HIGH DEATH TOLL PREVENTED—Only the tail section of a two-engine Beachcraft plane remains where the plane crashed in the back yard of a home at Parma, Ohio. Two men, tentatively identified as Clay Donges and Jack Duffy, were killed in the crash, but only a skillful crash landging prevented the death toll from going higher. Two homes were scorched, one of which was unoccupied. A family was having dinner in the other home.

SCHOOL NEWS

Medford High School

Edited by Sandy Shugart
Staff: Vicki Toeninges

The parents of 42 juniors have received letters announcing the selection of their child as a pledge in the Torch Honor society at MHS.

Several requirements must be met by prospective members of the national honor group. A grade of A or B must be maintained in all classes with the exception of physical education where a C is acceptable. High averages must be maintained each semester, and are cumulative beginning with the sophomore year. A failure to meet these requirements will result in loss of membership.

According to Linda Hess, president, the pledges will be initiated this spring if they maintain their high academic standards.

Prospective members include Sandra Allen, Jacque Ayres, Judy Ayres, Jill Barnes, Sharon Dixon, Karen Ekberg, Susan Elder, Minda Ellis, Vicky Enders, Diane Hiatt, Lenore Jacobs, Norma Jenks, Alice Jonason, Joanne Kingslien, Deanna Kunkel, Julie Latham, Sheryl Martin, Gretchen Meier, Ruth Milligan, Ellen Montgomery, Diane Parker, Sandy Shugart, Nola Shurtleff, Cheryl Wainscott, Marsha Watson, Carol Wiegand, Evelyn Young, David Elgin, Richard Ellis, Nick Gier, Mike Gannon, Dennis Gaster, Frank Graham, Joel Gregory, Mike Higgins, Wally Huffman, Jon Jensen, Richard Knights, Vic Milhoan, Bruce Niedermeyer, Gene Offord, Charles Peters, Carl Washburn, and Ralph Younger.

This Sunday at 2 p.m. in the Medford High school auditorium, the band, under the direction of I. A. Mirick, and the choir, under the direction of Lynn Sjolund, will present their annual benefit performance.

Featured in the show will be saxophone soloist Linda Hess, Bob Heide on his cornet, and Harry Taylor on the drums. Ron Ingram, Bob Heide, and Mike Johnson will play a coronet selection entitled "Tropical Trumpets." The choir and band will jointly present the "Battle Hymn of the Republic" as arranged for the Morman Tabernacle choir.

The choir will sing pieces ranging from popular contemporary works to Negro spirituals. The madrigal, a select singing group, will sing selections from the Broadway hit and movie "Guys and Doll."

Tickets are $1 for adults and 50 cents for students. Radio station KMED is the sponsor, and plans to rebroadcast the show that afternoon.

Lois Stedman was elected state vice president of the Future Teachers of America at the state FTA convention held in La Grande, Nov. 11 and 12. Nine members of the local unit made the trek to the eastern Oregon city for the meet.

Last Friday and Saturday, 24 MHS students competed at the 15th annual Pacific Speech tournament in Forest Grove. DeVere Taylor, debate coach, accompanied the group.

Medford won the women's sweepstakes. Judy Sims and Suzy Thompson garnering a first place tie in women's debate with Nancy Duncan and JoAnn Johnson. Sue Jahn placed second in women's oratory and JoAnn Johnson placed third in women's serious interpretation. Second place in men's extemporaneous speech went to Jim Frake.

Judy Sims was a finalist in women's extemporaneous speaking. Semi-finalists were Suzy Thompson and Sharon Koblik, women's extemporaneous speaking; Sandra Gannon and Marilyn Conrad, women's oratory; Fred Lorish and Bill Dames; men's humorous reading; and Mike Phillips, men's oratory.

Other students who competed were Sue House, Carl Washburn, John Alansky, Robert Hoag, Larry Tuttle, Mike Miller, Garner Haupert, Marcia Belknap, Jill Barnes, Warren Olson, Mike Higgins, and Bob Rix.

Last Saturday all seniors who plan on attending college took the Scholastic Aptitude test. The scores received on this test will count heavily as the colleges select the applicants. The test took four hours.

Because a number of errors were made in the processing of grades for the first quarter, the first honor roll of the year has been delayed. Last week, however, all teachers received verifications of grades and enrollments, then sent in all corrections for final processing by the IBM system. The corrected honor roll is expected to appear this week.

Long lines of underclassmen formed outside the ticket window in the lower hall Thursday and Friday both before and after school. The attraction was the sale of picture packets made from the individual shots taken for use in the yearbook. The sale of the packets is sponsored by the Future Homemakers of America as a money-making project. The packets sell for $2 each.

Diane Lewis, an active member of the student body, was selected December girl-of-the-month by Girls League. Diane is president of the International Relations League, is a member of the scholastic honor society, and was a member of the rally squad last year.

Ten members of the Girls Athletic Association attended a playday in Klamath Falls prior to the Thanksgiving holiday. Those attending were Jeanette Dahlstrom, Marida Winchell, Betty Kyker, Celia Batton, Anna Jean Beardslee, Sharwyn Miller, Judy Watts, Caol Verga, Sheila Thompson, and Carolyn Foust.

Currently the GAA is sponsoring volleyball intramurals. Games are played during seventh period and after school.

A new feature accompanied the appearance of Hi-Times Friday. Because the publication consistently has more sports news than it can fit into the paper, a mimeographed supplement giving statistical summary of the football season was distributed with the paper.

Grange Notes

Central Point Grange

Central Point Grangers Friday voted to have an open meeting Dec. 16. It will be a Christmas party for the members and friends.

The new lecturer, Dee Hendrickson, will be in charge of the program. He asks that everyone attending bring a white elephant in a paper sack. The serving committee for that evening asked that women bring a few sandwiches and cookies, or popcorn balls, apples or nuts. A candy treat will be provided for the children, and Santa will arrive. The recreation chairman, Mrs. Gaston Floux, announced the remainder of the evening will be spent in square dancing.

Mr. and Mrs. Duane Bever and Marcia were obligated in the first and second degree by Hendrickson. Arnold Bohnert reported on the Seed League state meeting and market prices. Edwin Gebhard explained various types of farming he viewed during a recent trip into California. He also reviewed facts regarding the placing on the tax rolls of fraternal organizations properties.

HEC Chairman Mrs. O. T. Wilson reported that the club had a good attendance at the meeting Nov. 30 at the home of Mrs. Charles Jantzer. Plans were made for serving the stockmen's dinner. Charles Morehouse gave a short resume of the meeting of the Grange Festival committee, stating that plans are being made to hold another one this year.

Central Point Grange will exemplify the third and fourth degrees Jan. 6. Any Grange having candidates is invited to call the new master, Charles Morehouse.

Business Manager Roscoe Roberts reported a decrease in insurance rates would be effective in territory 4 and 6.

Announcement of the regional Grange conference at the North Pacific Grange in Josephine county Dec. 5 starting with the state lecturer school, was made.

"Phases of the Farming Industry" was the title of the program arranged by the lecturer, Mrs. Homer Jeffries. Representing the poultry industry, Charles Morehouse, explained some of the problems and factors of producing and marketing eggs.

Homer Jeffries, raiser of registered sheep, commented that to obtain better breeds of animals, a program of constantly weeding out inferior individuals was necessary. Edwin Gebhard, orchardist, mentioned many of the problems in growing and marketing of pears and other fruits, as regarded the situation locally. Arnold Bohnert, grower of certified seed crops, showed slides of harvesting operation. Sugar beet seed crops, Merion and Newport grass, and alfalfa seed are grown in acreages and marketed domestically and abroad from the valley.

Serving committee for the evening were Mr. and Mrs. Thurman Barnes, Mr. and Mrs. Ray Kelly, and Mr. and Mrs. Don Bohnert.

Sunday, Dec. 4, the following officers were installed: Charles Morehouse, Charles Taylor, Dee Hendrickson, Fred Kuest, Mrs. Morehouse, Mrs. Hendrickson, Mrs. Ed Walters, Benton Boyce and Arnold Bohnert. The installation ceremony will be given again next Sunday at 1:30 p.m. in the Eagle Point Grange hall.

Polaris Missile Goes 1,600 Miles

Cape Canaveral, Fla.—(UPI)—An advanced model of the Navy's solid fuel Polaris missile soared 1,600 miles Monday, and a model with almost twice that range is in the works.

The A2 Polaris traveled 300 miles farther than the top range of the missiles that were loaded into the atomic submarine George Washington last month. The missile is designed for an eventual range of 1,752 statute miles.

The Navy now is working on development of the A3, a model that that is expected to have a range of 2,875 statute miles. Officials said the A3 is expected to be "in our defense arsenal by 1965."

Cape Canaveral, Fla.—(UPI)—An Air Force crew launched a winged, slow-flying Snark missile on a 5,000 mile flight Monday to close the Snark's eight-year test and development program.

The 600-mile-an-hour Snark was declared combat ready more than a year ago. The Air Force said the flight Monday would be the Snark's last, except in case of war.

Anthropologists and other scientists have found what they believe to be the oldest original dwelling place ever discovered in eastern Australia. Artifacts and paintings found there are believed to be 5,000 years old.

German Company Eyes The Dalles

Portland—(UPI)—A German corporation is interested in The Dalles as a site for a subsidiary plant, according to the Mid-Columbia Development Corporation.

The corporation said Monday it is negotiating with officials of the Jucho Co., of Dortmund, Germany, a heavy machinery manufacturer.

Dr. E. L. Stevenson, chairman of the development group, said the Jucho Co. officials visited The Dalles recently on a survey and will return in January. A Jucho plant at The Dalles would make Jucho Cranes.

The property they are believed interested in is a site west of the city with river frontage.

Army leaders said at the conclusion of World War I, that if it had lasted another year, they would have had to ask for legislation permitting women to enlist.
