**Council of Churches
Preparatory Study
Booklet Published**

Geneva - An intensive effort to bring the quest for Christian unity home to local congregations around the world will get underway soon.

The occasion is the publication of the World Council of Churches' preparatory study booklet for the Third Assembly to be held in New Delhi, India, Nov. 18 to Dec. 6, this year.

During the year the 76-page booklet will be studied around the world by tens of thousands of Christians belonging to the Council's 178 member churches.

In small village churches in Asia and Africa, in big city congregations in Berlin and Chicago, men and women will come together to study and discuss the Assembly theme, "Jesus Christ, the Light of the World."

The booklet is designed to enlist the participation of the local church in the Assembly. An initial printing of nearly half a million copies in French, English and German will be followed by other language editions for Spanish-speaking, Scandinavian, Asian and African countries. In all the booklet will be published in more than 20 languages. The total run may reach one million copies.

Spiritual Presence

In the preface, Dr. W. A. Visser 't Hooft, general secretary of the World Council of Churches, explains that the Vlayen Blaven hall in New Delhi where the Assembly will be held, cannot possibly accommodate the hundreds of thousands of members of churches to whom the brochure will go "in all parts of the world, and in very many languages. But we need your spiritual presence, your personal participation in this event."

The churches meeting in New Delhi, through their chosen delegates, Dr. Visser 't Hooft says, have their "relevance in the local congregation, in the common worship, and the working and living together of individual Christian men and women." Christians often ask "how they can play their part in this new ecumenical movement of our time. Here is one opportunity."

"As your congregation takes up the study and discussion of themes of this booklet, you will implement your membership in a world-embracing community of the people to God," Dr. Visser 't Hooft says.
