

Musial, Spahn Sign for 1961

United Press International
Stan Musial and Warren Spahn are signed, satisfied and set today for a 1961 baseball season in which both may reach career-capping milestones.

Musial signed for an estimated \$75,000 with the St. Louis Cardinals Wednesday while Spahn agreed to an estimated contract of between \$72,000 and \$75,000 with the Milwaukee Braves. Musial already has passed the 40-year mark and Spahn will be 40 on April 23.

Musial needs 137 hits this year to set a National league record of 3,431 hits for a lifetime. He should be very close to that figure by the end of the season if he can approximate his 1960 pace when he hit .275 in 116 games.

Young Players Interest Viki

New York—UPI—The Minnesota Vikings were to pass up some "overage destroyers" in favor of a young swift striking force when they selected 36 players today for their first campaign in the National Football league.

In some off-hand remarks at an informal conference in the hotel lobby, General Manager Bert Rose of the Vikings disclosed Wednesday that the list of experienced players offered by 12 NFL clubs included several who were over-the-hill and undoubtedly would quit pro football if claimed by Minnesota.

Rose and Coach Norm Van Brocklin of the Vikings want no part of these. They are primarily interested in younger players, with less glamorous names, who would complement the Vikings' draft choices and help their long-range building program.

NEW AWARD

New York—UPI—Ex-New York Yankee infielder Gerry Coleman announced Wednesday the creation of a new "achievement award" in recognition of outstanding games or series such as Harvey Hadix' perfect 12-inning game, Joe DiMaggio's 56-game hitting streak, Johnny Vandermeer's two no-hitters and Ted Williams' .406 batting average. The award will be known as the Van Heusen Outstanding Achievement award.

SPORTS

Moore-Rinaldi Mix Considered

Miami Beach—UPI—Promoter Jack Fugazy today featured Sports leaped toward an Archie Moore-Giulio Rinaldi light heavyweight title fight because of Erich Schoepner's sarcastic refusal of terms as challenger.

Fugazy said he believed a defense by champion Moore against Rinaldi of Italy would draw more money than a defense against Schoepner of Germany because Rinaldi already had beaten Moore in a non-title bout at Rome last Oct. 29.

However, promoter Jack declared: "I'll not definitely scrap the proposed Moore-Schoepner fight at Madison Square Garden, May 27, until I hear from Andy Niederreiter that Schoepner positively refuses our terms."

Air Force Chief Sees Fast Planes

New York—UPI—Gen. Thomas D. White, Air Force chief of staff, says if the United States is to remain competitive in commercial aviation, it must develop 2,000-mile an hour planes.

White, who spoke Wednesday night at the Franks Hawks Memorial Dinner at the Lotus Club, said that the mach 3 (2,000 m.p.h.) planes "were inevitable."

"I only hope this country is the first to have them," he said.

White spoke in connection with the development of the B70 bomber which will have a speed of 2,000 m.p.h. and a range of 7,500 miles.

"Unless the commercial development takes full advantage of the advance technology of the B70, it cannot, in my opinion, remain commercially competitive very long," he said.

Carlton Man Dies

McMinnville—UPI—Bill Wallin of Linfield continues to lead Northwest Conference basketball players in the individual scoring race, statistics showed today. Wallin has scored 113 points in 7 games for a 16.1 average. Knotted for second place are Fidel Gaviola of Willamette and Gary Moyer of Pacific with 86 points in 6 games for a 14.3 average.
