

### Oregon Banks Plan To Close Saturdays

Portland - Oregonians will not be able to bank in the state on Saturdays beginning next Jan. 21.

An announcement of a five-day weekly schedule was made Friday by Harold A. Weiss, Portland, president of the Oregon Bankers Association, and James H. Starnard, McMinnville, president of the Independent Bankers Association of Oregon.

Savings and loan association offices in Oregon will also be closed on Saturdays, starting the same date, according to George Loney, executive secretary of the Oregon Savings and Loan League.

The announcement climaxed several years of effort within the banking industry to obtain Saturday closure of all banks. Involved was an unsuccessful effort to obtain action by the State Legislature to enforce the plan.

### New Antisubmarine Weapon Is Revealed

San Francisco - (UPI) - Construction of a modern antisubmarine weapon designed to replace the more traditional depth charge was revealed Friday at the national conference of the Naval Reserve association here.

It is a rocket-torpedo that flies to the target area and then submerges. The weapon is called ASROC. It has a range of eight miles. Details about the new weapon were made public by a spokesman of Libroscope division of General Precision, Inc., makers of the shipboard computer system by which the rocket-missile is aimed.

He said the ASROC system completed its final tests in June and will be installed aboard 150 of the Navy's antisub hunter-killer subs at a total cost of about \$270 million, it was disclosed.

### J. C. Penney Store Robbed in Portland

Portland - (UPI) - An armed man held up the layaway department of the J. C. Penney downtown department store here Friday night.

He escaped with \$225. Store officials said it was the first time the downtown branch had been held up in its history.

The layaway department clerk said the man, believed to have had a .38 caliber revolver, used the elevator for his getaway. The clerk described the man as about 5-11 and 200 pounds.

### About 200 Attend Senior Class Play

Happy Camp - Approximately 200 people attended the senior class play held at the Happy Camp gym Nov. 15.

Mrs. Barbara Hamilton directed the play. The play appropriately titled "Lights Out" was a three-act mystery-comedy. The cast would invariably build up the audience to a high point of mystery and then out would go the lights followed by screams. Donald Sendek, acting the part of Neil Parker, tried to determine if a murder had been committed and by whom, following the disappearance of Helen Freeland, portrayed by Diane Westby.

The final act showed that a murder had not been committed at all and was just a gag to scare the maid, Ella Tucker, played by Mary Jo Hockaday into marrying the handyman, Benny King, portrayed by Mike Fitzgerald.

Others in the play were Patsy Poe, Diane Grey, David McGinty, Jeannie Huddleston, Gaylon Lee, Georgia Stanford and Tom Anderson. Mrs. Hamilton wished to thank Pat Payne and Basil Kirby, both seniors, for their time and effort in building the stage sets and taking care of the curtain and the lights.
