Quality Used Cars

There is no better buy for a motorist than a fine car that has been carefully driven by its previous owner. For while the cost to the second owner is greatly reduced, his pleasure in owning a quality motor car can be equally rewarding. — We have many such cars — most of which have been accepted in trade on 1961 Cadillacs and the wonderful new 1961 Buick. — All have been carefully inspected . . . and have received our quality seal of approval. They are priced at remarkably low prices, and easy terms may be arranged to suit your budget. If you are in the market for a used car, it will pay you to see our selection . . . soon!!!
