

League of Oregon Cities Told of Expected Growth

Salem (UPI) - The dean of educational relations of the university of California told the opening general session of the League of Oregon Cities Monday that growth in Oregon and the west will be spectacular in the 1960s and cities must do considerable planning to meet this challenge.

Dr. Frank L. Kidner of Berkeley said he expects ups and downs in the national economy during this decade but predicted it will be free of major depressions.

30-Hour Work Week

In 30 years, he said, the 30-hour work week will be as common as the 40-hour week today and this will bring up problems of leisure time which cities must also face.

About 600 attended the opening session at the Marion Motor Hotel. Convention officials expect as many as 900 city officials and their guests before the convention ends.

Presiding over the general session was League President John W. Snider, Medford mayor. Salem Mayor Russell Bonesteel gave a welcoming address.

Hatfield Seeks Scholarship Money

Salem - (UPI) - Gov. Mark Hatfield's office said Monday the governor is including in his 1961-63 budget \$75,000 for the first biennium for an expanded state scholarship program.

The new scholarships would be available for graduates of Oregon high schools in any accredited public or private college in Oregon. A ward would be based on need and competition.

Each scholarship would be worth up to \$500 and could be renewed for four years. They would be awarded by the state scholarship commission.

The \$75,000 would provide at least 50 scholarships the first year and 100 the second year. Hatfield's office said. The full program would include 200 scholarships.

The largest fresh water area in any Canadian province is Quebec's 71,000 square miles in lakes and streams.

Styler-to-Slim

A pretty bow-effect neckline tops a slenderizing neck-line, and makes everyday dressing a pleasure. Choose brisk, bright checks or print. Swift Sewing!

Printed Pattern 9198: Half Sizes 14½, 16½, 18½, 20½, 22½, 24½. Size 16½ requires 4½ yards 35-inch fabric.
