TRIANGLE LEAGUE

High scratch honors go to Dick Bondar in the Triangle league. He had a 227 game and a 608 series. High team scratch game was a 600 by Pat & Mike. High team scratch series was a 168 by Oregon Food.

Medford, Crater Grapplers Will Vie

First post football sports activity at Medford High school for the current school year is slated Friday afternoon when the Black Tornado opposes the Crater Comets in a wrestling match.

Opening match in the varsity bouts is set for 3 p.m. with junior varsity contention to follow. The encounter will be in Medford high's girls' gymnasium. The event is also the wrestling season opener for the Comets.

Each club is ambitious to improve on its 1959-1960 record. Medford was third and Crater fourth in the District 6 meet last March but the Comet qualifiers went on to a strong seventh place finish in the Class A-1 state tourney.

In regular dual competition among Southern Oregon conference schools Medford had a four-win, three-loss, one-tie record while Crater last season had three wins, two losses and a tie. Grants Pass topped the loop with seven wins and a defeat while Klamath was three-two and Ashland zero-seven.

The Torpedo and Comets tied in the opening dual meet of last season 20 to 20. Medford won a later match 26 to 19.

For Medford Coach Art Smith may start also bringing into action: Possible Torpedo lineup is Mike Kortas, Jim Peters; Jim Spitz, 165; Danis Brunson, 115; Danis Brunson, 115; Danis Brunson, 115; Danis Brunson, 115.

Eagles Host Comet Basketball Quintet

Eagle Point - Teams mentored by former college teammates clash here Friday night when the Eagle Point High Eagles host the Crater Comets in their varsity basketball campaign.

The Eagles are tutored by Coach Dale Bates and Crater by Lloyd Hoffman. They played basketball at Southern Oregon college.

This will be the second meeting between teams coached by the two men. Bates' McLaughlin of Medford club edged Hoffman's Comet crew when they matched ninth grade quintets a couple of seasons back.

Bates has listed Ron Greb, Dick Wilson, Mike Palm, Tom Perdue and Steve Geren as possible starters with Charles Pomeroy and Gary Ayres likely to see considerable duty for the Eagles. Eagle Point has worked this week at putting polish on its offense. There's been much shooting drill to sharpen Eagle scoring eyes.

Greb, tallest EP man at 6-4, may see just limited play, according to Bates. He's been working out with a knee on his back because of a sprain suffered in physical education class.

Edgins listed Steve Phere from among whom the Crater starting five may be selected. The players are Jim Allen, Jeff Anhorn, Tom White, Dennis Edwards, Louis Alvarez, Loyd Higinbotham and Mike Glines.

All but Alvarez and Glines, sophomores, are lettermen. The two soph were mainstays of a strong freshman club last season and were brought up to the junior varsity when the frosh campaign concluded. Anhorn is a junior and Allen, Edwards, White and Higinbotham seniors.

Hoffman says that the Comet squad is not so far along as it was at this time last year, because of the younger players on the crew.

The Crater club had a change in its practice scene yesterday. It had to work out at the junior high because of preparations at the Comet court last night for the varsity football dinner.

Crater's Allen and Eagle Point's Bill Pfeifer have been flu victims this week.

SO Jayvees To Oppose Shasta JC

Ashland - New coach Al Akins sends his Southern Oregon college junior varsity cagers against the Shasta Junior college Knights of Redding to open the 1960-61 basketball season here Friday and Saturday at McNeal Pavilion.

Game time Friday is 8 p.m., while Saturday's starting time has been moved up to 2 p.m. in the afternoon.

Akins, who has yet to select a starting lineup, inherits a 20-4 season record from last year's Red Raider juniors who placed second in the Southern Oregon Independent league. The squad of 12 is made up mainly of freshmen. There are three sophomores.

Fred Louk, a 6-6 sophomore who held down the center position on the squad last season, seems almost a certain starter at that position for the week end series. Ray Abbott, a 6-5 freshman from Butte Falls, will also see duty at the post slot.

At Forwards Akins has sophomore John Cook, a 6-2 jayvee regular last year and the squad's second leading scorer, a pair of 6-3 frosh in Steve DeFogre and LeRoy Roberts, John Burgess and Dave Carter, both 6-2 freshmen, and Larry Carr, a 6-0 frosh.

Guard will be chosen from Steve DeFogre, 5-11, and freshman Larry Hinge, 6-0, Joe Buschberger, 5-10, and Don Williams, 5-10.

Steve DeFogre, 5-10, and Don Williams, 5-10, are sophomores. The other two are freshmen.

Edgins listed Steve Phere from among whom the Crater starting five may be selected. The players are Jim Allen, Jeff Anhorn, Tom White, Dennis Edwards, Louis Alvarez, Loyd Higinbotham and Mike Glines.

All but Alvarez and Glines, sophomores, are lettermen. The two soph were mainstays of a strong freshman club last season and were brought up to the junior varsity when the frosh campaign concluded.

Anhorn is a junior and Allen, Edwards, White and Higinbotham seniors.

The Hallmark of Circulation Value

In the same way that STERLING on silver signifies a standard of known value, so is the A.B.C. emblem a symbol of integrity for the circulation of newspapers and periodicals. It means that circulation so identified is measured according to the rules and standards of the AUDIT BUREAU OF CIRCULATIONS. The A.B.C. is a cooperative and non-profit association of 3,450 publishers, advertisers and advertising agencies. Organized in 1914, these buyers and sellers of advertising brought order out of advertising chaos by setting up standards for paid circulation and establishing rules and methods for measuring, auditing and reporting circulations. Therefore, the work of the A.B.C., of which this newspaper is proud to be a member, provides you with a direct and valuable service. You can buy advertising as you would make any other sound business investment - on the basis of well known standards, known values. At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of our circulation records. The results of this exacting audit show: How much circulation we have; where our circulation goes; how it was obtained; and many other FACTS that you need in order to know just what you get for your advertising dollars. This audited information is published by the Bureau in easy-to-read A.B.C. reports which are available to our advertisers on request. Ask for a copy of our latest A.B.C. report.

MEDFORD MAIL TRIBUNE

A.B.C. REPORTS - FACTS AS A BASIC MEASURE OF ADVERTISING VALUE

After all the shouting is over, there's nothing like the good cheer and good taste of 7 Crown SAY SEAGRAM'S AND BE SURE SINCE 1867
