Farm Tanks Meet Slated for G.P.

Southern Oregon Farm Tanks association will meet at the Caveman's Drive-In restaurant at 12 noon, Tuesday, Jan. 17.

During the meeting in the banquet room the dairymen of Josephine and Jackson counties will hear Gordon Coleman of Meadowland Creameries give a report on the financial status of the group and the amount netted in milk shipments into Eugene during the year.

Ed Hayes, Eagle Point dairyman and association secretary, said association members send over 1,200,000 pounds of milk into Eugene each month. "This represents quite a payroll for the two counties," he noted.

The 26 members earn as much as \$2,300 a month, he added.

Also, during the meeting, two directors will be elected. Meadowland was recently sold to Beatrice Foods whose product is called Meadow Gold. It's possibly the second largest dairy distribution chain in the country and has headquarters in Chicago, Hayes said.

A report will also be made by the Eugene milk inspector, the secretary added.

Cars Collide - Cars operated by Edmund Thomas Campbell, 81, of 1014 Niantic st., and Sara Hester Culbertson, 55, of Upton and Kingsway sts., Central Point, collided Monday about 3:20 p.m. on Highway 99 between Table Rock rd. and Highway 62, according to city police. Campbell was cited for following too close.

Driver Cited - City police cited Charles Emile Stafford, 71, of 235 South Oakdale ave., Monday for failure to yield the right of way after a vehicle operated by Stafford struck a station wagon driven by Clair Maud Plummer, 45, of 3722 Alley Lane. The accident occurred at the intersection of Eighth and Ivy sts., about 11:45 a.m.

School News

Crater High School By Lynn Maloi A new group, composed of all boys, to support the team and raise school spirit has originated at Crater. They call themselves the Knights. There were originally 13 members. The ultimate goal is 25 and at present there are 20 members. The boys sit in a specific section, dressed in old gold colored sweaters, dark pants, and olive green straw hats with tiny colored feathers in them.

The requirements of the Knights are: male, grade point average of 2, reliability and dependability, desire to improve school spirit. New members are accepted upon recommendation with a two-thirds vote of the old members.

The Knights' plans for the future include attendance to all basketball games, traveling to Oregon State college to see a basketball game and sponsor parties, snow, swim, and similar events. The advisor of the Knights is Don Miller, director of student activities.

The senior class sponsored their annual Winter ball, Friday, Jan. 6, at 8:30 p.m. in the cafeteria. The theme was "Fantasy in Frost." A king and queen were chosen from the senior couples that attended the dance. The decorations were an outdoor setting of winter and snow. The people responsible for the dance were Gary More, Gary Barber, Carol Wilcox, and Becky Ferrell. The committees were filled out by members of the senior class.

The Chess club has been holding a tournament every Tuesday and Thursday. There are eight members at present. Karen Purcell, Alvin Kroon, and Mike Guss are the final contenders in the tournament. The dues are 25 cents every six weeks, and they now have \$19 in their treasury. With some of the money they bought three new chess sets.

Karen Purcell is the secretary-treasurer, and the only girl member. Jim Wray is vice president and Ricky Smith is president. After the tournament they plan to form a chess ladder seeing who can stay on top the longest.

Students at Crater High school have been invited to participate in the second annual "Oregon Award for Creativity" jointly sponsored by the University of Oregon and the university's literary magazine, "Northwest Review."

Competition will be in the field of creative arts in four categories: poetry, short story, non-fiction and graphic arts. The first place winner in each division, will be awarded a one-year full-tuition scholarship to the University of Oregon. Competition is limited to high school students in the Northwest states (including Alaska) and British Columbia. The winners will be published in "High School Northwest," a special supplement to "Northwest Review," with the winter 1961 issue.

All students interested in contact Bill Russell for information.
