THANK YOU...

Just one year ago Gray's Furniture purchased Lucas & Howard's Furniture Barn in Central Point and introduced a new concept of offering values to you folks in Southern Oregon. It's been a great year... proof that you liked our idea of offering a wide selection of furniture and appliances at low, low prices! Thank you all for your friendship and patronage during 1960... we will continue to offer great buys so we can get to know you even better in 1961!
