PTA Dinner And Concert Announced

Central Point - Central Point Parent-Teachers association will present its annual chili dinner Thursday, December 8 at the Central Point Junior High school cafeteria. Serving time will be from 5:30 to 7:30 p.m.

PTA members take pride in the quality of their chili which is made by the same recipe every year. The slow cooking of the large quantity of chili adds to the flavor according to many of the parents. Macaroni and cheese will be available to those who prefer it.

The modest price is possible due to the food donations and work contributed by the PTA members. Funds received will be used for unit projects. Later Thursday evening Central Point Elementary and Junior High schools will present a concert in observance of Christmas.

George Johns, principal, invites all interested persons to attend the concert which will begin at 8 p.m. and conclude at 9 p.m. The concert is free to the public.

The eighty-piece Junior High school band, under the direction of Harry Meyers, will present several numbers. Also performing will be the Elementary school chorus under the direction of Mrs. Joanne Sousa.

New York - **UPI** - Extra pounds on the figure mean extra dollars on life insurance policy premiums. So reports the Institute of Life Insurance, which explained that obese persons are below-average risks and tend to have shorter lives.

To insure plump persons at standard rates would be unfair to other policyholders, the Institute said.
