# O'Malley Emerges As Expansion Hero; LA Angels Admitted

By MILTON RICHMAN

St. Louis—Baseball was one big happy family today for the first time in years and the American league credited it all, surprisingly, to Los Angeles Dodger owner Walter O'Malley for "bowl-ing us over with his fine spirit of cooperation."

O'Malley, who had been cast in the role of chief villain until Wednesday, emerged as the real hero of an expansion drama that looked for a long time as if it might wind up a national tragedy.

Commissioner Ford Frick loudly praised the portly Dodger president "as one man who did more to unravel this mess than anyone else," and both American and National league officials agreed with Frick for once.
