

Cavemen, Tornadoes Clash Here Saturday

Grants Pass High school will make the supreme effort here Saturday night when it meets Medford at Hedrick gym in a Southern Oregon conference basketball game.

That's indicated in reports out of Grants Pass.

Medford must, of course, take on Ashland at Ashland tonight before opposing the GP Cavemen crew. Varsity games on both occasions are set for 8:15 p.m.

"We've got to take this one if we are going to maintain any hopes of making the trip to Eugene for the state tourney," Cavemen Coach Gordon Prehm told Jerry Acklen, sports editor of the Grants Pass Courier. "Even though this is a building year for us and everybody rates Klamath Falls and Medford as the number one and two clubs in the conference with the inside track for the tourney berths, I think we still stand a good chance."

Study Films

Prehm said further that if his climate city boys hustle the way they have been in recent games, they just could

squeeze out a couple of wins over the Black Tornado. He added that the sure way to get to the state tourney would be to beat Medford three times. The Tornado won 66 to 59 over GP in the first of four games this season billed between the two clubs.

According to Acklen's article in the Thursday Courier, the Cavemen have been studying films of the last Medford game to figure ways of stopping Bob Quinney, the top league scorer. But, Prehm indicated that the Cavemen are taking into account there are other good players on the Tornado crew, too.

Prehm reported a hard battle among five forwards for two starting spots. The five are Lee Burton, Jim Davis, Jim Hamilton, Mel Atkins and Dave Hautz. At guard, scrapping for two places are Bob Lewellyn, Jim Blacksmith and Larry Jansson. Al Staley was reported still sidelined after a toe operation on Monday. Clyde Murray is likely center choice.

Medford Five

At Medford, Coach Frank Rosland indicated that Stan Dowson, Scott Eaton, Bob Quinney, Jim Barry and Dick Ragsdale are his likely starting five for the game at Ashland this evening. Starters against Grants Pass likely will be determined by tonight's performances and the special problems faced in meeting the Cavemen who can floor a tall, rugged front line.

Ashland, yet to taste victory this season, has the assignment of meeting two of the top clubs in the state this week end. The Grizzlies go to Klamath Falls on Saturday. Possible starters are Sid DeBoer, Jerry Hauck, Dallas Brownson, Gale Tepper and Larry Johnson.

A sophomore game is set for 5:15 p.m. today with the jayvees meeting at 6:30 p.m. On Saturday, while the jayvees of GP and Medford are meeting at Hedrick at 6:30 p.m., sophs will vie at the same hour at the senior high floor.

AAWU Clubs Fight for Survival

West Coast Basketball

Stanford and Washington begin their fight for survival at Stanford tonight with the real winners sure to be idle Southern California and UCLA.

The Bruins (3-1) and Trojans (4-0) pretty well dominate the Big Five. California (0-4) is about finished while Washington (1-3) needs two wins against the fast-improving Cards to stay in the race. Stanford (1-0) is strictly a dark horse, and also needs a couple of wins from the Huskies.

Other games in a light schedule pit Idaho-Oregon State, Washington State-Oregon and Seattle-Gonzaga.

Latest scoring figures show Gonzaga's Frank Burgess clinging to a small lead in the national scoring derby. He is averaging 30.7 points a game, while St. Bonaventure's great Tom Stith is averaging 30.6.

More contests tonight find Cal Poly of Pomona facing high-scoring Los Angeles State and Cal Poly of San Luis Obispo meeting San Fernando State. Whittier is at San Diego State.

Montana State nipped Pacific Lutheran, 73-70, in action Thursday night. John Bryant hit 26 for the winners and big Gordon Haugen tossed in 5 points in the final 90 seconds to ice the win.

Jerry Colburn also had 26 as La Verne defeated Azusa 71-63 in another game Thursday night.

Goalby Goes Ahead In Crosby Tourney

By DON REED

Pebble Beach, Calif. —(UPI)—Arnold Palmer may have been the money king of 1960.

But watch out for Bob Goalby in 1961!

Goalby, a former University of Illinois sub-quarterback, now playing out of Crystal River, Fla., won \$7,500 for capturing the Los Angeles Open to start this year, and picked up another \$550 in the San Diego Open last week.

And, he goes into the second round of the \$50,000 Bing Crosby National Pro-Amateur today holding a one-stroke lead over the field after one of the greatest finishes ever seen on a golf course.

Aiming at 70

"I was just trying to shoot a 70 after I was one over par at 12," said Goalby later. "I figured that was about the best I could do."

"But, man, what a finish. I've never had anything like it before."

Big Bob, even with his fine stroke-making, was only a one shot ahead of the crack field. Defending champion Ken Venturi, Palo Alto, Calif.; Dave Hill, Denver, Colo.; Bill Collins, Crystal River, Fla.; and Howie Johnson, Lemont, Ill., each had 67s.

Crater High Tussles State's Top Quintet

Central Point — "What can you say when you have to play the top team in the state?"

That was the comment of Crater high Coach Lloyd Hoffine this morning. His Comet basketballers meet the top rated Pelicans of Klamath Falls here this evening after a 6:30 p.m. jayvee mix.

The Comets have yet to score their first hoop win over Klamath Union high. But, Hoffine pointed out that the Pels have not beaten the Comets badly on the Central Point floor since he has been at Crater. He said he thought it would be that way again tonight but that he and his Comets were not thinking of losing.

Louis Alvarez, out of school three days this week because of a bad cold, was back yesterday but Hoffine indicated that the little guard likely will see little service. The Crater starting gang will be picked from among Tom White, Jeff Ahorn, Jim Allen, Dennis Edwards, Bryson LaCasse, Loyal Higinbotham and Mike Glines.

Possible Klamath starters are Gary Patzke, Ray Taylor, Bruce Brickner, Fred Blehn and Wally Palmberg.

Phoenix Entertains Eagle Point

Phoenix — Looking forward to the chance to play on their home court, the Phoenix High Pirates meet Eagle Point tonight in a Rogue league basketball game.

This will be only the fourth time at home this season in 11 games for the Pirates.

Coach Eldon Durham said that the Phoenix team has been working at its offense to get more scoring punch. On their trip to Lakeview and Henley last week the Pirates were able to work the ball in but had trouble getting the ball through the hoop.

Durham has indicated a change in lineups with Bob Jacobs joining Mike Consbrock at guard. Jacobs has missed some action because of flu. Rick Seymour will be used to spell Othar Richey. Seymour would go in at center with Dave Johnson shifting forward. Other forward is Gerald Sizer.

Attack Against Zone

At Eagle Point Coach Dale Bates has been attempting to develop an attack against zone defense. The Eagles have been working on defense, too, particularly man-to-man. Bill Hoffert has been ill and will not make the trip to Phoenix and Sam Charters has been brought up to the varsity. Dick Wilson, who has rested this week because of shin splints, likely will see just limited play, Bates said.

The Eagles have in mind two league losses at the hands of Phoenix last season.

Possible EP starters are Charles Pomeroy and Mike Palm, forwards, Ron Greb or Ron Weidman, center, and Steve Geren and Tom Perdue, guards.

"This boy is going to be a top player," said Patrick only a few weeks ago when Willie had yet to score his first National Hockey league point. "He's got the speed and the desire to be a first-rater in this league."

Willie, 5-10 and 170 pounds, produced the winning goal for the Bruins Thursday night in a 4-2 victory that enabled Boston to climb within four points of the 16th fifth-place New York Rangers.
