

WINNER — Philip Krouse, 18, (standing right), of Appleton, was among the 4-H club members who received \$400 scholarship. Also among winners were Mrs. R. E. Townsend, Gresham, gold key and club members who received \$400 scholarship; Jon Ellertson, Boring, \$400 scholarship. Some 1,350 boys and girls representing 50 states and Puerto Rico attended the Congress.

This Woman Had A Lot of Bull In Her Back Yard

Dallas, Tex. — (UPI) — It may have been a lot of bull and then again it may have been a lot of little bulls.

"I . . . I want to report a bunch of livestock running loose in my back yard," a woman, somewhat breathlessly, reported to police Monday.

"What kind of livestock are they, lady?" dispatcher B. D. Densmore asked.

The woman paused . . . then giggled. "Little bulls I think," she said and hung up before Densmore could get her address.

Dr. Byrns Attends San Francisco Meeting

Ashland — Dr. Richard Byrns, professor of English at Southern Oregon college, recently attended the Philological Association of the Pacific Coast in San Francisco. He delivered a talk entitled "De Quincey's Revisions on the Dream-Fugue."

In addition, Dr. Byrns has had two manuscripts published during November. "Improving College and University Teaching" published "The Pragmatic Barrier" and the "Journal of Higher Education" used Dr. Byrns article entitled "Technological Aids in College Literature Classes."

FAVORITE IN REPLICA—These Denver, Colo., youngsters are having time of their lives in snow that blanketed the area this week. Here Steven, 4; June, 18 months, and Jack Farland, 6, put the finishing touches on a snow replica of their TV favorite, "Huckleberry Hound." (UPI Telephoto)

Suspended Sentence For Manslaughter

Portland — (UPI) — Peter Sanna, 64, former night watchman at the Columbia-Edgewater Country club, was given a suspended three-year sentence Monday on a manslaughter charge in connection with the fatal shooting Aug. 12 of Jack A. King, 41, at the club.

Two Oregon Radio Stations Sold

Salem — (UPI) — W. Gordon Allen, operator of radio stations KGAY, Salem, and KGAL, Lebanon, Monday announced sale of the two properties to a corporation headed by Glen M. Stadler, operator of station KEED, Springfield.

Purchase price was said to be in excess of \$300,000. Stadler purchased KEED from Allen in 1955. He will take over KGAY and KGAL upon approval of the Federal Communications commission, expected in about six weeks.

Allen said he will continue to seek a license to operate Salem's first television channel. He is one of two applicants.

Quotes From the News

BY UNITED PRESS INTERNATIONAL

Denison, Tex.—Chaplain Ransom B. Woods, describing his parishioners after ushers passed collection plates heaped with \$5 bills and Woods urged the congregation to help themselves:

"You should have seen the looks on their faces. Some were skeptical . . . and others were just plain flabbergasted."

Washington—H. L. Thackwell, in proposing a five-stage solid fuel rocket for a man-on-the-moon shot:

"Assuming a starting date of Jan. 1, 1961, it would be possible for the U.S. to land a man on the moon by January, 1967."

Washington—Everett A. Thompson, when asked by investigators looking into Florida's highway program what he thought when he began receiving \$25 in cash anonymously each week:

"I thought I must have a mighty good friend."

Moscow—Khrushchev in the 1961 manifesto:

"War is not fatally inevitable."

Baker County Clerk Snuffs Out Own Life

Baker — (UPI) — Baker County Clerk Grant Young, 64, killed himself Monday, using first a .22 caliber rifle and then a shotgun.

Police said Young first wounded himself with the rifle in his home, then went into the yard and fired a shotgun into his head.

He had been in poor health since suffering a mild heart attack in October. He was appointed county clerk in 1950, and was elected to the post in 1952, 1956 and 1960.

New Passports Due Travelers

Washington — (UPI) — Americans traveling abroad soon will be carrying a new, more colorful, less expensive, easier to clean, harder to counterfeit passport.

The new passports will be issued starting Jan. 1. Holders of existing passports will not have to get new ones until their present documents expire.

The State department announced Monday that the new passport will have a plastic cover "impervious to almost all liquids, humidity, heat, cold, sunlight, and smudgy hands." It will be colored "horizon blue" instead of the current dull, sickly green.

Passports issued to diplomats will be black. Maroon passports will be issued to non-diplomatic U.S. officials.

The ink on the green passport has a tendency to run in damp climates, sometimes coming off on clothing. The corners get dog-eared. All that is supposed to be eliminated with the new passport, which is the result of 18 months of research. The department estimated the new passport would cost \$59,000 less each year to make.

Officials said the new passport would be harder for spies to counterfeit. This is partly because of an imprinted eagle which appears sometimes frontwards and sometimes in reverse on different pages.

DEATH CAUSE

Chicago — Suffocation causes an estimated 80,000 deaths in the U.S. each year.

Personal Flag Adopted by Queen

London — (UPI) — Queen Elizabeth has adopted a new personal flag.

Buckingham Palace announced Monday that it displays her initial "E," surmounted by the royal crown within a wreath of gold roses on a blue field. It will not supplant the royal standard.

"The flag will only be flown when the Queen is present in person or from buildings where her majesty is in residence," the announcement said.

It will be flown for the first time during Elizabeth's visit to India and Pakistan in January.

Bonneville Plans Construction Work

Portland — (UPI) — A \$19 million construction program for 1961 is planned by the Bonneville Power administration. The 1961 expenditures are a decrease from the \$20.5 million in 1960.

Contract construction work for 1961 is estimated at \$4,550,000 compared to \$6,285,000 for 1960.

Contracts planned for 1961 include 96 miles of right-of-way clearing at an estimated cost of \$460,000, 78 miles of transmission line construction at \$1.9 million and 24 substation additions totaling \$2 million.

Final contract expenditures for the latter half of 1961 will depend on congressional appropriations.

10 Rounded Up On Narcotics Charges

Portland — (UPI) — Police and federal agents rounded up 10 men Sunday night and early Monday on charges of violating federal narcotics laws.

Nine of them were arraigned before the U.S. commissioner Monday and preliminary hearings are set for Thursday. The other was to be arraigned today.

One of the men, Ernest "Duke" Arnold, 38, was arrested at Dallesport, Wash., and the others were picked up here.

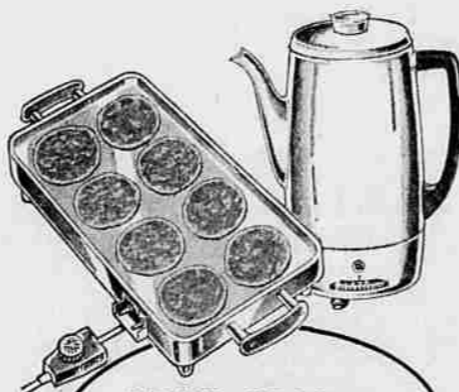

Authorities said the arrests climaxed six months of investigation.

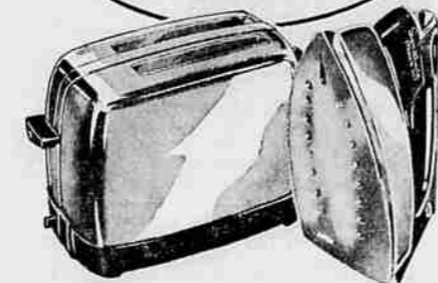

open the holidays with Gordon's... the gin that's 191 years old!
