Free Toss Tournament Plans Told

Oregon State College, Corvallis — Plans for the third annual statewide grade school free throw tournament have been completed, with finals slated for Gill Coliseum on Jan. 21, Athletic Business Manager Jim Barratt said today.

Sponsored jointly by the State Elks association and the OSC athletic department, the contest has attracted over 30,000 participants in 1959 and 1960. Entries soon will be in the mails to every Elks lodge in Oregon.

Local lodges conduct initial contests in their respective areas, with the local winners going on to Corvallis for the Jan. 21 finale. They will compete that afternoon and evening, with the finals to be staged at half-time of the Oregon State-Washington State game.

The eventual winner will receive as a prize a trip with the Oregon State varsity basketball team to a series at Moscow against Idaho on Feb. 17 and 18. Past winners include Howard Durand of Estacada, who last year connected on 64 out of 75 tosses in final day action.

Co-victors in the first year's contest two seasons ago were Curt Markus, Gresham, and Ted Amato, Portland. Athletic Director R. S. Keene then decided to take both on a Beaver trip as a reward for their efforts.
