One Person Injured In Highway 62 Crash

Ralph Jabez McPherson, 56, of route 2, box 215, Medford, was reported in poor condition at Rogue Valley hospital Friday from injuries received Thursday evening in an automobile accident.

According to state police, McPherson was the driver of a vehicle which drove onto Highway 62 at Four Corners into the path of a car operated by Richard James Collman, 17, of route 1, box 30, Talent.

The McPherson vehicle was hit broadside by the Collman car, police said, throwing McPherson out of his car. He was taken to the hospital by Medford Ambulance suffering from neck and chest injuries, police said.

Witnesses told state police that the McPherson pickup only had parking lights on

when the vehicle moved onto the highway.

Two cars were extensively damaged Thursday morning when one skidded into the other on Highway 99 about one mile south of Savage Rapids dam.

According to state police, a station wagon operated by Leonis Mae Hegan, 47, Huntington Park, Calif., attempted to pass a vehicle driven by Joseph Anthony Schuler, 43, Eugene, when the Hegan car skidded into it.

Police said that both vehicles and the trailer that the Schuler car was pulling skidded off the highway, across a private driveway, hit a tree, knocked down two fences, and jumped a ditch before stopping in a field. No injuries were reported.

State police are still investigating both accidents.
