"Your grandchildren will grow up under Communism!"
says NIKITA KHRUSHCHEV

Will the Soviet threat come true? Will your grandchildren live under Communism? Forget God? Salute the Soviet flag? "Never!" you say. But are you sure? How can you oppose Communism? One sure way is to help Radio Free Europe.

The voice is that of Nikita Khrushchev. The audience is American. "Your grandchildren will grow up under Communism!" he shouts. Do you believe that? Will your grandchildren live in barracks with their hair shaved? Forget God? Salute the Soviet flag? "Never!" you say. But are you sure? What can you do to oppose Communism? Help Radio Free Europe. What does it do? Every day, to 79 million captive people behind the Iron Curtain, it broadcasts the plain truth... religious services... folk songs they love... the real news of the outside world. It helps keep these 79 million people from turning to Communism. The Poles, Czechoslovaks, Bulgarians, Rumanians and Hungarians. It keeps alive their friendship for America. Broadcasting from 28 transmitters... manned by escapees from Communism... it reaches over 90% of these people, despite Communist jamming. Thousands of smuggled letters echo the same plea: "God Bless You! Please keep Radio Free Europe on the air!" These 79 million people are vital to the cause of freedom. They are the buffers between Russia and the Free World. They help tie up 30 Russian divisions, stationed to prevent uprisings. They pose a major obstacle to the Russians starting any war. And they depend on Radio Free Europe. It is their strongest link with the Free World. But Radio Free Europe needs money to continue this important job... to grow... to become ever more effective. It depends on individual American support for its very existence. How about it? Will you help fight Communism? Secure the future of your children? ... Give a dollar?... Give five dollars?... or more? Surely, your heart tells you to give something so that our children—and all children—shall live in freedom throughout the world.

Oregon Counties Said Brainwashed
Salem - UPI - Washington County Judge Joseph Jaross, Hillsboro, today charged the State Public Welfare Commission with "brainwashing" the Oregon counties into rejecting participation in the federal surplus food program. Jaross said the commission claims the cost of administering the program is too high to justify taking part. This, he said, is not so and he intends to produce data at a hearing here Monday to back up his statement. Also scheduled to appear at the 4 p.m. hearing - called by the senate state and federal affairs committee - is Jeanne Jewett, state welfare administrator from Portland.
