a bad shoulder.

"He played a fine game and deserves recognition," coach Jack Curtice said afterward. "He calls our defensive signals and has been a real good boy. Yet we didn't quite know where we would play him before the season opened."

Butler also had good afternoon against Wisconsin and Washington State, Curtice said.

Jack, a junior, entered Stanford as a back but went into the line after a rash of injuries hit the club. He didn't see any varsity action until after the first six games of last season. Now Curtice is more than pleased to have him around.

Bill Kilmer, UCLA's triple threat, won the UPI's Back of the Week award off his great showing Saturday as the Bruins were defeating the Bears, 28-0. During the game, Kilmer scored twice, rolled up 225 yards running and passing and got off three quick kicks which averaged better than 51 yards.

Elk Hunters Blasted by Game Officers

Portland — (UPI) — Oregon State Game officials today deplored the conduct of elk hunters in the north coast area since the season began.

Game management officials said 20 arrests were made by state police in the Clatsop and Willson units opening week end. Elk hunters left a known 47 dead animals behind and an unknown number of wounded.

Dave Luman, head of the big game program, said hunters apparently went berserk at the sight of herds and kept on shooting until guns were empty or the herds vanished out of sight.

In the Clatsop area, 27 known illegal kills were made, about two thirds of which were spike bulls. Two five-point bulls were found untagged.

Game officials found 15 wasted animals in the Willson area in addition to three animals seized from hunters exceeding the bag limit.

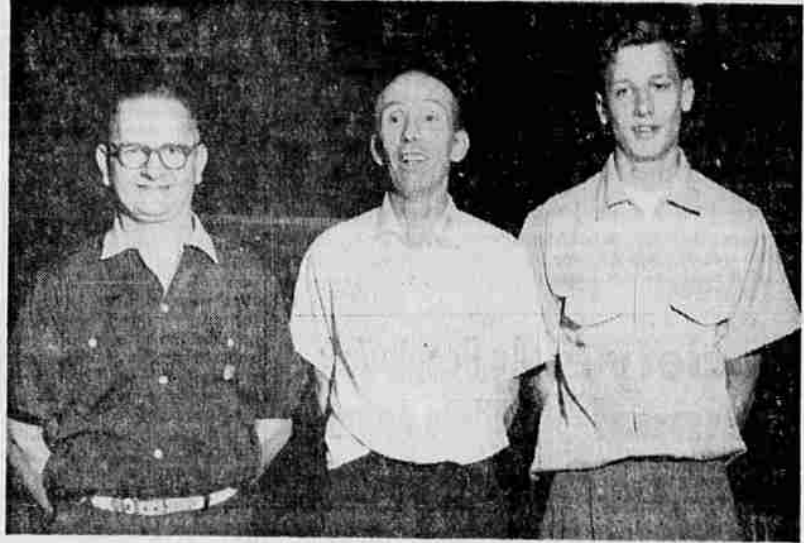

Willamette Moves Nearer To Playoff

Salem — (UPI) — Willamette University moved a step nearer an NAIA football playoff invitation Monday when school athletic officials received a "feeler" letter.

NAIA officials asked Willamette to mail brochures of the team and coaches and other data.

Willamette is undefeated in seven games this season and in the last NAIA poll was ranked 8th in the nation.

New York — (UPI) — Billy Hunter has been signed to meet Mike De John in a heavy-weight boxing match at Madison Square Garden Nov. 26.

TOPS IN TOURNAMENT—Mel Tonkinson, Portland, center, was the champion in the Oregon Match Game Bowling tournament completed at Medford lanes Sunday evening. Tonkinson wound up with 149.04 Petersen points in a 32-game finale held over Saturday and Sunday. Left is Toye Lindblad, Vancouver, Wash., who took second with 145.37 points. Don Lebold, Salem, right, won the third place playoff from Frisco Burnett, Portland, center, after each had compiled 145.11 points. The top three kglers qualified for the national tournament in January. Oregon Bowling Proprietors association conducted the state tourney. —(Brainerd photo)

STILL WANT TO BE COACH?

Washington — (UPI) — So you'd like to be a pro football coach?

Put yourself in the shoes of Mike Nixon of the Washington Redskins. All week long he kept warning his punt return team that kicker Jerry Norton of the St. Louis Cardinals will run from punt formation if he sees a chance.

On Sunday, linebacker Roy Wilkins, playing defensive end on punt returns, took his stance considerably inside the Cardinals' end the first time St. Louis punted. He charged in to block the kick but Norton got it away.

When Wilkins returned to the bench, Nixon warned him again.

"Stay to the outside or he'll dip around you," Mike cautioned. "If that end blocks you in, you're dead."

Wilkins nodded. Seven plays later the Cardinals went back in punt formation, fourth and 17. Wilkins charged straight in for Norton. The Cardinal end side-swiped him. Norton took off for 26 yards and a key first down. The Redskins wilted

Tops Big Five Total Offense

San Francisco—(UPI)—Bill Kilmer, UCLA's talent tailback, pushed far ahead of the pack in the race for total offense honors in the Big Five during the past week, according to statistics released today.

Picking up 109 yards rushing and 116 passing, Kilmer boasted a grand total of 1148 yards—while playing in only six games. Closest to him in total offense was Dick Norman of Stanford, with 734 in eight games.

Washington, the Rose Bowl favorite, had the top two spots in rushing with Charlie Mitchell, 414 yards, and Ray Jackson, 400. Norman led in passing with 793 yards; Skip Face and Mac Wylie, Norman's main targets at Stanford, were the top receivers. Face has caught 21 passes for 172 yards, while Wylie, snagging 20, has 303 yards.

Kilmer, getting off three tremendous boots against California on Saturday, tops the kicking averages with a 42.5 yards-per-attempt average.

George Fleming of Washington leads the scoring with four touchdowns, 20 kicking conversions and four field goals for a total of 56 points.

Gator Bowl Is Eyeing Gators

Jacksonville, Fla. — (UPI) — The University of Florida is the leading contender to play in the annual Gator Bowl game Dec. 31.

John Piombo, chairman of the selection committee, said the Florida Gators were a unanimous choice for host team at a committee meeting Sunday.

Florida almost clinched a Gator Bowl bid Saturday with a 22-14 win over the Georgia Bulldogs.

Piombo said Pittsburgh and Texas also were leading candidates to play in the 16th annual post-season classic.

Other Gator Bowl prospects include Oregon, Alabama, Tennessee, Mississippi, Georgia Tech, Rice, Arkansas, Navy, Duke and North Carolina State.

Portland — (UPI) — Lewis and Clark's football team leaves here tonight for Hawaii where the Pioneers meet the University of Hawaii Friday night. Lewis and Clark is 5-3 for the season. Hawaii is 1-5.

Three Canadians Lead NHL Scoring

Montreal — (UPI) — The Montreal Canadiens' triumvirate of Bernie (Boom-Boom) Geoffrion, Dickie Moore and Jean Beliveau today ranked 1-2-3 in the National Hockey League scoring race with 23, 22 and 21 points, respectively.

For the first time this year, goalie Glenn Hall of Chicago slipped out of the lead as the NHL's stingiest netminder. Beaten 12 times in three games, he now has a goals-per-game average of 2.78. Toronto's Johnny Bower took over the lead with a 2.57 mark and Detroit's team of Terry Sawchuck and Hank Bassen is next with 2.69.

Utah State Fielding Powerhouse

San Francisco—(UPI)—Utah State, the new athletic powerhouse of the Rocky Mountain region, tastes the salt air of the Pacific this Friday and if the advance man is honest, it's going to be a long night for College of Pacific.

The Aggies, riding a win streak of five major unbeaten teams in the country, have got everything, says quick-witted young Karl Klages, the school's tub-thumper.

Fast Feller

Talking about Tommy Larscheid, the swiftly halfback who has gained 837 yards in 98 carries for an average of 8.5 yards per carry:

"He's the type of fellow who goes in a revolving door behind you and comes out ahead."

About the morale of the team:

"For College of Pacific it will be as 'up' as a hoop skirt in a hurricane."

About the fact that the Utah State traveling squad has 30 members from California:

"The state of California ought to thank us. The way we are recruiting players from California we've saved you taxpayers from building another four-year school."

About the two star tackles on the team:

"They're just a pair of growing boys. Merlin Olsen stands 6-5 and weighs 265. Clark Miller stands 6-5 and weighs 245. But they'll be bigger next year. They are 'only juniors.'"

Familiar Names

Playing quarterback for the Utah State team is Dolph Camilli. And if that name rings a bell, you're right: He's the son of the old-time Brooklyn Dodger first baseman and home run slugger.

Two other names rang a bell to followers of University of California football when the roster was unveiled here for the COP game.

Doug Mayberry, a fullback, and Ernie Reese, a halfback, were on the University of California freshman team three years ago. How did they get to Utah State?

"Easy," Klages answers. "When they were freshmen at Cal, our head coach, John Ralston, was freshman coach at California. They just followed him over here."

MOORE GETS OFFER

London—(UPI)—Archie Moore is being offered \$112,000, in addition to a share of radio, television and film receipts, to defend his light heavyweight boxing title (New York and Florida) against British and Empire champion Chic Calderwood of Scotland in London next May.

Myrtle Point Grabs Lead in A-2 Rating

Portland—(UPI)—Medford continued to roll along in first place in the weekly Journal coaches' poll among Oregon's A-1 high school teams but the class A-2 ranks had a new leader, Myrtle Point.

Medford again got all eight first place votes for 80 points. Jefferson of Portland is second with South Eugene third, David Douglas fourth and North Salem fifth.
