**1 1/2 Years Old... 2-Car Garage SPACIOUS 3 BEDROOM**  
 In Talent... Trade for Medford  
 This nice young couple want to trade their nearly new home in Talent for a home in Medford. The husband has a very good job here in Medford that requires some evening work. And rather than drive to Medford and back to Talent several times a day they have decided to give up their lovely home in Talent and trade for one in Medford.  
 Their home in Talent is just a little over a year old. And it is as clean as a brand new one. You are sure to like it.  
 The living room is large with a clever circulating fireplace strategically located to lend cheer to the dining room as well as the living room. The arrangement of the rooms and wide hallway gives an air of spaciousness to the entire house. The bedrooms are of ample size and they have wardrobe closets. And there are other large closets for storage about the place, as well as a big 2-car garage with an extra storage room off the garage.  
 The kitchen is of a handy design with gay formica complementing the colors of the built-in range and oven. The young family hate to leave their comfortable, attractive new home. But they are willing to sacrifice to be nearer his work, so he will not have to spend so much time on the road. They will even consider trading for income property in Medford.  
 So if you have a new home, or an older home that you will trade for a place in Talent, phone us right away.
