

Butte Falls PTA Meets November 14

Butte Falls - The Butte Falls PTA held its November meeting Monday evening, Nov. 14 at the high school.

The program for the evening was divided into two parts. The first portion was several numbers presented by the Butte Falls school band, under the direction of Dean Boggan.

During a short business meeting the association voted to pay for badly needed bicycle stands at the grade school. These bicycle stands have long been needed as a safety measure and will be built by the junior shop boys under the direction of Michael Estes, shop instructor.

The latter part of the program was an impromptu skit presented in the interest of National Parent-Teacher magazine. The skit, "The Case of the Missing Subscriber" was done on the "Dragnet" theme with music to match. Actors and actresses included Richard Pepple, Michael Estes, Mrs. Wm. Edmondson, Mrs. Howard Simmonds, and Mrs. Dean Boggan. Piano accompanist was Mrs. Leth Meadows and announcer, Mrs. William Harris.

The Butte Falls PTA now has 57 members as the result of a hard working membership committee with Mrs. Harry Dalton as chairman. Mr. and Mrs. Andy Hamstra, co-chairmen of the magazine committee, have sold 25 subscriptions.

Refreshments for the evening were done on the United Nations theme. Members and guests were served a complete dinner of international dishes. The bread for the meal was American; the soup was a recipe from Iceland; the main course was made up of dishes from Uruguay, France and Guatemala; and a Danish dessert was served with coffee to complete the meal.

The tables were decorated with United Nations place mats and napkins made in Denmark. United Nations flags were also on display. These napkins, place mats and flags were obtained from the United Nations Committee for the United Nations, a non-profit educational organization in Washington, D.C.

The next PTA meeting will be held Monday evening, Dec. 12 at 7:30 p.m. at the high school. An interesting program is in the planning stages for this meeting.

New Junior High Topic of Meeting

Grants Pass - Voters in the Josephine county school district may be faced in the near future with decisions to be made concerning a possible bond issue for the construction of a new junior high school.

In order to alert county voters as to the problems facing them, and get their opinions on several possible solutions to these problems, the county school board has scheduled an open meeting for Monday evening, Nov. 28, at 8 p.m. in the Josephine county courthouse.

They urged as many people as possible to attend so that they may be informed on the issues leading up to this potential crisis. At a joint meeting of the county school board and the District 7 (Grants Pass) school board on Nov. 14, one of the main topics discussed was the overcrowding existing now, and predicted to become worse at South Junior High school.

This school is attended by a large number of county students, and students from the Applegate area, who all attend it on a tuition basis, the same system under which attend Grants Pass High school.

The county pays this tuition on a per capita basis set each year according to the operating costs of the schools involved. The contract to accept county students in this manner is renewed each year, and District 7 is only obligated by this agreement for two years - the year the contract is signed and the one immediately following it.

District 7, already involved in a bond issue for building passed a few years ago, has indicated that since this school has such a large percentage of county students enrolled, a fairly logical solution for them would be to suggest that the county make other arrangements for their junior high students, such as building their own junior high school. Even without the need for building such a new school, there is definite overcrowding in at least three of the county schools, Jerome Prairie, Fruitdale, and Murphy.

The county board in an effort to find out how its voters feel has scheduled this special meeting for Nov. 28 in the hope that it will be attended by a sufficiently large number of people to represent a cross-section of opinion, so that they may understand the problems and offer possible solutions.

Large Turnout For School Open House

Murphy - The open house at Murphy school Monday evening, Nov. 14 was attended by about 125 parents who spent an hour prior to a regular PTA meeting visiting their children's classrooms.

The parents looked over the work children are doing, talked with their teachers, and received their children's report cards for the first nine-weeks marking period. This procedure was adopted last year at the school when it was decided that giving the report cards directly to the parents rather than to the children served a double purpose.

It encouraged larger parent attendance at open house and made for immediate, on-the-spot discussions or questions concerning the children's grades. It worked out so well last year that it has been permanently adopted as a part of open house.

Following the period for classroom visiting, there was a regular PTA meeting. In keeping with a Thanksgiving theme, the eighth grade sang several seasonal songs. The group was reminded of the real meaning of Thanksgiving in a brief talk by Jeff Prossie

Pacifists Plan To Ride Canoe in Path Of Atomic Sub

Groton, Conn. - (UPI) - Four pacifists plan to ride a canoe into the path of the Polaris missile - firing atomic submarine Ethan Allen Tuesday when she comes down the ways during a launching ceremony.

The quartet are members of the committee for nonviolent action, which has been holding demonstrations since June here and elsewhere in protest against this nation's missile program.

The four are Robert Swann, 43, of nearby Norwich, Joseph Glynn, 28, of Somerville, Mass., William Henry, 28, of Lodi, Wis., and Richard Zink, 20, of Ambler, Pa. They will conduct what they call a "civil disobedience" phase of the project, challenging arrest by authorities.

The same team was in Charleston, S.C., last week when the Pioneer Polaris missile sub George Washington left fully armed with 16 missiles for a two-year roving assignment. Henry dived into the Cooper river in an attempt to swim into the path of the submarine.

Besides the canoe, which will be in the Thames river, site of the Ethan Allen launching, there will be at least one other boat on picket duty. Other members will carry signs and distribute leaflets at the gates of the electric boat shipyard where the ceremony will take place.

"We're focusing attention on these submarines because the United States is relying on them for massive retaliation in case of attack," said CNVA member Kenneth Meister.

"We believe that massive retaliation is not the right way to handle our problems. It will wipe out civilization. Disarmament is the answer." "We won't be arrested."

Use Of Library Has Increased by 375%

Shady Cove - Use of the Shady Cove library jumped from 28 books to 128 during October. This represents an increase of 357 per cent over October a year ago.

The library now has double the number of books, offering over a thousand to the residents of the area.

The branch library now provides many adult books on subjects from cooking to hot rod racing. The supply of mysteries, westerns and other fiction is increased also.

Children and young people will find a variety of classics and information books. A 1960 World Book Encyclopedia is available for reference work. Books that are not in stock can be ordered from the Medford Library.

The branch library is located in the Treasure Trove gift shop. Mrs. Carroll Watson is branch librarian.

of the First Christian church in Grants Pass.

The membership was reminded by president Mrs. John S. White, that an attempt is being made to gather recipes for a cookbook which is being compiled by the ways and means committee as a fund-raising project this year. Everyone was urged to submit favorite recipes on a 3x5 card if possible for convenience in filing.

It was announced that the next regular meeting would be in January. At that time there will be a discussion of school legislation scheduled to come before the state legislature this year.

Kansas Professor May Head U of O

Eugene - (UPI) - George Waggoner, dean of liberal arts at the University of Kansas, was being mentioned today as a leading candidate to become president of the University of Oregon.

Dean Waggoner is expected to be here Tuesday to be interviewed by members of the State Board of Higher Education. He was interviewed previously last June.

Dr. John R. Richards, chancellor of the state system of higher education, said the board has not decided yet on a successor to Dr. O. Meredith Wilson, who now heads the University of Minnesota.

Dr. Richards indicated the board would not make a final choice at its meeting Tuesday but might do so before the end of the year.

Another candidate mentioned was Robert Donald Clark, dean of the University of Oregon's College of Liberal Arts. Dr. William C. Jones, dean of administration, has been acting president.

Washington Demo Wins by 116 Votes

Seattle - (UPI) - State Republican leaders will meet sometime this week to decide whether or not to ask for a recount in the 7th Congressional District where incumbent Democratic Rep. Don Magnuson apparently won an eye-lash victory.

The count of absentee votes ended Sunday and showed Magnuson had a 116-vote edge over Republican John Stender. The final figures were Magnuson 95,639 to Stender's 95,523.

When the absentee count began Nov. 15 Stender was leading by 385 votes.

DEADLY COMPOUNDS
Louisville - Some of the new phosphorus compounds are deadly to many insects.

RETURNS YOUTH

Sheriff Al Cottar returned James Larry Howerton, 18, from Tracy, Calif., to the California youth authority on a commitment issued out of the Superior Court following a charge of burglary. Howerton was charged with burglarizing the Leonard P. Meshki residence one-half mile west of Tulelake.

MRS. WILL DECIDE

Djambi, South Sumatra - (UPI) - The commander of Indonesian army forces here sternly told his troops they cannot have more than one wife because "you are in the army now." However, the commander's order said the restriction would be waived for any soldier who can get a signed statement from his wife saying she doesn't mind. Polygamy is permitted in Moslem Indonesia.

INVESTIGATE THEFT

Sheriff's deputies in Happy Camp are investigating the theft of a 1950 Oldsmobile sedan which was stolen from Hubert Graves of the Graves Camp at Happy Camp. The vehicle was stolen Nov. 11 and later recovered in the Happy Camp area.

BULLETIN ISSUED

Sheriff Cottar issued an all-points bulletin recently for the arrest of Edwin W. Turner, age 45, on check charges. Turner is believed to be driving a 1953 Buick, and pulling a 31 foot gray and blue trailer.
