Record Japanese Budget Approved

Tokyo—(UPI)—Premier Hayato Ikeda's cabinet approved a record $5.42 billion budget for 1961 today.

Critics labeled it as inflationary, but Ikeda said the budget was a key step in his plan to double Japan's national income in 10 years.

The executive committee and policy board of the governing Liberal Democratic Party approved the money measure.

The draft bill goes next to Parliament, where it is expected to pass without difficulty.

Main items in the budget, which takes effect April 1, were public investment, social security and tax measures designed to beef up Japan's already burgeoning economy.

About $480 million goes for defense.

"Your grandchildren will grow up under Communism!"

says NIKITA KHRUSHCHEV

Will the Soviet threat come true? Will your grandchildren live under Communism? Forget God? Salute the Soviet flag?

"Never!" you say. But are you sure? How can you oppose Communism? One sure way is to help Radio Free Europe.

The voice is that of Nikita Khrushchev.
The audience is American.
"*Your grandchildren will grow up under Communism!*" he shouts.
Do you believe that?
Will your grandchildren live in barracks with their hair shaved? Forget God? Salute the Soviet flag?
"Never!" you say. But are you sure?
What can you do to oppose Communism?
Help *Radio Free Europe.*
What does it do?
Every day, to 79 million captive people behind the Iron Curtain, it broadcasts the plain truth . . . religious services . . . folk songs they love . . . the real news of the outside world.

It helps keep these 79 million people from turning to Communism. The Poles, Czechoslovakians, Bulgarians, Rumanians and Hungarians.
It keeps alive their friendship for America.
Broadcasting from 28 transmitters . . . manned by escapees from Communism . . . it reaches over 90% of these people, despite Communist jamming.
Thousands of smuggled letters echo the same plea: "*God Bless You! Please keep Radio Free Europe on the air!*"
These 79 million people are vital to the cause of freedom.
They are the buffers between Russia and the Free World.
They help tie up 30 Russian divisions, stationed to prevent uprisings.
They pose a major obstacle to the Russians starting any war.
And they depend on Radio Free Europe. It is their strongest link with the Free World.
But Radio Free Europe needs money to continue this important job . . . to grow . . . to become ever more effective.
It depends on individual American support for its very existence.
How about it? Will you help fight Communism? Secure the future of your children?
. . . Give a dollar? . . . Give five dollars? . . . or more?
Surely, your heart tells you to give something so that our children—and all children—shall live in freedom throughout the world.
