Wall Street Chatter

New York — (UPI) — Ammott, Baker & Co. holds that business will not suffer a further severe decline but will move in a sideways direction until about mid-1961.

The firm visualizes an uncertain first half in corporate earnings and general business but a pickup in the second half, with full year results about equaling 1960.

Ammott, Baker's current recommendations: Grumman Aircraft, Grolier, Inc., Ches-

brough-Ponds, West Coast Telephone.

Two rather cyclical stocks which seem reasonably priced are McGraw-Hill and Whirlpool, according to L. O. Hooper of W. E. Hutton & Co.

Bache & Co. suggests taking a position in Thiokol on a break-through 38½ accompanied by heavy volume, and Texas Instruments on a break-through 190 on volume.

Commonwealth Stock Fund reports portfolio transactions in the April 30-Oct. 31 period included the following additions: Addressograph, AT&T, Continental Can, R. B. Donnelly & Sons, Middle South Utilities, Pepsi-Cola and Safeway Stores.

Eliminations were ACF, Wrigley, Anaconda, Corning Glass, Dresser Industries, General Foods, Idaho Power, Chas. Pfizer, RCA, Schering, Signal Oil "A," Trane and Varian Associates.

DODGE CITY SYNDROME

Chicago—(UPI)—An editorial in the American Medical Association Journal today diagnosed the "Dodge City" syndrome.

"What happens is that the patient-to-be is too slow on the draw and too fast with his trigger finger, so that he fires the weapon before it is disengaged from the holster and while it is still pointed down at his foot."
