# Concrete-Steel CORPORATION

Concrete-Steel Corp. represents a merger of six established Medford firms — Medford Concrete Construction Company, Tru-Mix Construction Company, Tru-Mix Equipment Company, Medford Steel Company, Medford Blowpipe Company and the Asphalt Paving Company. These six companies have a total of 126 years of service to this growing southern Oregon area. Now this experience is pooled with their combined resources and facilities, to provide finer service than ever in the months and years ahead. The future looks bright for Medford, the Rogue River Valley and Oregon. The Divisions of Concrete-Steel Corp., are now in a better position than ever before to help in the building of a greater community and area.
